## Lafati sink

# Lafati 23-Inch Stainless Steel Freestanding Utility Sink User Manual

Model: Sink (B0C595G6SN)

## 1. IMPORTANT SAFETY INFORMATION

---

Please read all instructions carefully before assembly and use. Keep this manual for future reference. Ensure all connections are secure to prevent leaks. Do not overload the sink or shelves. Use appropriate personal protective equipment during installation.

## 2. PACKAGE CONTENTS

---

Verify that all components are present before beginning assembly:

- Stainless Steel Sink Bowl
- Freestanding Frame with Undershelf
- Faucet with Cold and Hot Water Pipes
- Adjustable Feet
- Drainage System (includes drain pipes, basket strainers, and covers)
- Towel Bar

## 3. SETUP AND INSTALLATION

---

Follow these steps for proper assembly and installation of your Lafati utility sink.

### 3.1 Assemble the Frame

Attach the legs to the sink bowl and secure the undershelf. Ensure all bolts are tightened for stability.

### 3.2 Install the Faucet

Insert the faucet into the designated hole on the sink. Connect the cold and hot water inlet pipes to your water supply lines. The faucet features a 360-degree swivel for convenience.

Image: Overview of the sink's features, including the 4.7-inch backsplash and 360-degree swivel faucet for hot and cold water.

### 3.3 Connect the Drainage System

Assemble the drain pipes, basket strainers, and covers as shown in the diagram. Connect the P-trap to your waste pipe. Ensure all connections are watertight to prevent leaks.

## Standard P-Trap Mounted To The Wall

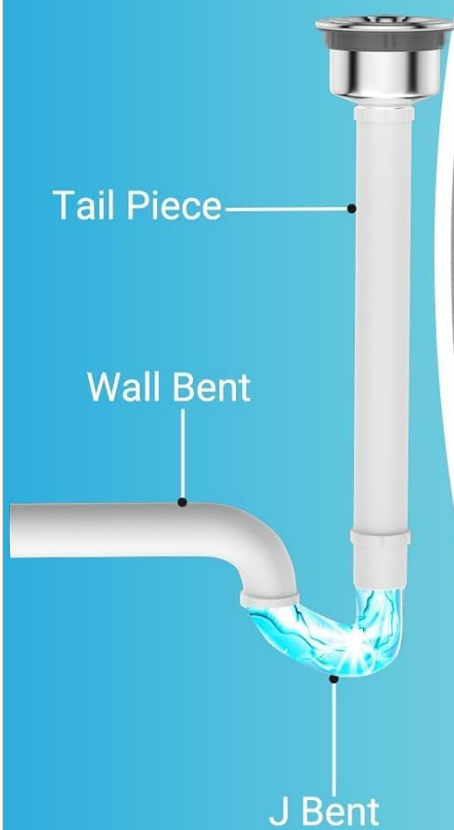

Image: Detailed diagram illustrating the components and assembly of the standard P-trap drainage system.

### 3.4 Adjust the Feet

The sink is equipped with adjustable bullet feet. Rotate the feet to level the sink on uneven surfaces, ensuring stability.

# 90° Right Angle, More Capacity

Up To 7.6 Gallon Water

## 3.5 Video Guide: Lafati Stainless Steel Utility Sink Overview

Your browser does not support the video tag.

Video: This video provides a visual overview of the Lafati Stainless Steel Utility Sink, demonstrating its features, assembly, and various applications.

## 4. OPERATING INSTRUCTIONS

Your Lafati utility sink is designed for versatile use in various environments.

### 4.1 Faucet Operation

The faucet handle controls water flow and temperature. Move the handle to adjust the water temperature between cold and hot. The 360-degree swivel spout allows for flexible use and easy access to all areas of the sink bowl.

### 4.2 Sink Usage

The large single bowl is suitable for washing dishes, preparing food, laundry tasks, or cleaning tools. The 90-degree

rectangular design maximizes capacity.

## Stainless Steel Utility Sink

### 4.3 Drainage

The included basket strainer effectively catches debris, preventing clogs. Regularly empty the strainer to maintain optimal drainage performance.

# SCRATCH RESISTANT AND EASY TO CLEAN

NO OIL STAINS

TOP-QUALITY MATERIALS

Image: Close-up view of the sink drain, highlighting its easy-to-clean brushed stainless steel surface and the functionality of the stainless steel basket strainer.

## 5. MAINTENANCE

---

Proper care will ensure the longevity and appearance of your stainless steel utility sink.

### 5.1 Cleaning

Wipe the sink surface with a damp cloth and mild detergent. For best results, follow with a dry cloth to prevent water spots. Avoid abrasive cleaners or scouring pads that can scratch the brushed finish.

Image: Illustrates the scratch-resistant and easy-to-clean properties of the sink's stainless steel surface, showing how it repels oil stains.

## 5.2 Preventing Stains and Rust

Although made of stainless steel, prolonged contact with certain chemicals or standing water can cause discoloration. Rinse the sink thoroughly after each use and dry it to prevent mineral buildup and potential staining.

## 6. TROUBLESHOOTING

---

If you encounter any issues with your utility sink, refer to the following common problems and solutions.

### 6.1 Leaks from Faucet or Drain Connections

- **Check Connections:** Ensure all nuts and fittings on the faucet and drainage pipes are securely tightened.
- **Inspect Washers/Gaskets:** Verify that all rubber washers and gaskets are correctly seated and not damaged. Replace if necessary.
- **Sealant:** For drain connections, ensure plumber's putty or thread sealant was applied correctly during installation.

## 6.2 Slow Drainage

- **Clear Strainer:** Remove and clean the basket strainer to ensure no debris is blocking the drain opening.
- **Check P-Trap:** The P-trap can accumulate debris. Disassemble and clean if necessary.
- **Ventilation:** Ensure your plumbing system has proper venting to allow water to drain freely.

## 6.3 Instability/Wobbling

- **Adjust Feet:** Use the adjustable bullet feet to level the sink on uneven floors.
- **Tighten Frame:** Ensure all frame connections and bolts are fully tightened.

## 7. SPECIFICATIONS

Feature	Specification
Brand	Lafati
Model Number	sink
Material	Stainless Steel
Color	Stainless Steel
Product Dimensions (D x W x H)	19"D x 22"W x 31"H
Bowl Dimensions (L x W x D)	Approx. 16.81" x 13.38" x 7.75"
Installation Type	Freestanding
Finish Type	Brushed
Drain Type	Lift and Turn
Item Weight	24 Pounds
Hole Count	1 (for faucet)
Included Components	Adjustable feet, drainage system, faucet with cold and hot water pipes, towel bar, undershelf
