1. INTRODUCTION

This manual provides detailed instructions for assembling and operating your JMBricklayer Mech Robot Building Set, model 70129, featuring the Huang Zhong-red warrior mech. This set combines ancient hero legends with futuristic technology, offering an immersive building experience and a collectible display model.

2. SAFETY INFORMATION

- Age Recommendation:** This building set is recommended for ages 14 years and up.
- Choking Hazard:** Contains small parts. Not suitable for children under 3 years.
- Adult Supervision:** Adult supervision is recommended during assembly for younger builders.
- Handling:** Handle parts carefully to avoid breakage.

3. PACKAGE CONTENTS

Your JMBricklayer Mech Robot Building Set 70129 includes:

- 755 building pieces (ABS plastic)
- Instruction booklet
- Huang Zhong-red mech character components
- Weapon accessories (bronze-bodied iron-backed bow)

Please verify all parts are present before beginning assembly. If any parts are missing, refer to the Troubleshooting section.

4. ASSEMBLY INSTRUCTIONS

Follow the step-by-step instructions provided in the included instruction booklet. Ensure each piece is securely connected to form a stable structure.

4.1 General Assembly Tips

- Organize your pieces by color and type before starting.
- Refer to the instruction booklet for detailed diagrams.
- Apply gentle pressure when connecting pieces to avoid damage.

Video: A general assembly guide for a mech building set, demonstrating the process of connecting various block pieces. This video is for a related product and illustrates general building techniques.

5. OPERATING INSTRUCTIONS

The Huang Zhong-red mech features flexible articulations, allowing for a wide range of poses and dynamic display options. Its movable body parts, including cylindrical and spherical joints, provide excellent maneuverability.

- **Posing:** Gently adjust the joints in the arms, legs, and head to achieve desired poses.
- **Weapon Handling:** The bronze-bodied iron-backed bow can be securely placed in the mech's hand.
- **Display:** The mech is designed to stand stably for display on various surfaces.

6. MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to gently wipe dust from the model. For stubborn dirt, a slightly damp cloth can be used, followed by immediate drying. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration or material degradation.

- **Disassembly:** If disassembling, do so carefully to avoid damaging the connection points. Keep all pieces organized for future reassembly.

7. TROUBLESHOOTING

- **Missing Pieces:** If you find any missing pieces, please contact JMBricklayer customer support with your product model number (70129) and a description of the missing parts.
- **Difficulty Connecting Parts:** Ensure you are using the correct pieces as indicated in the instruction booklet. Apply firm but gentle pressure. If a piece does not fit, do not force it, as this may cause damage.
- **Unstable Model:** Double-check all connections to ensure they are secure. Refer to the instruction booklet to confirm correct assembly steps.
