Juboos JB12392

Juboos Analog Alarm Clock for Kids

Model: JB12392

Introduction

This manual provides detailed instructions for the setup, operation, and maintenance of your Juboos Analog Alarm Clock for Kids, Model JB12392. Designed with a silent, non-ticking mechanism and a clear, easy-to-read dial, this clock helps children learn to tell time while providing a gentle wake-up experience. It also features a soft night light for comfort.

Package Contents

- 1 x Juboos Analog Alarm Clock (Model JB12392)
- 1 x Instruction Manual

Note: AA 1.5 Volt carbon batteries are required for operation and are not included in the package.

Setup

1. Battery Installation

1. Locate the battery compartment cover on the back of the alarm clock.
2. Gently slide or unclip the cover to open the compartment.
3. Insert one (1) AA 1.5 Volt carbon battery, ensuring the positive (+) and negative (-) terminals align correctly with the markings inside the compartment.
4. Replace the battery compartment cover, ensuring it is securely closed.

Important: Use carbon batteries for optimal performance and to prolong the clock's lifespan. Alkaline batteries may cause issues with low-current devices like this alarm clock.

2. Setting the Time

1. Locate the "Time Setting" knob on the back of the clock (refer to Figure 2).
2. Rotate this knob clockwise or counter-clockwise until the hour and minute hands display the correct current time.

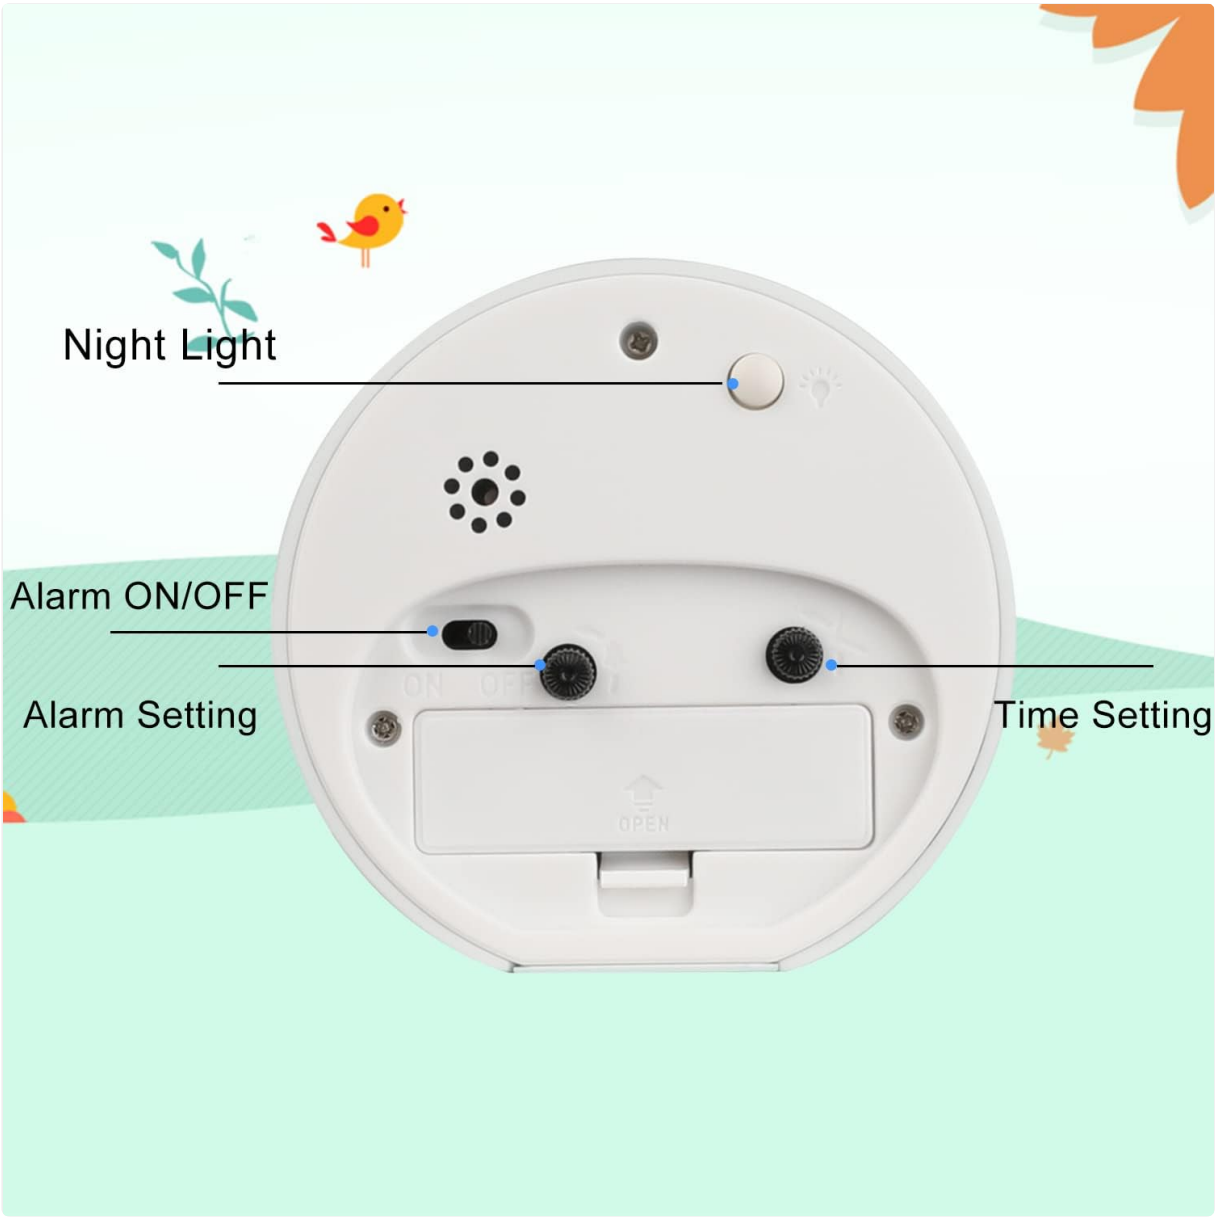

Figure 2: Rear view of the alarm clock with labeled controls for Night Light, Alarm ON/OFF, Alarm Setting, and Time Setting.

Operating Instructions

1. Setting the Alarm

1. Locate the "Alarm Setting" knob on the back of the clock (refer to Figure 2).
2. Rotate this knob to move the alarm hand to your desired wake-up time.
3. To activate the alarm, slide the "Alarm ON/OFF" switch (also on the back, see Figure 2) to the "ON" position.
4. When the alarm sounds, slide the "Alarm ON/OFF" switch to the "OFF" position to silence it.

The alarm features a progressive sound that increases in volume to ensure effective waking.

2. Using the Night Light

To activate the warm night light, simply press the "Night Light" button located on the top-right of the back of the

clock (refer to Figure 2). The light will illuminate the clock face, allowing for easy time reading in the dark. Release the button to turn off the light.

Figure 3: The alarm clock's night light feature provides gentle illumination for reading time in low-light conditions.

Maintenance

1. Battery Replacement

When the clock's movement slows down, the alarm weakens, or the night light dims, it is time to replace the battery. Follow the "Battery Installation" steps in the Setup section to replace the AA 1.5 Volt carbon battery. **Caution:** Dispose of used batteries responsibly according to local regulations.

2. Cleaning

To clean the alarm clock, wipe it gently with a soft, dry cloth. Do not use abrasive cleaners, solvents, or immerse the clock in water, as this can damage the internal components.

Troubleshooting

Problem	Possible Cause	Solution

Problem	Possible Cause	Solution
Clock is not working or hands are not moving.	Battery is dead or incorrectly installed.	Check battery polarity. Replace with a fresh AA 1.5 Volt carbon battery.
Alarm does not sound.	Alarm switch is OFF, alarm time is not set, or battery is low.	Ensure "Alarm ON/OFF" switch is in the "ON" position. Verify the alarm hand is set to the desired time. Replace battery if low.
Night light is dim or not working.	Battery is low.	Replace with a fresh AA 1.5 Volt carbon battery.
Clock makes a ticking sound.	This model is designed to be silent. If ticking is heard, the unit may be faulty.	Contact customer support for assistance.

Specifications

- **Brand:** Juboos
- **Model:** JB12392
- **Color:** Pink
- **Product Dimensions:** 9.5 cm (Diameter) x 3.81 cm (Depth)
- **Weight:** 29 grams
- **Material:** Acrylonitrile Butadiene Styrene (ABS)
- **Display Type:** Analog
- **Power Source:** 1 x AA 1.5 Volt Carbon Battery (not included)
- **Special Features:** Silent movement, Loud alarm, Night light, Cute design
- **Intended Use:** Indoor, Bedroom
