## Berroco Talara

# Berroco Talara Yarn User Manual

Model: Talara (Color: 7339 - Ica)

## PRODUCT OVERVIEW

Berroco Talara yarn is a premium mid-weight yarn crafted from 100% baby llama fiber. It is known for its exceptional softness, bouncy texture, and ease of use, making it comfortable for next-to-skin wear. This manual provides essential information for handling, using, and caring for your Talara yarn.

This image displays a close-up of the Berroco Talara yarn in the Ica color (7339), highlighting its chainette texture and the subtle variations in the gray hue. The yarn appears soft and has a slight sheen.

## SETUP

Before beginning your project, ensure your chosen knitting needles or crochet hook are the correct size for this yarn. It is recommended to wind the yarn into a ball if it comes in a skein or hank to prevent tangling during use. Always check your pattern's recommended yarn weight and gauge to ensure a successful outcome.

## OPERATING INSTRUCTIONS

Berroco Talara yarn is suitable for a variety of knitting and crocheting projects. The following are key characteristics for optimal use:

- **Fiber Content:** 100% Baby Llama
- **Net Weight:** 50 g / 1.75 oz
- **Yarn Weight:** 4 - Medium/Worsted/Aran
- **Length:** 120 m / 132 yards
- **Recommended Needle Size:** 9-10 US / 5.50-6.00 mm
- **Gauge:** 18-19 stitches x 24-28 rows = 4" / 10 cm
- **Texture:** Chainette

Creating a swatch before starting your main project is highly recommended to verify your gauge and ensure the fabric meets your expectations.

## MAINTENANCE

To maintain the quality and longevity of your finished project made with Berroco Talara yarn, follow these care instructions:

- **Washing:** Hand wash in cold water.
- **Drying:** Gently squeeze out excess water without twisting or wringing. Lay the item flat to dry, reshaping if necessary.
- **Avoid:** Do not machine wash or tumble dry. Do not bleach.

## TROUBLESHOOTING

**Color Discrepancies:** Please note that yarn hue can appear differently based on monitor settings. The colors are named by the manufacturer. While images are as accurate as possible, slight variations may occur. The best way to be sure you are finding the desired color is to visit your local yarn store or consult physical color cards if available.

**Gauge Issues:** If your project's gauge does not match the recommended gauge (18-19 sts x 24-28 rows = 4" / 10 cm), adjust your needle or hook size accordingly. A larger needle/hook will result in a looser gauge, and a smaller one will result in a tighter gauge. Always wash and block your swatch before measuring gauge, as fiber can change after wet finishing.

## SPECIFICATIONS

Attribute	Value
Product Dimensions	8 x 3 x 3 inches
Item Weight	1.75 ounces
Manufacturer	Berroco
ASIN	B0C55F1PBL
Country of Origin	Peru
Item Model Number	Talara
Material	100% Baby Llama
Brand	Berroco
Color	7339 - Ica
UPC	780335073398
