BUGANI OpenFree

BUGANI OpenFree Open Ear Headphones User Manual

Model: BUGANI OpenFree

Brand: BUGANI

INTRODUCTION

Welcome to the user manual for your BUGANI OpenFree Open Ear Headphones. These headphones are designed to provide a comfortable and immersive audio experience while keeping you aware of your surroundings. Featuring Bluetooth 5.3 connectivity, dual 16.2mm dynamic drivers, and IPX6 waterproof rating, they are suitable for various activities including sports, travel, and daily use.

WHAT'S IN THE BOX

- 1x Pair of BUGANI OpenFree Open Ear Headphones
- 1x Charging Case
- 1x USB-C Charging Cable
- 1x User Manual

Open Ear Comfort

Enjoy bud-free listening all day
with a lightweight design

SETUP

1. Charging the Headphones and Case

Before first use, fully charge the headphones and charging case.

1. Place the headphones into the charging case. Ensure they are correctly seated.
2. Connect the provided USB-C charging cable to the charging port on the case and to a compatible USB power source.
3. The indicator light on the charging case will illuminate to show charging status. A full charge typically takes 1-2 hours.

30H Long Playtime

Long Battery life. No need to worry about power outages

Image: The charging case displaying its battery level, indicating up to 30 hours of total playtime.

2. Pairing with a Bluetooth Device

The headphones feature one-step pairing for convenience.

1. Open the charging case. The headphones will automatically enter pairing mode.
2. On your device (smartphone, computer, tablet), enable Bluetooth and search for available devices.
3. Select "BUGANI OpenFree" from the list of found devices to connect.
4. Once connected, you will hear an audio prompt, and the indicator light on the headphones will change.

OPERATING THE HEADPHONES

Wearing the Headphones

The BUGANI OpenFree headphones are designed for an open-ear fit, resting gently on top of your ear without entering the ear canal. This ergonomic design ensures comfort and awareness of your surroundings.

Environmental Noise Cancellation (ENC)

The built-in dual microphones utilize ENC technology to reduce background noise during calls, ensuring clear communication.

ENC Noise Reduction

The ENC algorithm restores the original sound of your voice and delivers clear and clean sound

MAINTENANCE

- **Cleaning:** Gently wipe the headphones and charging case with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials.
- **Storage:** When not in use, store the headphones in their charging case to protect them from dust and damage.
- **Water Resistance:** The headphones are IPX6 waterproof, meaning they are resistant to high-pressure water jets. However, they are not designed for submersion. Ensure the charging port is dry before charging.

TROUBLESHOOTING

No Sound/Connection Issues

- Ensure both headphones are charged.
- Verify Bluetooth is enabled on your device and "BUGANI OpenFree" is selected.
- Try unpairing and re-pairing the headphones with your device.
- Move closer to your device to ensure you are within Bluetooth range.

Volume Too Low/High

- Adjust the volume using the touch controls on the earbuds or directly on your connected device.

Headphones Not Charging

- Ensure the charging cable is securely connected to both the case and the power source.
- Check if the charging case itself has sufficient power.
- Clean the charging contacts on both the headphones and the case.
