

Itaar 40" Lift Top Coffee Table

Itaar 40" Lift Top Coffee Table Instruction Manual

Model: 40" Lift Top Coffee Table (Rustic Brown)

1. INTRODUCTION

Thank you for choosing the Itaar 40" Lift Top Coffee Table. This manual provides essential information for the safe and efficient assembly, operation, and maintenance of your new furniture. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

2. KEY FEATURES

- **4-in-1 Lift Design:** This versatile coffee table offers four distinct configurations: a standard coffee table, a half-extended workstation for two, a fully extended dining or gaming table for up to eight people, and a closed unit for storage.
- **Ample Storage:** Features a partitioned hidden storage compartment with three sections, an open storage shelf, and two smooth-gliding drawers for organizing various items.
- **Integrated LED Lighting:** Equipped with an RGB LED light strip that can be controlled via a remote or a dedicated app. Choose from multiple colors and 29 flashing modes to enhance your living space.
- **Durable Construction:** Crafted from FSC certified engineered wood and supported by a high-quality metal gas support mechanism for easy, quiet lifting. The table is designed to support up to 166 pounds.
- **Adjustable Direction:** The lifting direction of the coffee table can be adjusted based on user preference and room layout.

3. SETUP AND ASSEMBLY

Your Itaar coffee table comes with clear and detailed instructions and numbered parts to facilitate assembly. While assembly tools like a hammer, screwdriver, and wrench are recommended, please note that these are not included with the product.

3.1 Important Assembly Tips:

- **Review Instructions:** Carefully read through the entire assembly guide before starting. Pay close attention to the orientation and direction of each piece.
- **Tool Usage:** For certain components, particularly when securing screws into the engineered wood, it is highly recommended to use a **hand screwdriver** instead of an electric drill. An electric drill can potentially overtighten screws and damage the wood.
- **Part Identification:** All parts are numbered. Match the numbers on the parts to the corresponding steps in the instruction manual.
- **Stability:** Ensure all connections are secure but do not overtighten screws to prevent damage.

4. OPERATING INSTRUCTIONS

4.1 Lift-Top Mechanism:

The table features a smooth and quiet metal gas support mechanism for easy lifting. To extend the tabletop:

1. **Caution:** Always ensure the lower tabletop is raised first to avoid any potential damage to the mechanism or the table surface.
2. Gently lift one side of the tabletop to engage the lift mechanism.
3. Continue lifting until the desired height is reached. The table can be used in a half-extended position (workstation) or fully extended (dining/gaming).
4. To lower, gently push down on the tabletop until it returns to its original coffee table position.

Figure 4: Heavy-duty metal lift mechanism.

4.2 Storage Features:

The table is designed with multiple storage options:

- **Hidden Compartment:** The area beneath the lift-top is divided into three compartments, ideal for blankets, snacks, or electronic devices.
- **Open Shelf:** A lower open shelf provides easy access storage for items like laptops or books.
- **Drawers:** Two drawers are available for storing smaller items such as remote controls or chess pieces.

Figure 5: Overview of the table's storage compartments.

4.3 LED Light Operation:

The integrated RGB LED light strip offers customizable ambiance:

- **Control:** Use the provided remote control or download the dedicated smartphone application to manage the LED lights.
- **Customization:** Select from multiple colors and 29 flashing modes to suit your mood or activity.
- **Features:** The LED system includes features such as music synchronization and a timing function.

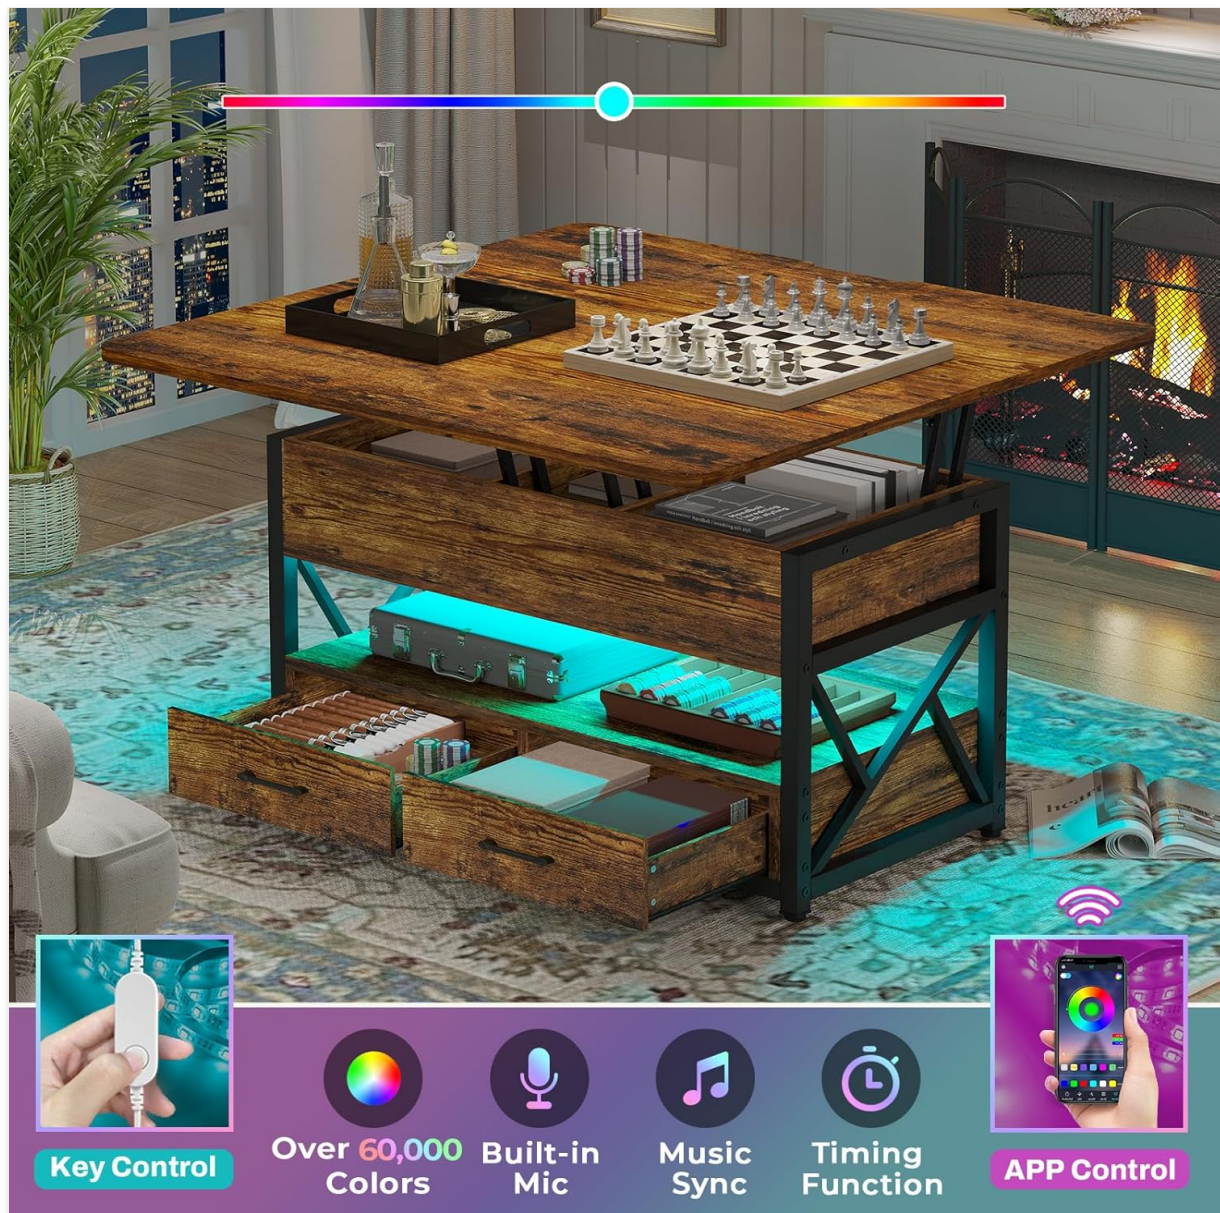

Figure 6: LED light features and control options.

5. MAINTENANCE

To ensure the longevity and appearance of your Itaar coffee table, follow these maintenance guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish.
- **Spills:** Clean up spills immediately to prevent staining, especially since the table is not stain-resistant.
- **Heat and Moisture:** Use coasters and placemats to protect the surface from hot items and moisture.
- **Weight Capacity:** Do not exceed the maximum weight recommendation of 166 pounds on the tabletop.
- **Children's Safety:** Children are not allowed to climb or play on the product for safety reasons.

6. TROUBLESHOOTING

6.1 Assembly Issues:

If you encounter difficulties during assembly, particularly with screws or wood damage:

- **Screw Damage:** Ensure you are using the correct type and size of screws for each part. Avoid using power tools for delicate connections to prevent stripping screws or damaging the wood. A hand screwdriver provides better control.
- **Misaligned Pieces:** Double-check the orientation of all pieces against the instruction manual. If a piece seems misaligned, disassemble and re-evaluate the step.

6.2 Lift Mechanism Operation:

- **Sticking/Noise:** Ensure the lift mechanism is free of obstructions. If it becomes stiff or noisy, a small amount of silicone-based lubricant can be applied to the moving parts (avoid oil-based lubricants).
- **Tabletop Damage:** Always raise the lower tabletop first before lifting the main tabletop to prevent damage to the table's structure.

7. SPECIFICATIONS

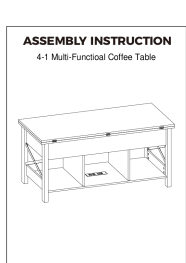

| | |
|--------------------------------|---|
| Brand | Itaar |
| Model | 40" Lift Top Coffee Table |
| Color | Rustic Brown |
| Product Dimensions (D x W x H) | 39.4"D x 39.4"W x 26.6"H |
