

QiMH VSH45B

QiMH LED Battery Table Lamp VSH45B User Manual

Model: VSH45B | Brand: QiMH

INTRODUCTION

Thank you for choosing the QiMH LED Battery Table Lamp, Model VSH45B. This wireless and portable lamp is designed to provide versatile lighting for various indoor and outdoor settings. With its 5000mAh rechargeable battery, touch control, and adjustable brightness and color temperature, it offers convenience and ambiance without the need for constant power outlets. This manual provides essential information for safe operation, setup, maintenance, and troubleshooting to ensure optimal performance of your lamp.

SAFETY INSTRUCTIONS

Please read and follow these safety instructions carefully before using the lamp. Keep this manual for future reference.

- Do not disassemble, repair, or modify the lamp yourself. This may cause damage, electric shock, or fire.
- Use only the provided charging cable or a certified equivalent.
- Keep the lamp away from extreme temperatures, direct sunlight, and high humidity.
- Avoid dropping or subjecting the lamp to strong impacts.
- Do not immerse the lamp in water. While it features a waterproof design, it is not intended for submersion.
- Keep out of reach of children.
- If the lamp exhibits any abnormal behavior, discontinue use immediately and contact customer support.

PACKAGE CONTENTS

Verify that all items are present and in good condition upon unpacking.

- 1 x QiMH LED Battery Table Lamp (Model VSH45B)
- 1 x USB Charging Cable
- 1 x User Manual

PRODUCT OVERVIEW

The QiMH LED Battery Table Lamp features a minimalist design with intuitive touch controls. Below are the key components and features.

- **Lamp Head:** Houses the LED light source and touch control surface.

- **Lamp Body:** The main support structure.
- **Base:** Provides stability and contains the charging port and battery indicator.
- **Touch Control Surface:** Located on the top of the lamp head for power, brightness, and color temperature adjustments.
- **Charging Port:** USB port located on the base for recharging the internal battery.
- **Battery Indicator:** A small LED light on the base that shows charging status.

CHARGING THE LAMP

The lamp is equipped with a 5000mAh rechargeable lithium-ion battery, providing 10 to 40 hours of use depending on brightness settings. Ensure the lamp is fully charged before first use.

1. Locate the USB charging port on the base of the lamp.
2. Connect the provided USB charging cable to the lamp's charging port.
3. Connect the other end of the USB cable to a suitable USB power adapter (e.g., phone charger, computer USB port) or power bank.
4. The battery indicator light on the base will glow **red** during charging.
5. Once fully charged, the indicator light will turn **green**.
6. A full charge typically takes approximately 5 hours.

Charging time

Image: The QIMH LED Table Lamp demonstrating its waterproof design with water splashing on it. The image also indicates battery life: 4 hours at high brightness, 40 hours at low brightness, and a charging time of 5 hours.

OPERATING INSTRUCTIONS

The lamp is controlled via a touch-sensitive surface located on the top of the lamp head.

Power On/Off and Color Temperature Adjustment

- **Short Press:** Briefly touch the control surface to turn the lamp On or Off.
- **Short Press (while On):** Each subsequent short press will cycle through the three available color temperatures: Warm White (3000K), Neutral White (4000K), and Cool White (5000K).

3 Color Temperature

Short Press to turn On/Off and change the light colors

Image: The QiMH LED Table Lamp with a hand touching its top surface, demonstrating the touch control. Below, three different light settings are shown, representing 5000K (Cool White), 4000K (Neutral White), and 3000K (Warm White) color temperatures.

Brightness Adjustment (Stepless Dimming)

- **Long Press:** While the lamp is On, press and hold the touch control surface to smoothly adjust the brightness level. The brightness will gradually increase or decrease. Release your finger when the desired brightness is reached.

Stepless Dimming

Long Press for to adjust the light brightness

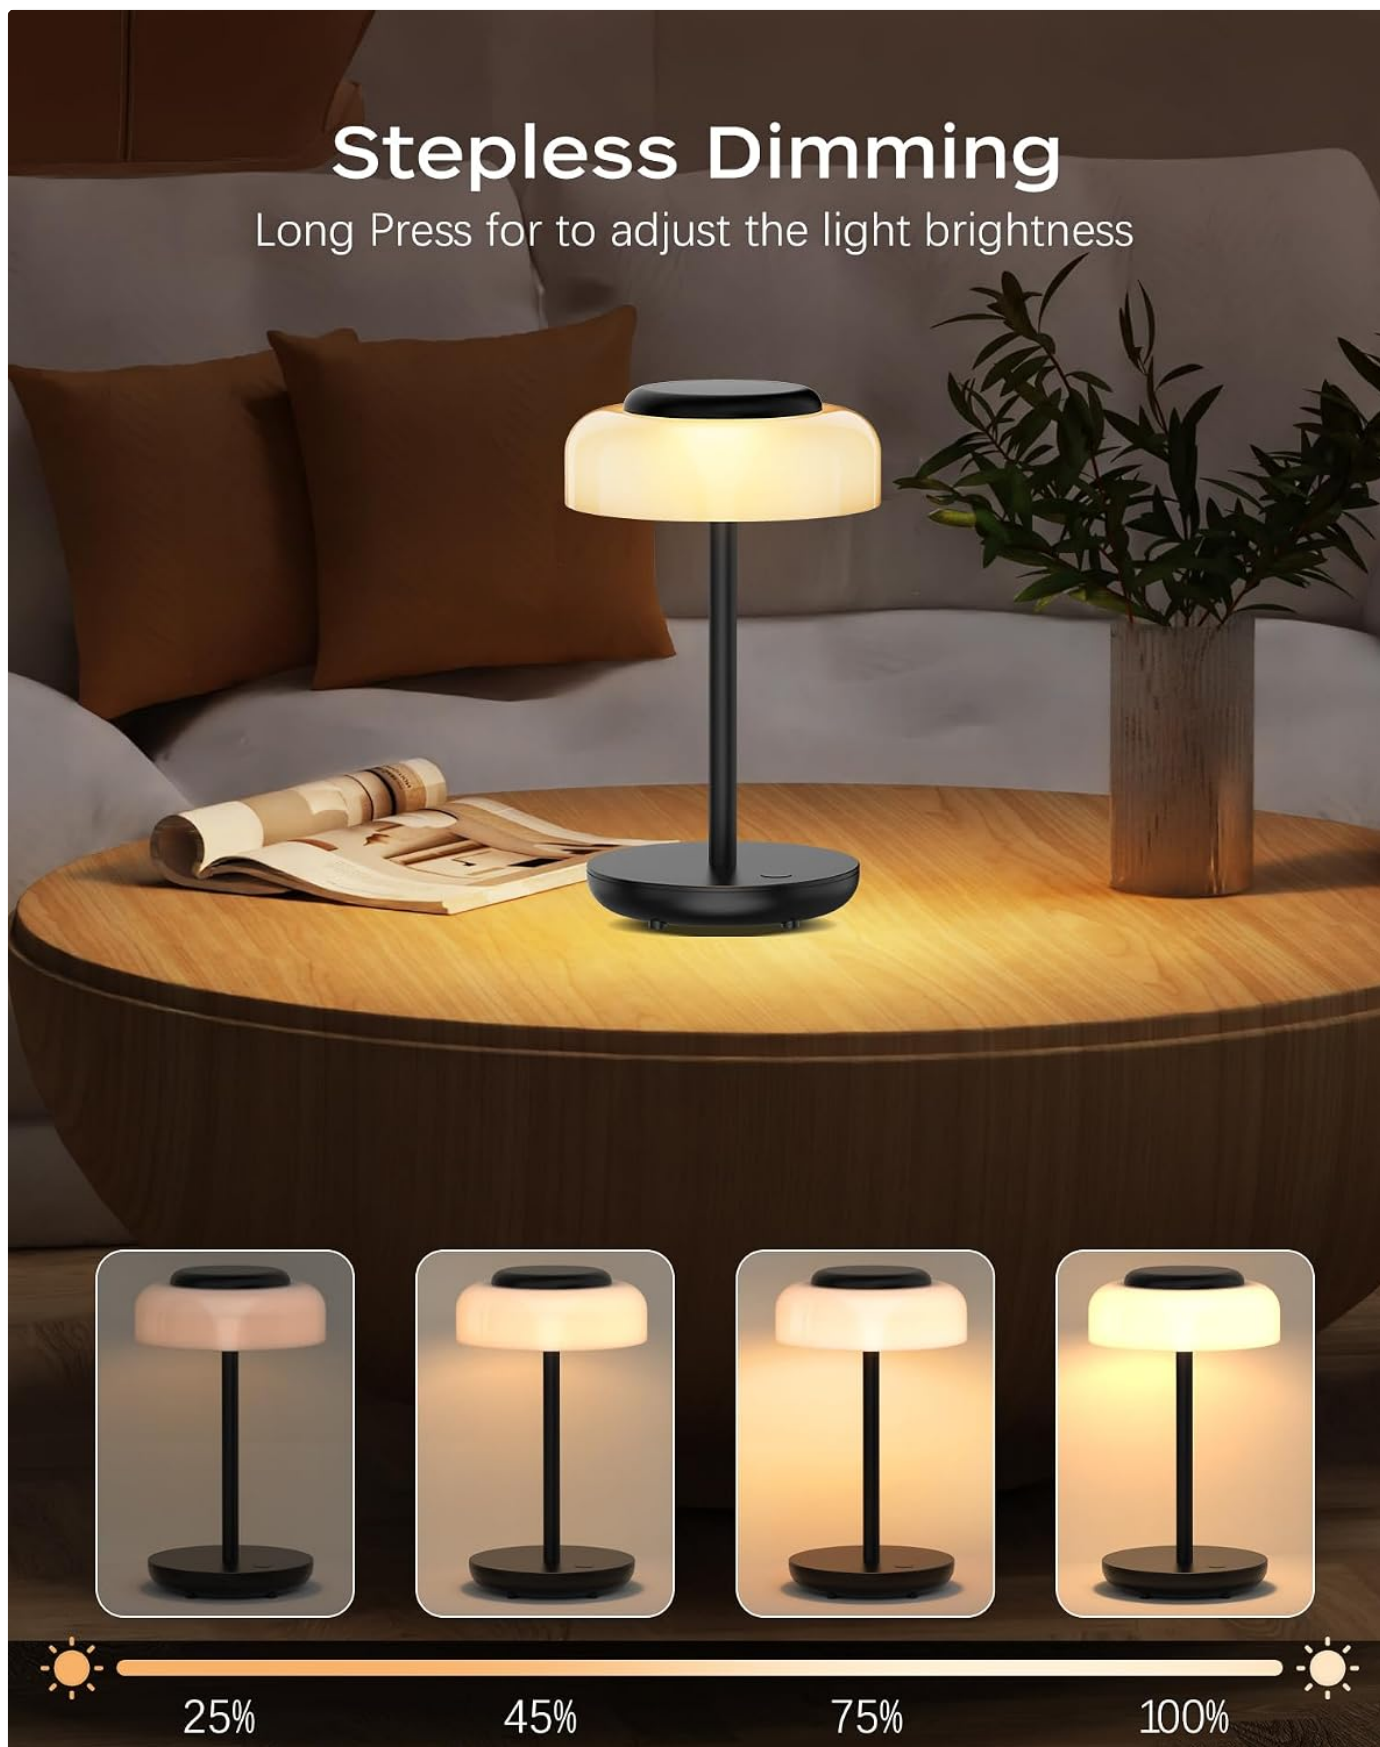

Image: The QiMH LED Table Lamp on a coffee table, illustrating the stepless dimming feature. Four examples show the lamp's brightness at 25%, 45%, 75%, and 100% levels, indicating a smooth transition.

PLACEMENT AND VERSATILE USE

The wireless and portable design of the QiMH LED Table Lamp allows for flexible placement in various environments.

- **Indoor Use:** Ideal for bedrooms as a night light, living rooms for ambient lighting, or as a desk lamp for focused work.
- **Outdoor Use:** Suitable for outdoor dining, patio lighting, or camping, providing illumination without cords.
- **Commercial Settings:** Can be used in restaurants, bars, or cafes to enhance ambiance.

Portable Table Lamp

Wireless Design

You can place it anywhere for lighting, no cords ,no hassle

MAINTENANCE

- **Cleaning:** Wipe the lamp with a soft, dry cloth. For stubborn dirt, a slightly damp cloth can be used, followed by a dry cloth. Do not use abrasive cleaners or solvents.

- **Storage:** If storing the lamp for an extended period, ensure it is fully charged and store it in a cool, dry place. Recharge every 3-6 months to maintain battery health.
- **Battery Care:** Avoid completely draining the battery frequently to prolong its lifespan.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Lamp does not turn on.	Battery is depleted.	Charge the lamp using the provided USB cable.
Lamp does not charge.	Charging cable or adapter is faulty; charging port is dirty.	Try a different USB cable or power adapter. Ensure the charging port is clean and free of debris.
Touch control is unresponsive.	Finger is not making proper contact; lamp is in a temporary error state.	Ensure your finger is clean and dry. Try turning the lamp off and on again (if possible) or let the battery drain and recharge.
Brightness or color temperature does not change.	Incorrect touch gesture; lamp malfunction.	Ensure you are using a short press for color temperature and a long press for brightness. If the issue persists, contact support.
