vidaXL 350277

vidaXL 2-Panel Room Divider (Model 350277) Instruction Manual

For Model: 350277, Size: 137" x 70.9", Color: Black

INTRODUCTION

This manual provides instructions for the assembly, operation, and maintenance of your vidaXL 2-Panel Room Divider. This versatile and foldable paravent is designed to divide rooms, provide privacy, and block direct sunlight. Please read these instructions carefully before assembly and use, and retain them for future reference.

SAFETY INFORMATION

WARNING: This product contains chemicals known to the State of California to cause cancer, birth defects, or other reproductive harm. Always assemble and anchor the room divider properly to prevent tipping or falling.
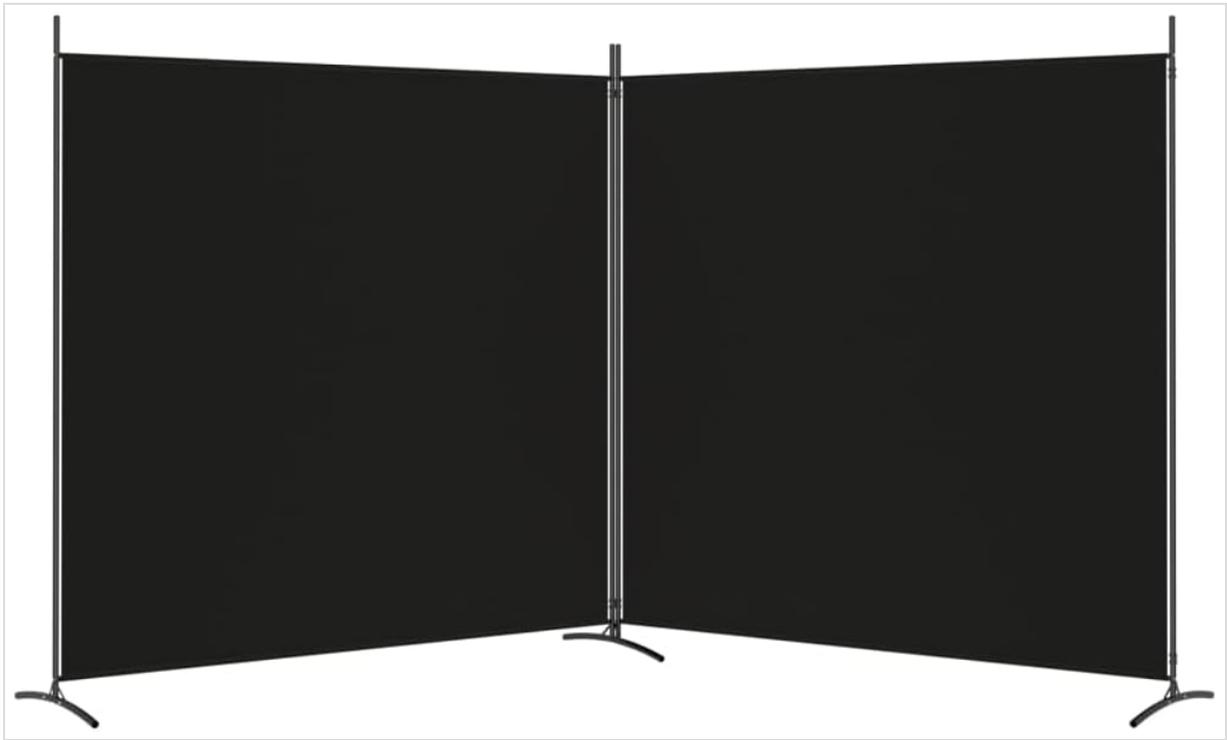

- Ensure all parts are present and undamaged before beginning assembly.

- Assemble the room divider on a soft, clean surface to prevent scratches or damage to components.

- Keep children and pets away from the assembly area to prevent accidents.

- Do not climb on, lean heavily against, or allow children to play with the room divider, as this may cause it to tip over.

- Place the room divider on a stable, level surface to ensure maximum stability.

PACKAGE CONTENTS

Please verify that all components are included in your package before starting assembly. If any parts are missing or damaged, please contact customer support.

- Fabric Panels (2 pieces, Black, 100% Polyester)

- Iron Frame Components (Vertical Poles, Horizontal Bars, Curved Base Feet)

- Assembly Hardware (Screws, Connectors, Allen Key if required)

- Detailed Assembly Manual (included in the box)

SETUP AND ASSEMBLY

Follow these steps to assemble your vidaXL 2-Panel Room Divider. Refer to the detailed assembly manual included in your package for specific diagrams and part identification.

1. **Step 1: Assemble the Base Feet.** Attach the curved base feet to the bottom of the vertical iron poles using the provided screws. Ensure they are securely fastened and stable.

Image: Close-up view of the curved base foot attached to a vertical pole with screws.

2. **Step 2: Connect Vertical Poles and Horizontal Bars.** Begin connecting the vertical iron poles using the horizontal bars. Partially secure the connections, leaving some room for adjustment.

3. **Step 3: Attach Fabric Panels.** Carefully slide the black fabric panels onto the horizontal bars. Ensure the fabric is oriented correctly and stretched tautly across the frame sections.

4. **Step 4: Secure All Connections.** Once the fabric panels are in place, fully tighten all screws and connections to ensure the frame is stable, rigid, and the fabric is evenly tensioned.

OPERATING INSTRUCTIONS

Your vidaXL room divider is designed for flexible use to suit various needs.

- **Room Division:** Position the divider to create separate areas within a room, such as a private workspace, a sleeping nook, or to define different functional zones.

Image: A black room divider positioned to separate a bed area from a living room space.

- **Sunlight Blocking:** Place the divider near a window or glass door to reduce direct sunlight, glare, and provide a cooler environment.

- **Background Wall:** Utilize the divider as a simple, elegant background for video calls, photography, or to enhance the aesthetic of a specific area.

- **Folding for Storage:** The room divider features a foldable design for easy storage. Gently collapse the panels inward when not in use to minimize its footprint and save space.

Maintenance

To ensure the longevity and appearance of your room divider, follow these maintenance guidelines:

- **Cleaning:** Wipe the fabric panels and iron frame with a damp cloth. For stubborn spots on the fabric, use a mild soap solution and then wipe clean with a damp cloth. Do not use harsh chemicals, abrasive cleaners, or bleach, as these can damage the material.
- **Storage:** When not in use, fold the divider and store it in a dry, cool place away from direct sunlight to prevent fading and material degradation.
- **Inspection:** Periodically check all screws and connections for tightness. Tighten if necessary to maintain structural integrity.

Troubleshooting

If you encounter any issues with your room divider, refer to the following common solutions:

- **Instability:** Ensure all base feet are flat on the floor and all frame connections are securely tightened. The divider is designed to be portable, but proper positioning on a level surface is crucial for stability. Avoid placing it in high-traffic areas where it might be easily bumped.
- **Fabric Sagging or Wrinkling:** Check that the fabric panels are correctly installed and stretched evenly across the horizontal bars. Re-adjust if needed. Minor wrinkles may smooth out over time or can be gently steamed from a distance.
- **Difficulty Folding:** Ensure no obstructions are preventing the panels from folding smoothly. Check for any misaligned frame parts or fabric caught in the hinges.

Specifications

| Feature	Detail
Model Number	350277
Overall Size (W x H)	137" x 70.9" (348 cm x 180 cm)
Each Panel Size (W x H)	67.5" x 63.4"
Color	Black
Material	Fabric (100% Polyester), Iron Frame
Number of Panels	2
Special Feature	Foldable, Portable
Product Weight	6.64 pounds (3.02 Kilograms)
Indoor/Outdoor Usage	Indoor
Product Care Instructions	Wipe with Damp Cloth
