PACKAGE CONTENTS

Please verify that all items are present in your package:

- CHARGEWORX USB-C Wired Earbuds
- Ear Gels (Small, Medium, Large)
- Carrying Case
- User Manual (this document)

KEY FEATURES

- **USB-C Connectivity:** Ensures a stable and reliable wired connection.
- **Built-in Microphone:** Enables clear hands-free calls and voice commands.
- **High-Definition Stereo Sound:** Delivers crisp audio for music and podcasts.

- **Noise Reduction:** Minimizes external noise for an immersive listening experience.
- **In-Line Audio Control:** Convenient buttons for volume adjustment, track control, and play/pause.
- **Tangle-Resistant Cable:** A 4-foot (122 cm) cable designed to resist tangling.
- **Comfortable Fit:** Includes three sizes of ear gels (Small, Medium, Large) for personalized comfort.

CRISP SOUND

IDEAL FOR LISTENING TO MUSIC WHILE TRAVELING OR PLAYING GAMES

SETUP

1. **Select Ear Gels:** Choose the ear gel size (Small, Medium, or Large) that provides the most comfortable and secure fit for your ears. A proper fit enhances sound quality and noise reduction.
2. **Connect to Device:** Insert the USB-C connector of the earbuds firmly into the USB-C port of your compatible device (smartphone, tablet, laptop, etc.).
3. **Device Recognition:** Your device should automatically recognize the earbuds. If prompted, select the earbuds as the audio output device.

OPERATING INSTRUCTIONS

The in-line control panel allows for easy management of your audio and calls:

- **Volume Up (+):** Press to increase audio volume.
- **Volume Down (-):** Press to decrease audio volume.
- **Play/Pause/Call Answer/End (Central Button):**
 - Single press to play or pause music.
 - Single press to answer an incoming call.
 - Single press to end an active call.
 - Double press to skip to the next track.
 - Triple press to go back to the previous track.

The built-in microphone automatically activates when making or receiving calls, or when using voice commands on compatible devices.

DEVICE COMPATIBILITY

These earbuds are compatible with a wide range of devices featuring a USB-C port, including but not limited to:

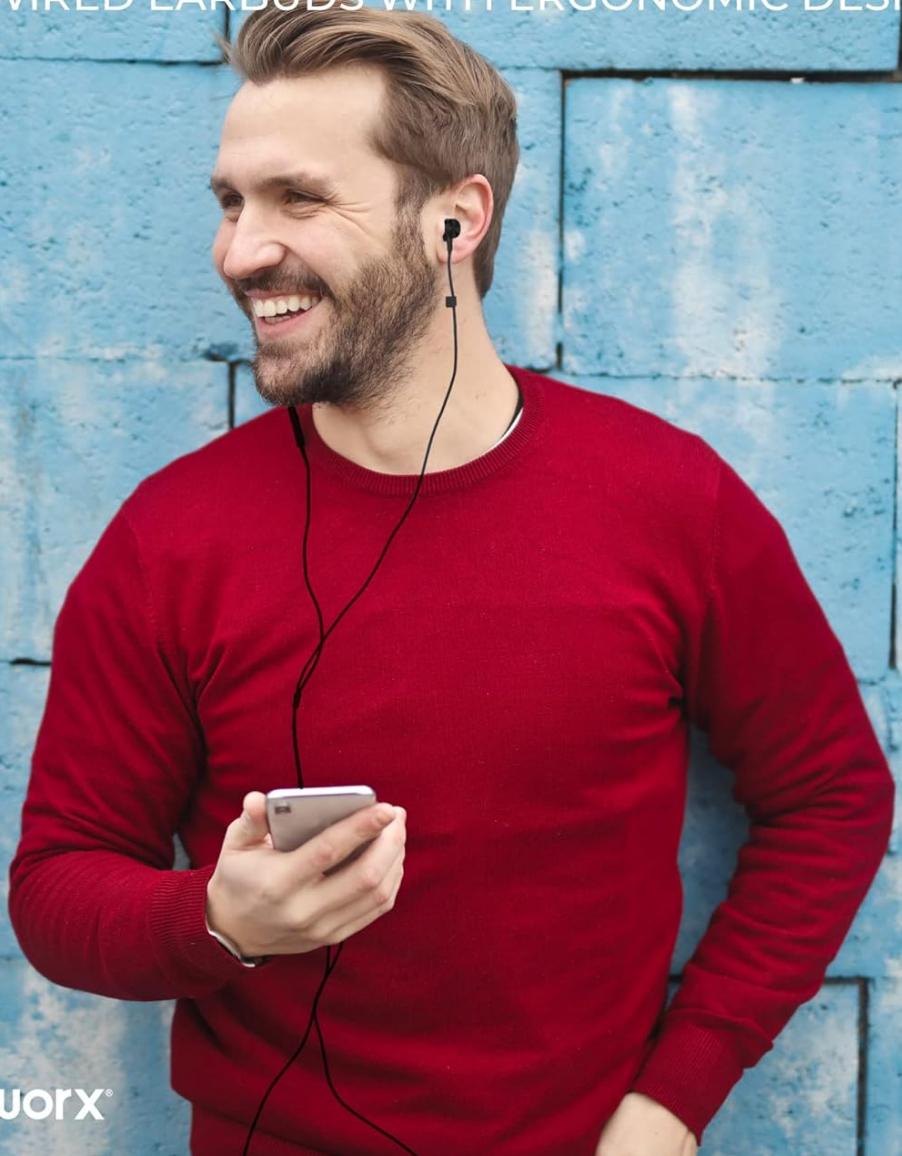

- Apple iPad Pro
- Apple MacBook Air
- Samsung Galaxy series
- Samsung Galaxy Ultra series
- Google Pixel phones
- Huawei phones
- Other tablets and cellphones with USB-C audio output

MAINTENANCE AND CARE

- **Cleaning:** Gently wipe the earbuds and cable with a soft, dry cloth. Do not use harsh chemicals or abrasive materials.
- **Ear Gels:** Remove ear gels periodically and clean them with mild soap and water. Ensure they are completely dry before reattaching.
- **Storage:** When not in use, store the earbuds in the provided carrying case to prevent tangling and damage.
- **Water Resistance:** These earbuds are *not* water-resistant. Avoid exposure to liquids, moisture, and extreme temperatures.
- **Cable Care:** The cable is designed to be tangle-resistant and scuff-resistant. Avoid sharp bends or excessive pulling to maintain its integrity.

TROUBLESHOOTING

Problem	Possible Solution
No sound from earbuds.	<p>Ensure the USB-C connector is fully inserted into your device.</p> <p>Check your device's volume settings.</p> <p>Verify that the earbuds are selected as the audio output device in your device's settings.</p> <p>Test the earbuds with another compatible device to rule out a device-specific issue.</p>

Problem	Possible Solution
Microphone not working.	<p>Ensure the USB-C connector is fully inserted.</p> <p>Check your device's microphone privacy settings to ensure the application has access.</p> <p>Test the microphone with another application or device.</p>
In-line controls are unresponsive.	<p>Ensure the earbuds are properly connected.</p> <p>Some older devices or specific applications may not fully support all in-line control functions.</p> <p>Restart your device and try again.</p>
Poor sound quality or excessive background noise.	<p>Ensure the ear gels are correctly seated in your ears and provide a good seal.</p> <p>Try different ear gel sizes.</p> <p>Check for any debris in the earbud nozzles and clean if necessary.</p> <p>Adjust the volume on your device.</p>
