Domi Grill Gazebo 8' x 6' Instruction Manual

Model: LGMF1608-G-LE-US

Brand: Domi Outdoor Living

1. IMPORTANT SAFETY INFORMATION

Please read and understand all instructions and warnings before assembling and using this product. Failure to follow these instructions may result in injury or property damage.

- Always secure the gazebo to a stable foundation using expansion screws to prevent it from tipping over. Ground anchoring hardware is not included and must be purchased separately based on your specific ground type (e.g., concrete anchors, lag bolts for wood).
- Do not use the gazebo in high winds or during severe weather conditions. Disassemble or secure properly during extreme weather.
- Keep the gazebo clean and dry to prevent mold and mildew growth.
- Be cautious when using the shelves and hooks to prevent injury. Do not overload shelves or hooks.
- Ensure proper ventilation when using a grill or other heat sources under the gazebo to prevent carbon monoxide buildup.
- Keep children and pets away from the assembly area.

2. PRODUCT OVERVIEW & FEATURES

The Domi Grill Gazebo is designed to provide a dedicated, protected space for your outdoor grilling and cooking activities. Its robust construction and thoughtful features enhance your outdoor living experience.

- **Double Galvanized Steel Roof Design:** The unique two-tiered steel roof is attractive, blocks harmful UV rays, and allows for proper ventilation and stability.
- **Durable Aluminum Frame:** The frame is made of powder-coated aluminum, providing maximum scratch and corrosion resistance for long-lasting outdoor use.

- **2 Convenient Shelves:** Includes two shelves for a convenient outdoor workstation to place food items, tableware, cutlery, or grilling accessories.
- **2 Ceiling Hooks:** Provided for suspending lighting, fans, or other decorations.
- **Triangular Stable Design:** 4 corners adopt a triangular stable design, reinforced for years of durability and safety.
- **Hardtop Design:** Ensures water and snow slide off the roof, preventing pooling and damage.

3. PACKAGE CONTENTS

Your Domi Grill Gazebo package includes:

- 1 Grill Gazebo (components)
- Clear Illustrated Assembly Instructions
- Hardware Kit

Note: This product typically ships in multiple boxes. Please ensure all boxes have arrived before beginning assembly. Ground anchoring hardware is not included.

4. SETUP & ASSEMBLY

Assembly of the Domi Grill Gazebo requires at least two people. Follow the included illustrated assembly instructions carefully. A power drill with appropriate bits may expedite the process.

Assembly Steps Overview:

1. Unpack all components and verify against the parts list in the manual.
2. Assemble the main frame structure, ensuring all connections are secure.
3. Attach the roof panels, paying close attention to alignment and orientation.
4. Install the side shelves and ceiling hooks.
5. Secure the gazebo to the ground using appropriate anchoring hardware (not included).

Visual Guides for Assembly:

OURS

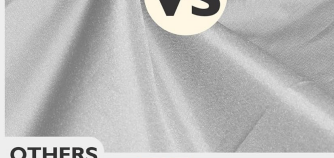

Powder-Coated Aluminum Frame

- ✔ Corrosion-resistant & rust-proof
- ✔ Durable & highly stable
- ✔ Strong wind resistance

VS

OTHERS

Fabric Material

- ✘ Prone to wear and tear
- ✘ Less wind-resistant
- ✘ Require regular cleaning

Wooden Material

- ✘ Prone to rot and moisture damage
- ✘ Requires maintenance
- ✘ Not durable

Figure 4.1: This image highlights the superior durability, corrosion resistance, and stability of the Domi Grill Gazebo's powder-coated aluminum frame compared to less durable fabric or wooden structures.

Video 4.2: Watch this video for a detailed overview of the DOMI Hardtop Gazebo, showcasing its durable aluminum frame and hardtop roof construction.

5. OPERATING INSTRUCTIONS

The Domi Grill Gazebo is designed for straightforward use, providing a comfortable and functional area for grilling.

- **Utilizing Shelves:** The two side shelves are ideal for holding grilling tools, plates, spices, or prepared food. Ensure items are placed securely and do not exceed the shelf's weight capacity.
- **Using Ceiling Hooks:** The integrated ceiling hooks can be used to hang lightweight items such as LED lights, small fans, or decorative elements. Do not hang heavy objects that could compromise the gazebo's stability.
- **Ventilation:** The double-tiered roof design allows for heat and smoke to escape, providing a more comfortable grilling environment.

6. MAINTENANCE

Regular maintenance will help prolong the life and appearance of your Domi Grill Gazebo.

- **Cleaning:** Clean the frame and roof panels periodically with mild soap and water. Rinse thoroughly and dry to prevent water spots and mildew. Avoid abrasive cleaners or scrubbers.
- **Inspection:** Periodically check all bolts, screws, and connections to ensure they are tight and secure. Tighten any loose hardware.
- **Winter Storage:** While designed for outdoor use, consider disassembling and storing the gazebo in a dry, protected area during harsh winter conditions to maximize its lifespan.

7. TROUBLESHOOTING

If you encounter issues during assembly or use, refer to these common troubleshooting tips:

- **Difficulty Aligning Roof Panels:** Ensure the T-shaped central bracket pieces are installed with the pointing piece facing upwards, towards the slope of the roof. Incorrect orientation can prevent proper alignment.
- **Difficulty Installing Side Shelves:** When attaching the side shelves, install only one screw on each side initially, leaving it slightly loose. This allows for flexibility to align the vertical bars before fully tightening all screws.
- **Missing Parts:** If any parts are missing or damaged, please contact Domi Outdoor Living customer service.
- **Instability:** Double-check all connections and ensure the gazebo is properly anchored to a solid surface.

8. SPECIFICATIONS

Brand	domi outdoor living
Model Number	LGMF1608-G-LE-US
Material	Alloy Steel, Aluminum
Product Dimensions	97.24"L x 71.65"W x 99"H
Item Weight	138.89 Pounds

Frame Material	Alloy Steel, Aluminum, Metal
Water Resistance Level	Waterproof
Shape	Rectangular
