### 4. SETUP AND ASSEMBLY

---

Follow the detailed step-by-step instructions provided in the included instruction book. The assembly process involves connecting pre-cut wooden pieces, applying decorative elements, and installing the LED lighting system.

#### 4.1 General Assembly Tips

- **Organize Parts:** Before starting, sort all wooden pieces, paper cutouts, and other materials according to the numbering or labeling in your instruction book.
- **Read Instructions:** Carefully read each step before proceeding. Refer to diagrams and illustrations.
- **Use Proper Tools:** Utilize tweezers for handling small parts and scissors for cutting paper or fabric. A ruler and craft knife may also be helpful for precise cuts.
- **Adhesion:** While some connections are snap-on, glue is often required for permanent assembly of smaller details and structural integrity. Apply glue sparingly.
