## PayLessHere PayLessHere Memory Foam Mattress

# PayLessHere 8-Inch Twin Memory Foam Mattress Instruction Manual

Model: PayLessHere Memory Foam Mattress

## 1. SAFETY INFORMATION

Please read all safety information before setting up or using your mattress.

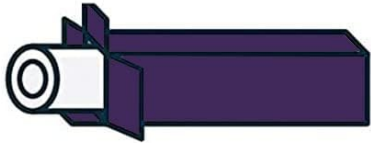

- **Plastic Packaging:** Keep all plastic packaging away from children to avoid any risk of suffocation.
- **Allergies:** This mattress may contain materials that could cause allergic reactions in some individuals. If you experience any adverse reactions, discontinue use and consult a healthcare professional.
- **Ventilation:** Allow the mattress to air out in a well-ventilated room for at least 24-72 hours after unboxing to dissipate any initial odors.

## 2. SETUP INSTRUCTIONS

Your PayLessHere Memory Foam Mattress is conveniently packaged in a roll-wrap for easy transport. Follow these steps for proper setup:

1. **Unbox on a Flat Surface:** Carefully remove the rolled mattress from its shipping box and place it on a clean, flat surface, such as your bed frame or the floor.
2. **Carefully Cut Outer Plastic Bag:** Using scissors, carefully cut and remove the outer layer of plastic packaging. Avoid using sharp objects that could damage the mattress fabric.
3. **Roll Out Compressed Mattress:** Unroll the compressed mattress onto your desired sleeping surface.
4. **Allow for Expansion:** The mattress will begin to expand immediately. Allow 24-72 hours for the mattress to fully return to its original shape and size. Expansion may occur faster in warmer room temperatures.

## 4. MAINTENANCE

To ensure the longevity and hygiene of your PayLessHere Memory Foam Mattress, follow these maintenance guidelines:

- **Removable Cover:** The mattress features a soft, breathable cover with a zipper design, making it easy to remove for cleaning.
- **Washing Instructions:** Machine wash the cover in cold water on a gentle cycle. Tumble dry on low heat or air dry. Do not bleach or iron.
- **Spot Cleaning:** For minor spills or stains on the mattress core (if the cover is removed), gently spot clean with a mild detergent and water. Allow to air dry completely before replacing the cover.
- **Rotation:** Rotate your mattress every 3-6 months to promote even wear and extend its lifespan.

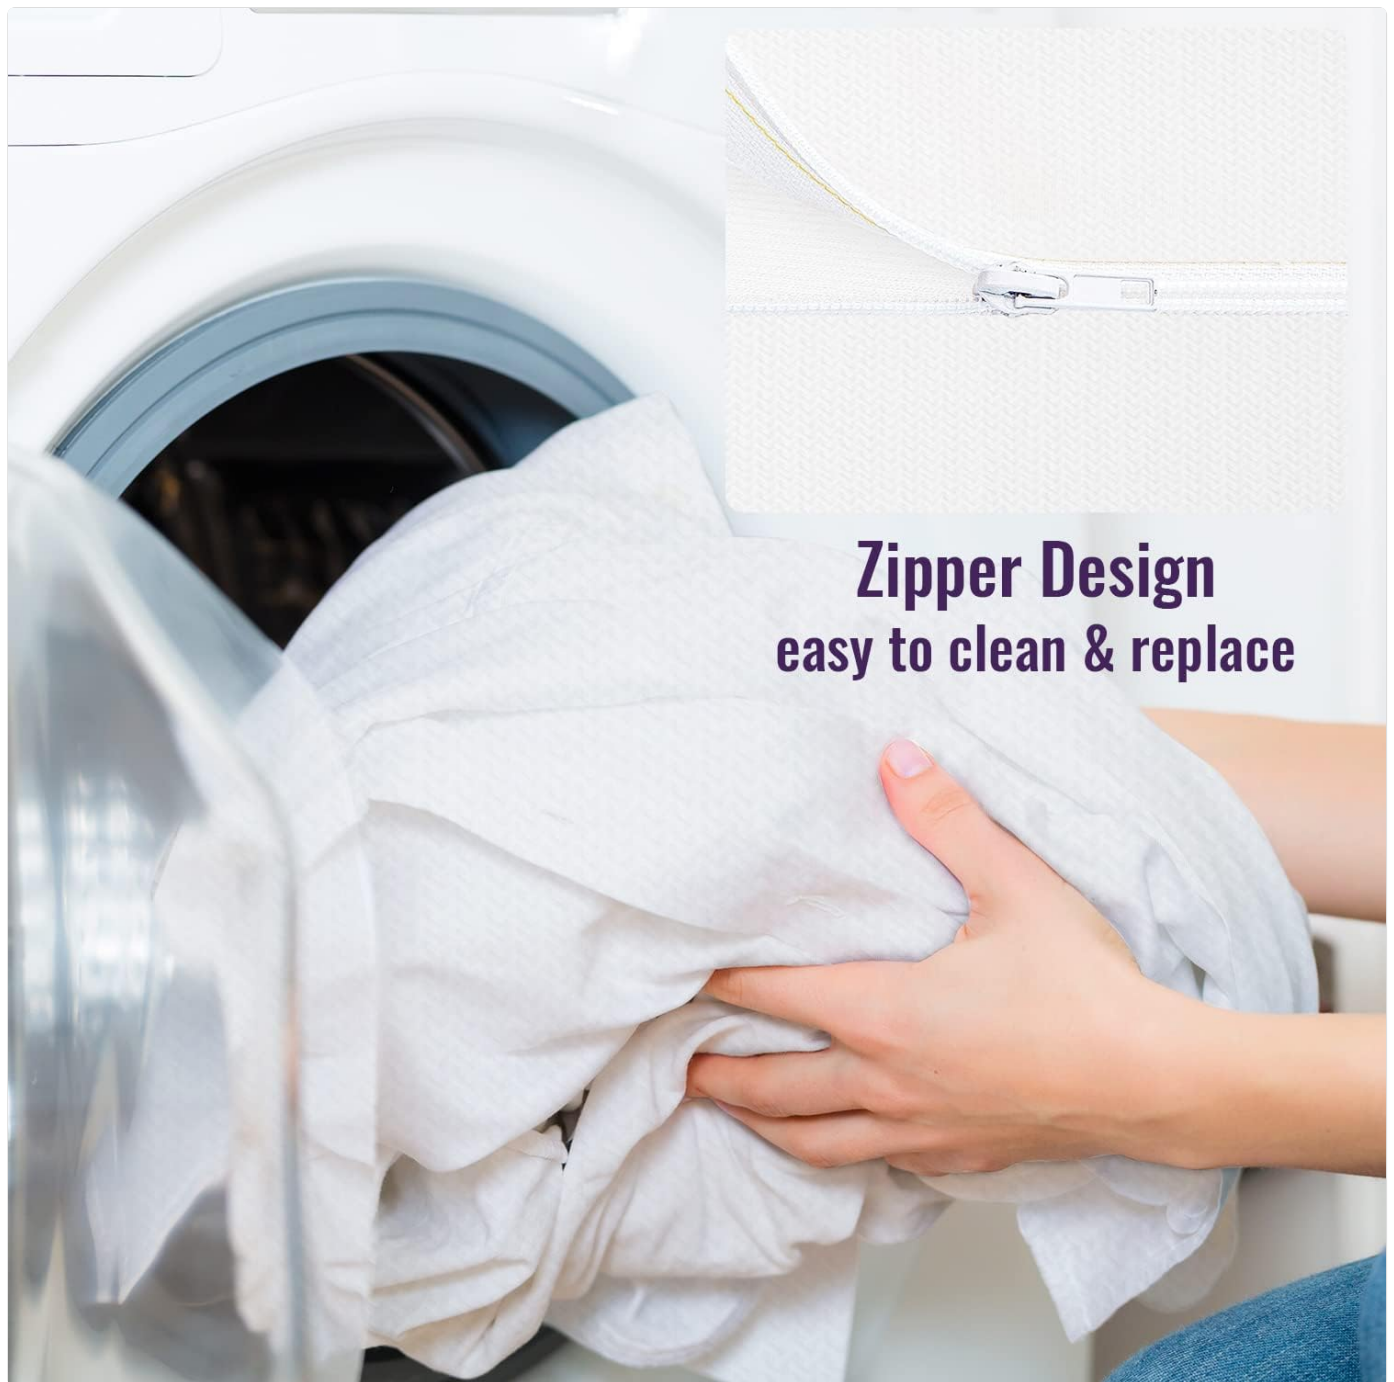

**Figure 4.1:** The mattress cover features a convenient zipper design for easy removal and cleaning, as shown with a hand unzipping the cover and a washing machine in the background.

## 5. TROUBLESHOOTING

If you encounter any issues with your PayLessHere Memory Foam Mattress, please refer to the following common solutions:

- **Slow Expansion:** If the mattress is not fully expanding within 72 hours, ensure the room temperature is adequate (memory foam expands faster in warmer environments). Gently walk on the mattress or apply light pressure to help break up any compressed areas.
- **Initial Odor:** A new memory foam mattress may have a slight, harmless odor upon unboxing. This is normal and will dissipate within a few days with proper ventilation.
- **Discomfort:** Allow your body time to adjust to the new mattress, typically a few weeks. If discomfort persists, ensure

the mattress is on a supportive and even surface.
