# BONTEC Dual Monitor Stand Instruction Manual

Model: B0C4T2KMJ2

Brand: BONTEC

## INTRODUCTION

The BONTEC Dual Monitor Stand is designed to enhance your workspace by elevating your monitors to an ergonomic height, reducing strain, and providing ample storage. This versatile desk organizer features adjustable length and angle, a smartphone holder, and efficient cable management, making it suitable for various desk setups.

Image: The BONTEC Dual Monitor Stand, showcasing its ability to hold two monitors and provide under-shelf storage for a keyboard, mouse, and other desk items.

## Key Features:

- **Adjustable Length & Angle:** Elevate two monitors to an ergonomic height. Adjustable from 31.5" to 42.5" to fit various desk sizes and configurations.
- **Ergonomic Design:** Raises monitors to eye level to reduce neck, back, and shoulder strain during extended use.
- **Multifunctional Storage:** Three spacious compartments underneath for organizing office essentials like keyboards, mice, files, and other devices.
- **Smartphone Holder & Cable Management:** Integrated slot for smartphones and openings for cable organization, keeping your workspace tidy.
- **Easy Assembly & Non-Slip Base:** Quick assembly in approximately 3 minutes with included hardware. Features a non-slip base for stability and desk surface protection.

## SETUP AND ASSEMBLY

---

The BONTEC Dual Monitor Stand is designed for quick and straightforward assembly. Please follow these steps carefully to ensure proper setup.

1. **Unpack Components:** Carefully remove all parts from the packaging. Verify that all components and hardware are present according to the included parts list.
2. **Identify Panels:** Distinguish between the main center panel and the two side panels. Note the pre-drilled holes and connection points.
3. **Attach Side Panels to Center:** Align the side panels with the center panel. Insert the provided metal dowels and screws into the designated holes. Use a screwdriver to tighten the screws securely, ensuring a stable connection.

Image: Detail of screw insertion during assembly, illustrating the simple connection method.

4. **Adjust Length and Angle:** Once assembled, the side panels can be adjusted to extend the stand's length or angled to create a corner setup. Gently slide or pivot the side sections to achieve your desired configuration.

# — Customize Your Stand Freely —

Image: Visual guide demonstrating how to customize the stand's length from 31.5 inches to 42.5 inches and adjust the angle of the side sections.

5. **Place on Desk:** Position the assembled monitor stand on a flat, stable desk surface. The non-slip pads on the bottom of the stand will help prevent movement and protect your desk.

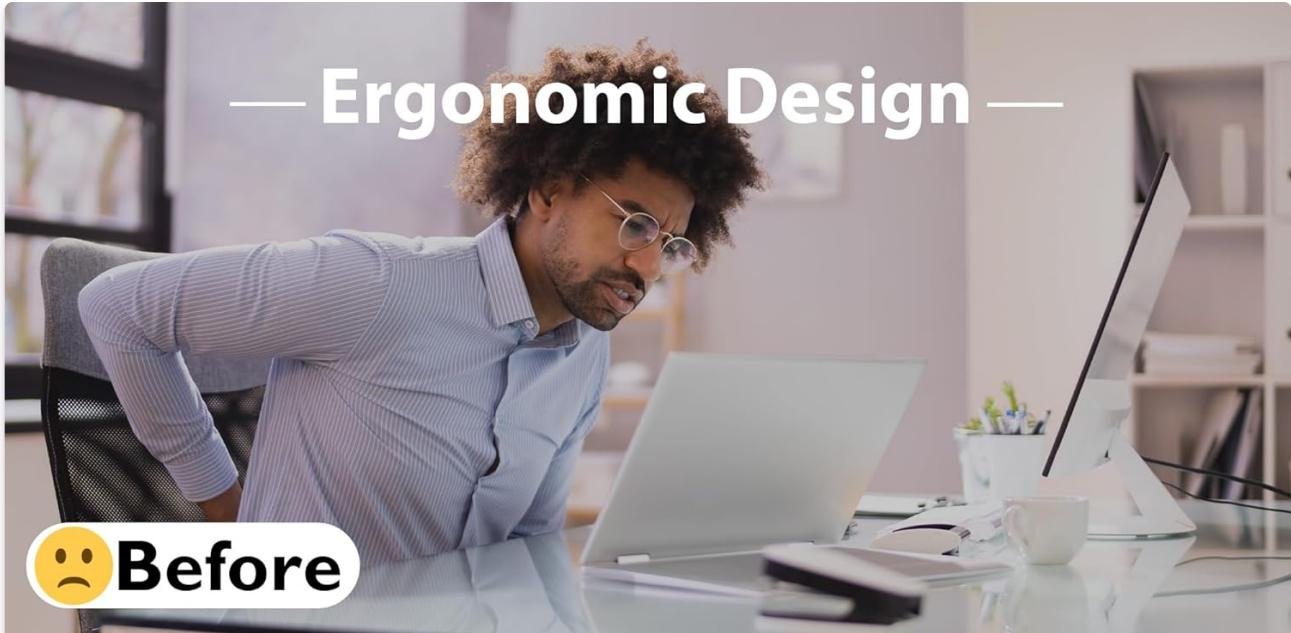

## OPERATING INSTRUCTIONS

Utilize the features of your BONTEC Dual Monitor Stand to optimize your workspace and improve ergonomics.

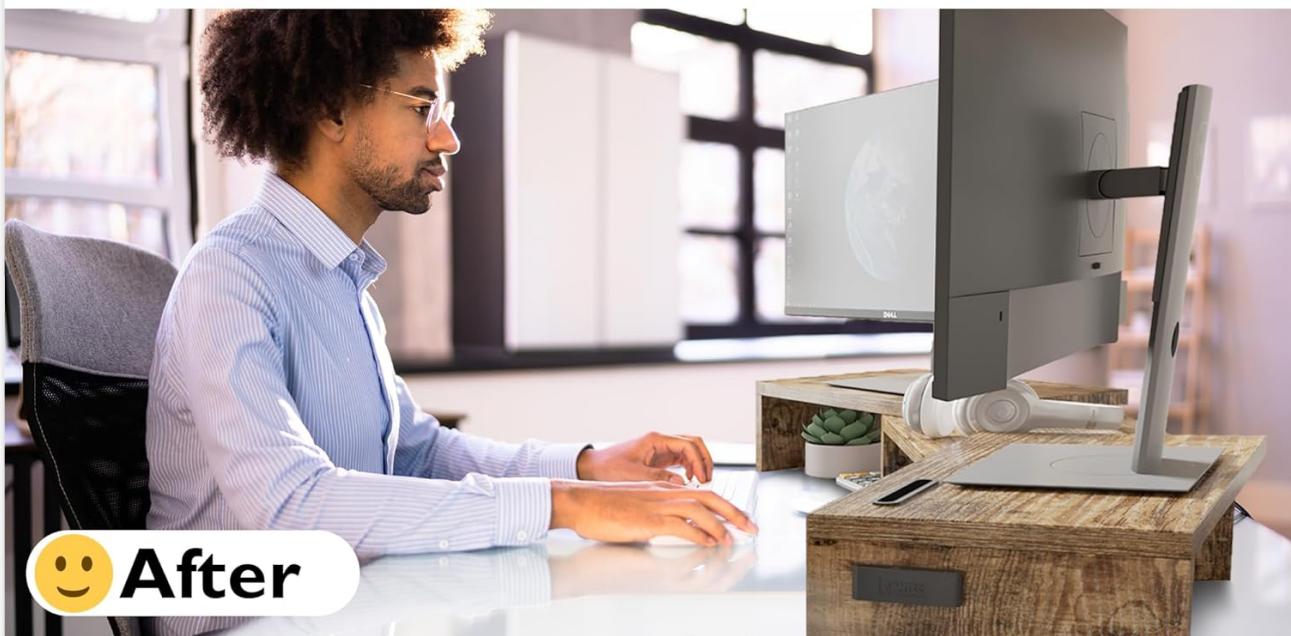

### Monitor Placement:

- Place your monitors directly on the elevated surfaces of the stand. Ensure the weight is evenly distributed.
- Adjust the stand's length and angle to position your monitors at a comfortable eye level, promoting better posture and reducing neck strain.

# — Ergonomic Design —

**Before**

**After**

Image: An illustration of ergonomic benefits, showing a user with improved posture after using the monitor stand compared to slouching without it.

## Storage and Organization:

- Utilize the three compartments underneath the stand to store your keyboard, mouse, notebooks, files, or other desk accessories. This helps to declutter your desk surface.
- The integrated smartphone holder allows you to keep your phone upright and easily accessible.
- Use the cable management openings to route and organize your monitor and device cables, preventing tangles and maintaining a neat appearance.

# — Multiple Features —

Image: Close-up view of the monitor stand's features, including the convenient slot design for a smartphone and the cable management clips.

## MAINTENANCE

Proper care and maintenance will ensure the longevity and appearance of your BONTEC Dual Monitor Stand.

- **Cleaning:** The stand's surface is designed to be waterproof and easy to clean. Wipe down the stand regularly with a soft, damp cloth to remove dust and spills. Avoid using abrasive cleaners or harsh chemicals, as these may damage the finish.

- **Stability Check:** Periodically check all connections and screws to ensure they remain tight. Re-tighten if necessary to maintain the stand's stability.
- **Non-Slip Pads:** Ensure the non-slip pads on the bottom of the stand are clean and intact to provide optimal grip and protect your desk surface.

## TROUBLESHOOTING

If you encounter any issues with your BONTEC Dual Monitor Stand, refer to the following common troubleshooting tips:

Problem	Possible Cause	Solution
Stand is wobbly or unstable.	Loose screws or uneven surface.	Ensure all assembly screws are tightened. Place the stand on a flat, level surface. Check if non-slip pads are properly attached.

Problem	Possible Cause	Solution
Difficulty adjusting length or angle.	Panels are too tight or misaligned.	Gently loosen the screws connecting the panels slightly, adjust to desired position, then re-tighten. Ensure panels are aligned correctly.
Monitors slide on the surface.	Stand surface is slick or monitors lack sufficient grip.	Ensure the stand's surface is clean and dry. If monitors still slide, consider placing small non-slip pads under the monitor bases.

## SPECIFICATIONS

---

Detailed specifications for the BONTEC Dual Monitor Stand (Model: B0C4T2K MJ2).

- Brand:** BONTEC
- Model:** B0C4T2K MJ2
- Material:** Engineered Wood
- Color:** Rustic Brown
- Finish Type:** Polished
- Shape:** Rectangular
- Base Type:** Leg
- Assembly Required:** Yes
- Load Capacity:** 44 Pounds (20 kg)
- Product Dimensions (Shortest Length):** 9.3 x 4.1 x 31.5 inches (L x W x H)
- Product Dimensions (Longest Length):** Approximately 9.3 x 4.1 x 42.5 inches (L x W x H)
- Item Weight:** 7.7 pounds (3.5 Kilograms)
- Special Feature:** Ergonomic, Adjustable Length and Angle, Smartphone Holder, Cable Management

# — Super Load-Bearing Comparison —
