4. Setup and Assembly Instructions

Assembly of the HOGOKIDS Farm House Building Toy requires careful attention to the included instruction booklet.

Follow the step-by-step diagrams to construct each section of the farm. It is recommended to sort pieces by color and type before beginning assembly to streamline the process.

1. **Preparation:** Unpack all components and lay them out on a clean, flat surface. Refer to the parts list in the instruction booklet to ensure all pieces are present.
2. **Follow the Booklet:** Begin assembly by following the sequential steps outlined in the detailed instruction booklet. Each step illustrates which pieces are needed and how they connect.
3. **Main Farm House:** Construct the main farm house first, paying attention to the opening barn doors and roof sections.
4. **Outbuildings and Accessories:** Assemble the pigsty, stable, well, apple tree, and tractor with its trailer.
5. **Animal Placement:** Once structures are complete, place the animal figures and farm tools in their designated areas or as desired for play.

Note: The connection between the building blocks is designed to be compact and secure. If a piece does not fit easily, double-check the instruction step to ensure correct orientation and piece selection. Applying gentle, even pressure is usually sufficient. Do not force pieces together, as this may cause damage. For younger children, adult assistance may be beneficial to ensure proper assembly and prevent frustration.

5. Operating and Play Features

The HOGOKIDS Farm House Building Toy offers numerous interactive elements for imaginative play:

- **Farm House:** Features opening barn doors and a roof that swings open, allowing access to the interior for role-play scenarios.
- **Tractor:** The tractor includes multiple dynamic parts, such as rolling wheels and a detachable trailer for transporting crops or animals.
- **Chain Winch:** A functional chain winch located on the top of the barn allows for lifting items, such as hay bales, into the hay loft.
- **Well:** The outdoor well adds an interactive element, allowing for simulated water drawing.
- **Animal Care:** The set includes an animal wash station and designated areas like the pigsty and stable for caring for the farm animals.
- **Harvesting:** The apple tree and tractor with trailer facilitate role-play activities related to harvesting crops.

6. Maintenance and Care

To ensure the longevity and cleanliness of your HOGOKIDS Farm House Building Toy, follow these care instructions:

- **Cleaning:** Wipe the building blocks and figures with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the plastic.
- **Storage:** Store the assembled set or individual pieces in a clean, dry place away from direct sunlight and extreme temperatures to prevent discoloration or warping.
- **Disassembly:** If disassembling the set for storage, do so carefully to avoid damaging the connection points of the blocks. Keep all pieces together to prevent loss.

7. Troubleshooting

- **Missing Pieces:** If you discover any missing pieces upon opening the package, please refer to the contact information in the Warranty and Support section to request replacements.
- **Difficulty Assembling:** If a piece is difficult to connect, ensure you are using the correct piece and that its

orientation matches the instruction diagram. Applying gentle, even pressure is usually sufficient. Do not force pieces together, as this may cause damage.

- **Loose Connections:** If some connections feel loose, verify that the blocks are fully pressed together. The design aims for compact and secure connections.
