VISWIN SFDT002W

VISWIN Wood Drafting Table (Model SFDT002W)

Instruction Manual

1. INTRODUCTION

Thank you for choosing the VISWIN Wood Drafting Table. This manual provides essential information for the safe assembly, operation, and maintenance of your new drafting table. Please read it thoroughly before use and retain it for future reference. The VISWIN Wood Drafting Table (Model SFDT002W) is designed for adults, offering a spacious 24" x 35" work surface and an adjustable angle mechanism for various creative and professional tasks. Constructed from solid pine wood, it provides a stable and durable platform for drawing, drafting, writing, reading, and sketching.

2. SAFETY INFORMATION

- **Read all instructions:** Before assembly and use, carefully read and understand all instructions in this manual.
- **Assembly:** Assembly requires two people. Ensure all parts are securely attached as per the instructions.
- **Weight Limit:** Do not exceed the recommended weight capacity of the tabletop. Distribute weight evenly.
- **Stability:** Ensure the table is placed on a flat, stable surface to prevent tipping.
- **Moving the table:** When moving the table, lift it rather than dragging to prevent damage to the legs and floor.
- **Children and Pets:** Keep children and pets away from the assembly area. Do not allow children to climb on or play with the table.
- **Sharp Edges:** While the table features hand-polished corners, exercise caution during handling and assembly.
- **Maintenance:** Only use a dry cloth for cleaning. Avoid harsh chemicals that may damage the wood finish.

3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact VISWIN customer support.

- Tabletop (1)
- Legs/Base Frame (2)
- Adjustable Angle Mechanisms (2)
- Crossbar/Support Beam (1)

- Hardware Pack (screws, bolts, washers, Allen wrench)
- Instruction Manual (1)

4. ASSEMBLY INSTRUCTIONS

Assembly is straightforward and typically requires two adults. All necessary tools are included. Follow the numbered steps carefully.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches. Identify each part using the provided labels.
2. **Attach Crossbar to Legs:** Connect the crossbar to the two leg frames using the designated bolts and nuts. Ensure the H-frame construction is stable. Do not fully tighten bolts yet.
3. **Install Adjustable Mechanisms:** Secure the adjustable angle mechanisms to the upper part of the leg frames. These mechanisms will support the tabletop and allow for angle adjustments.
4. **Mount Tabletop:** Carefully place the tabletop onto the assembled leg frame and attach it to the adjustable mechanisms using the provided screws. Ensure the tabletop is centered and aligned.
5. **Final Tightening:** Once all parts are assembled, carefully tighten all bolts and screws. Do not overtighten.
6. **Stability Check:** Gently shake the table to ensure it is stable and all connections are secure.

34" Fixed Height & 24" x 35" Surface

Suitable for the height needs of most adults

Figure 4.2: Fixed Height and Surface Area. This image shows the table's fixed height of 34 inches and its 24" x 35" surface, suitable for most adults.

5. OPERATING INSTRUCTIONS

Adjusting the Tabletop Angle

The VISWIN Wood Drafting Table features an adjustable angle mechanism, allowing you to tilt the tabletop from 0° (flat) to 70° to suit your working preference and reduce strain.

1. **Loosen Adjustment Knobs:** On both sides of the table, locate the adjustment knobs on the metal arcs. Turn these knobs counter-clockwise to loosen them.
2. **Set Desired Angle:** Gently lift or lower the tabletop to your preferred angle. The metal arcs have 7 holes, allowing for precise angle adjustments.
3. **Secure Tabletop:** Once the desired angle is achieved, align the tabletop support pins with the corresponding holes on both metal arcs. Tighten the adjustment knobs by turning them clockwise until the tabletop is firmly secured and does not wobble.

Adjustable Angle from 0°-70°

7 holes on the iron sheet can meet your different needs

Figure 5.1: Adjustable Angle Mechanism. This image demonstrates how the tabletop can be adjusted from 0° to 70° using the metal arc and knob system, with 7 distinct positions for varied needs.

Multifunctional Use

This drafting table is versatile and can be used for various activities:

- **Art Workbench:** Ideal for painting, drawing, and other artistic endeavors.
- **Student Desk:** Suitable for studying, reading, and writing.
- **Computer Desk:** Can accommodate a laptop or monitor for digital work.

6. MAINTENANCE

Proper care will ensure the longevity and appearance of your VISWIN Wood Drafting Table.

- **Cleaning:** Wipe the table surface and frame with a dry, soft cloth. Avoid using abrasive cleaners, solvents, or excessive moisture, as these can damage the wood finish.
- **Spills:** In case of spills, wipe them immediately with a dry cloth to prevent staining or water damage.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight, which can cause fading or warping of the wood.
- **Temperature and Humidity:** Maintain a stable room temperature and humidity level to prevent wood expansion or contraction.
- **Hardware Check:** Periodically check all bolts and screws to ensure they remain tight. Retighten if necessary.

7. TROUBLESHOOTING

If you encounter any issues with your drafting table, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Table is wobbly or unstable.	Loose bolts or uneven floor.	Ensure all assembly bolts are tightened. Place the table on a level surface or use shims if necessary.
Tabletop angle does not hold.	Adjustment knobs are not tight enough or pins are not fully engaged.	Ensure the adjustment knobs are fully tightened after selecting the desired angle. Verify that the support pins are securely seated in the adjustment holes.
Scratches or marks on the wood surface.	Improper handling or sharp objects.	Use protective mats or covers when working with sharp tools. For minor scratches, wood repair kits may be used.

8. SPECIFICATIONS

Feature	Detail
Brand	VISWIN
Model Number	SFDT002W
Product Dimensions	35"D x 24"W x 34"H (89cm D x 61cm W x 86cm H)
Color	Walnut
Material Type	Pine Wood
Finish Type	Wood, Wooden
Special Feature	Adjustable Angle (0°-70°)
Item Weight	12.68 Kilograms (27.95 lbs)
Required Assembly	Yes
Recommended Number of People for Assembly	2

9. WARRANTY AND SUPPORT

Warranty Information

The VISWIN Wood Drafting Table comes with a **Lifetime Warranty**. This warranty covers defects caused by non-external reasons under normal use. Please retain your proof of purchase for warranty claims.

Customer Support

If you have any questions, require assistance with assembly, or experience any issues with your product, please do not hesitate to contact VISWIN customer service. We are committed to providing support and ensuring your satisfaction.
