SALKING Clean Fragrance Oils Diffuser Set User Manual

Model: SK100087EU | Brand: SALKING

1. INTRODUCTION

Thank you for choosing the SALKING Clean Fragrance Oils set. This premium collection is designed to enhance your environment with refreshing and clean scents, suitable for various applications including diffusers, soap making, candle making, and general home fragrance. This set includes six distinct 10ml fragrance oils, each formulated to provide a long-lasting and pleasant aroma.

2. PRODUCT COMPONENTS

Each SALKING Clean Fragrance Oils set contains:

- 6 x 10ml bottles of premium fragrance oils: Lemongrass, Fresh Cotton, Fresh Linen, Cherry Blossom Soap, Clean Air, and Aloe.
- Each bottle is equipped with a euro-style dropper for controlled dispensing.

3. USAGE INSTRUCTIONS

3.1 General Application

The euro-style dropper allows for precise measurement and easy dispensing of the fragrance oils without spillage. Always start with a small amount and adjust according to your preference.

3.2 For Diffusers

To use with an essential oil diffuser:

1. Fill your diffuser's water tank to the indicated maximum fill line.
2. Add 3-5 drops of your chosen SALKING fragrance oil directly into the water. Adjust the number of drops for

desired intensity.

3. Replace the diffuser lid and turn on the device according to its instructions.

3.3 For Soap & Candle Making

Incorporate the fragrance oils into your soap or candle base during the appropriate stage of your DIY process. Follow specific recipe guidelines for optimal scent throw and safety. Experiment with different blends to create unique aromas.

3.4 For Home Cleaning & Laundry

Add a few drops of fragrance oil to your cleaning solutions or directly to your laundry during the wash cycle for a naturally clean and pleasant scent. Always test on a small, inconspicuous area first.

5. SAFETY INFORMATION

Please read and adhere to the following safety guidelines:

- **For External Use Only:** These fragrance oils are not intended for internal consumption.
- **Keep Out of Reach:** Store away from children and pets to prevent accidental ingestion or misuse.
- **Avoid Eye Contact:** In case of contact with eyes, rinse thoroughly with water. If irritation persists, seek medical attention.
- **Skin Sensitivity:** If applying topically (e.g., diluted with a carrier oil), perform a patch test on a small area of skin first to check for any allergic reactions or sensitivities. Discontinue use if irritation occurs.
- **Ventilation:** Use in well-ventilated areas, especially when diffusing.
- **Flammability:** Keep away from open flames and high heat sources.
- **Disclaimer:** Statements regarding dietary supplements have not been evaluated by the FDA and are not intended to diagnose, treat, cure, or prevent any disease or health condition.

6. STORAGE & MAINTENANCE

To maintain the quality and longevity of your SALKING fragrance oils:

- Store bottles in a cool, dry place.

- Keep away from direct sunlight, as UV light can degrade the oils and diminish their scent.
- Ensure caps are tightly sealed after each use to prevent evaporation and maintain freshness.
