# SYBO 12-Cup Glass Coffee Decanter Instruction Manual

Model: coffee pot

## 1. INTRODUCTION

This manual provides essential instructions for the safe and effective use of your SYBO 12-Cup Glass Coffee Decanter. Please read this manual thoroughly before initial use and retain it for future reference.

## 2. SAFETY INFORMATION

- Handle the glass decanter with care. Avoid sudden temperature changes, as this may cause the glass to break.
- Do not heat the decanter directly on an open flame or stovetop. It is designed for use with compatible coffee brewing machines.
- Ensure the decanter is placed on a stable, heat-resistant surface during and after brewing.
- Keep out of reach of children to prevent burns from hot liquids.
- Do not use abrasive cleaners or scouring pads that could scratch the glass or plastic components.

**DO NOT HEAT DIRECTLY  
ON AN OPEN FLAME**

### 3. PRODUCT COMPONENTS

The SYBO 12-Cup Glass Coffee Decanter is designed for durability and ease of use. Key features include:

- **High Quality Glass:** Constructed from laboratory-grade, stress-free glass, ensuring reliability and no aftertaste.
- **Temperature Resistance:** Designed to withstand temperature adjustments common in coffee brewing.
- **Earth-Friendly Materials:** Utilizes food-grade polymeric materials for connections.
- **Drip-free Carafe:** Features a proprietary lid and spout design to prevent spills during pouring.
- **Comfortable Grip:** Ergonomically designed handle for secure and easy handling.

## 4. SETUP

The SYBO 12-Cup Glass Coffee Decanter is designed to be compatible with various commercial coffee machines. Ensure your coffee machine is suitable for a 12-cup decanter.

1. **Unpack:** Carefully remove the decanter from its packaging. Inspect for any damage.
2. **Initial Cleaning:** Before first use, wash the decanter with warm, soapy water. Rinse thoroughly and dry.
3. **Placement:** Position the decanter securely on the warming plate of your compatible coffee machine.

## COMPATIBLE WITH COFFEE MACHINES

## 5. OPERATING INSTRUCTIONS

This decanter functions as a collection and serving vessel for brewed coffee from a compatible coffee machine.

1. **Brewing:** Follow the operating instructions of your specific coffee machine to brew coffee directly into the SYBO 12-Cup Glass Coffee Decanter.
2. **Serving:** Once brewing is complete, carefully remove the decanter from the warming plate using the ergonomic handle.
3. **Pouring:** Utilize the drip-free spout to pour coffee into cups.
4. **Keeping Warm:** Return the decanter to the warming plate of your coffee machine to keep the coffee warm.

## 6. CARE AND MAINTENANCE

Regular cleaning and proper care will extend the life of your coffee decanter.

- **Daily Cleaning:** After each use, wash the decanter with warm, soapy water. Use a soft sponge or cloth to clean the interior and exterior. Rinse thoroughly to remove all soap residue.
- **Drying:** Allow the decanter to air dry completely or dry with a soft, lint-free cloth.
- **Stain Removal:** For coffee stains, a mixture of baking soda and water or a specialized coffee pot cleaner can be used. Follow the cleaner's instructions and rinse thoroughly.
- **Avoid Abrasives:** Do not use abrasive cleaners, steel wool, or harsh chemicals, as these can scratch the glass or damage the plastic components.

## 7. TROUBLESHOOTING

If you encounter issues with your SYBO Glass Coffee Decanter, consider the following:

- **Leaking:** Ensure the lid is properly seated and the decanter is not overfilled. Check for any cracks or damage to the glass or spout. If damage is present, discontinue use.

- **Coffee Not Staying Warm:** Verify that your coffee machine's warming plate is functioning correctly and that the decanter is properly centered on it.
- **Difficulty Cleaning Stains:** Refer to the 'Care and Maintenance' section for tips on removing stubborn coffee stains.
