### Bushnell 362210

# Bushnell Wingman View Golf GPS Speaker Instruction Manual

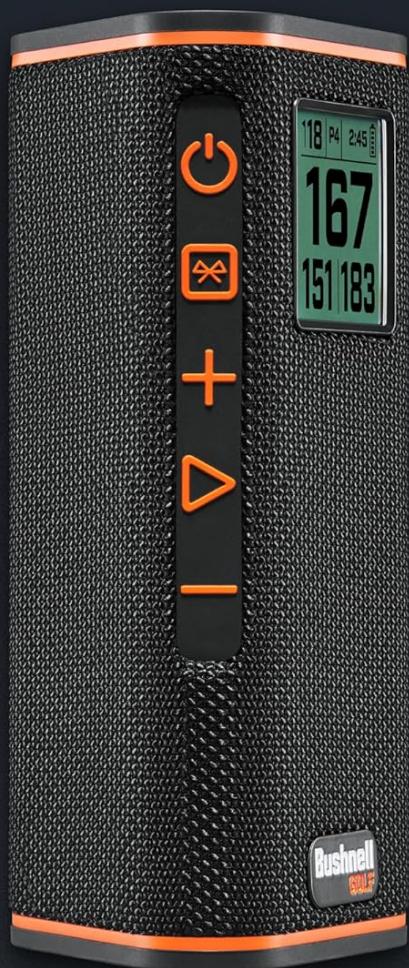

Model: 362210

## INTRODUCTION

The Bushnell Wingman View Golf GPS Speaker is designed to enhance your golf experience by providing both high-quality audio and precise GPS distance information. This device combines a premium Bluetooth speaker with an integrated golf GPS system, featuring an easy-to-read LCD screen and audible distance call-outs for over 36,000 golf courses worldwide. It includes a removable remote for convenient control and a BITE magnetic mount for secure attachment to a golf cart.

## WHAT'S IN THE BOX

- Bluetooth Speaker with Audible/Viewable GPS
- Remote Control
- USB-C Charging Cable

## WHAT'S INCLUDED

Image: The Bushnell Wingman View Golf GPS Speaker, its remote control, and USB-C charging cable, neatly arranged in their packaging.

### PRODUCT FEATURES

- LCD Screen:** Provides visual distances to the front, center, and back of the green, along with music information.
- Audible Distances:** Delivers spoken distance readings for over 36,000 golf courses globally.
- Hazard Distances:** Displays and audibly announces up to 6 hazard distances per hole.
- Premium Audio Quality:** Ensures clear music playback and audible information.
- Custom Sound Bites:** Allows for personalized audio messages.
- BITE Magnetic Mount:** Integrated strong magnet for secure attachment to a golf cart.
- Remote Control:** A redesigned, removable remote for controlling GPS distances, volume, song changes, and custom sound bites.
- Long Battery Life:** Rechargeable Lithium-Ion battery provides up to 10 hours of use.
- USB Charging Port:** Built-in USB port to charge other devices.
- Bushnell Golf App Integration:** Connects to the Bushnell Golf app for additional course information and game data.
- Built-in Microphone:** Enables taking or making phone calls.

- **TWS Speaker Pairing:** Allows pairing two Wingman speakers for simultaneous audio playback.

## SETUP

### 1. Charging the Device

Before first use, fully charge your Wingman View speaker using the provided USB-C charging cable. The charging port is located under a protective flap on the device. A full charge provides up to 10 hours of operation.

Image: The USB-C charging port of the Wingman View, located at the top of the device under a protective cover.

## 2. Bluetooth Pairing

To pair your Wingman View with a smartphone or other Bluetooth-enabled device:

1. Power on the Wingman View by pressing and holding the power button.
2. Press the Bluetooth button on the side of the speaker to enter pairing mode. The Bluetooth indicator will flash.
3. On your smartphone, navigate to Bluetooth settings and select 'Bushnell Wingman View' from the list of available devices.
4. Once connected, the Bluetooth indicator will turn solid.

## 3. Bushnell Golf App Integration

Download the Bushnell Golf app from your device's app store. The app provides access to over 36,000 preloaded golf courses, visual hole layouts, shot planning, and scorekeeping features. Ensure your Wingman View is connected via Bluetooth to utilize the app's full capabilities.

## OPERATING INSTRUCTIONS

### 1. Power On/Off

Press and hold the power button on the side of the speaker to turn the device on or off.

### 2. Music Playback

Once connected via Bluetooth, you can play music from your smartphone. Use the volume buttons (+/-) on the speaker or the remote to adjust audio levels. The play/pause and track skip buttons are also available on the speaker and remote.

### 3. GPS Distance Readings

The Wingman View automatically recognizes the golf course you are playing. The LCD screen will display distances to the front, center, and back of the green. For audible distances, press the dedicated button on the remote control.

#### 4. Hazard Distances

The device provides visual and audible distances to up to 6 hazards per hole. These will be displayed on the LCD screen and can be announced via the remote.

#### 5. Using the Remote Control

The removable remote allows for convenient control of key functions without needing to access the main speaker unit. Use it to get audible GPS distances, adjust volume, change songs, and trigger custom sound bites.

## 6. BITE Magnetic Mount

The integrated BITE magnetic mount allows for easy and secure attachment of the speaker to any metal surface, such as a golf cart frame, for optimal placement during your round.

## 7. TWS Speaker Pairing

For an enhanced audio experience, two Wingman View speakers can be paired together using TWS (True Wireless Stereo) technology to play the same audio simultaneously.

**TWS TECHNOLOGY ALLOWS YOU TO PAIR WITH ANOTHER WINGMAN VIEW, WINGMAN 2, OR WINGMAN MINI FOR SURROUND SOUND AUDIO.**

## 8. Making Phone Calls

The built-in microphone allows you to answer or make phone calls directly through the speaker when connected to your smartphone.

## MAINTENANCE

- **Cleaning:** Wipe the device with a soft, damp cloth. Avoid abrasive cleaners or solvents.
- **Water Resistance:** The Wingman View is waterproof (IP54 rated). Ensure the charging port cover is securely closed to maintain water resistance.
- **Battery Care:** For optimal battery life, avoid fully discharging the battery frequently. Store the device in a cool, dry place when not in use.

## TROUBLESHOOTING

- **Device not powering on:** Ensure the battery is fully charged. Connect to a power source using the USB-C cable.

- **Cannot connect via Bluetooth:** Ensure the device is in pairing mode (flashing Bluetooth indicator). Check your smartphone's Bluetooth settings and try reconnecting. Make sure the speaker is not already connected to another device.
- **No GPS signal:** Ensure you are outdoors with a clear view of the sky. Allow a few minutes for the device to acquire a satellite signal. Verify that the Bushnell Golf app is updated and running on your connected smartphone.
- **Audio quality issues:** Check the volume levels on both the speaker and your connected device. Ensure there are no obstructions blocking the speaker grille.
