6. MAINTENANCE

To ensure the longevity and optimal performance of your SoundPEATS Opera05 earbuds, follow these maintenance guidelines:

- **Cleaning:** Regularly clean the earbuds, especially the ear tips and charging contacts, with a soft, dry, lint-free cloth. Avoid using harsh chemicals or abrasive materials.
- **Storage:** When not in use, store the earbuds in their charging case to protect them from dust, moisture, and physical damage.
- **Water Resistance:** The earbuds are IPX4 water-resistant, meaning they are protected against splashing water from any direction. They are not waterproof and should not be submerged in water. Avoid exposing them to heavy rain or sweat for prolonged periods.
- **Temperature:** Avoid exposing the earbuds and charging case to extreme temperatures (hot or cold) as this can affect battery life and overall performance.

7. TROUBLESHOOTING

If you encounter any issues with your SoundPEATS Opera05 earbuds, please refer to the following common troubleshooting steps:

7.1 Pairing Issues

- **Earbuds not connecting:** Ensure both earbuds are in the charging case and have sufficient charge. Open the case and press the button for 3 seconds to enter pairing mode.
- **Device not finding earbuds:** Turn off and on your device's Bluetooth. Try restarting your device.
- **Previous connection issues:** Delete the "SOUNDPEATS Opera05" pairing information from your device's Bluetooth settings and attempt to pair again.

7.2 Sound Issues

- **No sound or low volume:** Check the volume levels on both your device and the earbuds. Ensure earbuds are properly seated in your ears for a good seal.
- **Intermittent sound:** Ensure there are no obstructions between your device and the earbuds. Move closer to your device. Avoid environments with strong electromagnetic interference.

7.3 Charging Issues

- **Earbuds not charging:** Ensure the charging contacts on the earbuds and inside the case are clean and dry. Place the earbuds correctly into the charging slots.

- **Charging case not charging:** Use the provided USB Type-C cable and a compatible power adapter. Check the cable and port for any damage.

7.4 Resetting the Earbuds

If the above steps do not resolve the issue, you may need to reset the earbuds:

1. Delete the earbuds' pairing information from your device.
2. Place both earbuds back into the charging case.
3. Keep the charging case open.
4. Press and hold the charging case button for 10 seconds until the red and white indicator light of the charging case blinks twice alternately. The reset is finished.
