Siljoy HLP12508BQG

Siljoy HLP12508BQG D31.5" Round 16-Light Crystal Chandelier Instruction Manual

Model: HLP12508BQG

1. INTRODUCTION

This manual provides detailed instructions for the safe installation, operation, and maintenance of your Siljoy HLP12508BQG D31.5" Round 16-Light Crystal Chandelier. Please read all instructions carefully before beginning installation and retain this manual for future reference.

2. SAFETY INFORMATION

- **Electrical Safety:** Always turn off the main power supply at the circuit breaker before installing, cleaning, or servicing the fixture. Consult a qualified electrician if you are unsure about wiring connections.
- **Proper Installation:** Ensure the ceiling junction box is securely mounted and capable of supporting the fixture's weight (approximately 46 pounds).
- **Handle with Care:** Crystals are fragile. Handle them carefully to prevent breakage or injury. Wear gloves during assembly to avoid fingerprints.
- **Indoor Use Only:** This chandelier is designed for indoor use in dry locations. Do not expose to moisture or direct water.
- **Bulb Requirements:** Use only E12 base bulbs, maximum 40W per bulb. LED bulbs are recommended for energy efficiency and brightness.

3. PACKAGE CONTENTS

Verify that all components are present and undamaged before beginning assembly. If any parts are missing or broken, contact Siljoy customer support.

- Chandelier Frame (Main Body)
- Ceiling Canopy and Mounting Bracket

- Adjustable Hanging Wires
- K9 Crystal Strands (various lengths)
- Metal Pins for Crystal Assembly
- Wire Connectors
- Mounting Hardware (screws, anchors)
- Instruction Manual
- Gloves (for handling crystals)

4. SPECIFICATIONS

Feature	Detail
Brand	Siljoy
Model Number	HLP12508BQG
Dimensions	31.5"L x 31.5"W x 9.8"H (Round D31.5")
Material	Crystal, Metal
Color	Black (Frame), Clear (Crystal)
Number of Lights	16
Bulb Base	E12 (Bulbs not included)
Max Wattage per Bulb	40 Watts
Voltage	110 Volts (AC)
Special Features	Adjustable Height, Color Changing (with compatible bulbs), Dimmable (with compatible bulbs and dimmer switch)
Mounting Type	Semi Flush Mount, suitable for flat and sloped ceilings
Adjustable Wire Length	Max 59" (150cm)
Item Weight	46 Pounds

CHANDELIER DETAILS

Suitable for
Flat & Slope Ceiling

Compatible With
Various E12 Bulbs

Not Included

Suggested 3-Color
E12 LED Bulbs

Image: Detailed specifications and dimensions of the chandelier, including its suitability for different ceiling types and compatible E12 bulb styles.

5. INSTALLATION INSTRUCTIONS

Tools Required: Screwdriver, wire strippers, electrical tape, ladder, safety glasses, gloves.

Step 1: Prepare Crystal Strands

Connect the individual crystal pieces using the provided metal pins. Ensure a secure connection for each strand. The manual indicates different lengths (A, B, C) for specific placement.

Your browser does not support the video tag.

Video: Demonstrates how to connect the crystal pieces using metal pins to form the strands.

Step 2: Install Ceiling Mounting Bracket

Carefully remove the nuts from the ceiling canopy and detach the mounting bracket. Securely attach the mounting bracket

to your ceiling's electrical junction box using the provided screws. Ensure it is firmly fixed.

Your browser does not support the video tag.

Video: Shows the process of detaching the mounting bracket from the canopy and securing it to the ceiling.

Step 3: Electrical Wiring

Connect the ground wire (usually bare copper or green) from the fixture to the ground wire from the ceiling. Connect the live wire (usually black) from the fixture to the live wire from the ceiling, and the neutral wire (usually white) from the fixture to the neutral wire from the ceiling. Use appropriate wire connectors and ensure all connections are secure.

Your browser does not support the video tag.

Video: Illustrates connecting the ground, live, and neutral wires from the chandelier to the ceiling wiring.

Step 4: Install Ceiling Canopy

Carefully push the ceiling canopy up against the mounting bracket, aligning the holes. Secure it in place by tightening the nuts previously removed.

Your browser does not support the video tag.

Video: Shows how to install the ceiling canopy and tighten the nuts to secure it.

Step 5: Adjust Hanging Wire Length

The chandelier features adjustable hanging wires. Press the cable locker on the canopy to shorten or extend the wires to achieve your desired hanging height. Ensure the chandelier is level.

Your browser does not support the video tag.

Video: Demonstrates how to adjust the length of the hanging wires using the cable locker mechanism.

Step 6: Install E12 Light Bulbs

Screw E12 base light bulbs (not included) into each of the 16 sockets. Ensure bulbs are securely tightened but do not overtighten. For optimal performance and features, consider using 3-color changing E12 LED bulbs.

Your browser does not support the video tag.

Video: Shows the installation of an E12 light bulb into a socket on the chandelier frame.

Step 7: Attach Crystal Strands to Chandelier

Carefully hang each assembled crystal strand onto the designated holes on the chandelier frame. Refer to the included diagram (A, B, C) for the correct placement of different crystal lengths to achieve the intended design. Wear gloves to prevent fingerprints on the crystals.

Your browser does not support the video tag.

Video: Demonstrates the process of attaching the crystal strands to the chandelier frame according to the provided pattern.

6. OPERATING INSTRUCTIONS

Power On/Off

Once installation is complete and verified, restore power at the circuit breaker. Operate the chandelier using your standard wall switch.

3-Color Changing Feature (with compatible bulbs)

If you have installed 3-color changing E12 LED bulbs, you can cycle through Warm Light (2700K), Neutral Light (4500K), and Cool Light (6000K) by pressing your wall switch ON and OFF continuously. This allows you to create different lighting atmospheres for various occasions.

Warm Light
(2700K)

Neutral Light
(4500K)

Cool Light
(6000K)

Press ON&OFF Continuously to Change the Light Color
Note : Need 3-Color E12 Bulbs (Not Included)

Image: The chandelier displaying different light temperatures (Warm, Neutral, Cool) and instructions on how to change them using a wall switch.

Your browser does not support the video tag.

Video: Demonstrates the 3-color changing functionality of the chandelier, cycling between neutral, cool, and warm light settings.

Dimming Feature (with compatible bulbs and dimmer switch)

For dimmable functionality, ensure you use dimmable E12 LED bulbs and have a compatible dimmer switch installed. Adjust the dimmer switch to achieve your desired brightness level.

7. MAINTENANCE

Cleaning

To maintain the chandelier's appearance, regularly dust the metal frame with a soft, dry cloth. For crystals, gently wipe them with a soft, lint-free cloth dampened with water or a mild glass cleaner. Avoid abrasive cleaners or harsh chemicals that could damage the finish or crystals. Always turn off power before cleaning.

Bulb Replacement

Before replacing any bulbs, turn off the power supply to the fixture at the circuit breaker. Allow bulbs to cool completely. Unscrew the old bulb and screw in a new E12 base bulb (max 40W). Do not exceed the maximum wattage.

8. TROUBLESHOOTING

- **Light does not turn on:**
 - Check if the power supply is on at the circuit breaker.
 - Ensure all wire connections are secure.
 - Verify that bulbs are correctly installed and not burnt out.
- **Lights flicker:**
 - Check for loose bulb connections.
 - Ensure bulbs are compatible with your dimmer switch (if installed).
 - Verify wire connections are secure.
- **Crystals appear dull:**
 - Clean crystals as per maintenance instructions.

9. WARRANTY AND SUPPORT

The Siljoy HLP12508BQG Chandelier comes with a **2-year limited warranty** covering defects in materials and workmanship. If you encounter any issues or require assistance, please contact Siljoy customer support. For warranty claims, retain your proof of purchase.

For further assistance, please refer to the official Siljoy website or contact their customer service department.
