INTERGREAT MSC-D16 Metal Storage Cabinet Instruction Manual

MODEL: MSC-D16

1. INTRODUCTION

Thank you for choosing the INTERGREAT MSC-D16 Metal Storage Cabinet. This 72-inch tall, lockable steel cabinet is designed to provide secure and organized storage for various environments including offices, homes, garages, gyms, and schools. Featuring a robust construction and adjustable shelving, it offers a versatile solution for your storage needs. The cabinet is equipped with 4 adjustable shelves, allowing you to customize the internal space to accommodate items of different sizes. Its heavy-duty metal frame ensures durability, with each shelf capable of supporting up to 180 lbs, and a total maximum load capacity of 900 lbs. The cabinet also features an upgraded 3-point locking system for enhanced security of your valuables.

2. SAFETY INFORMATION

- Do not leave keys in the lock.
- Keep the cabinet away from high traffic areas to prevent tipping.
- Do not exceed the weight limit of 900 lbs for the entire cabinet or 180 lbs per shelf.
- Ensure the cabinet is placed on a level surface to maintain stability.
- For added stability and safety, especially in households with children or in earthquake-prone areas, anchor the cabinet to a wall using appropriate hardware (not included unless specified).
