

BTHFST MV-01

BTHFST Vanity Desk User Manual

Model: MV-01

1. INTRODUCTION

Thank you for purchasing the BTHFST Vanity Desk with Sliding Mirror and Lights. This manual provides essential information for the safe assembly, operation, and maintenance of your new vanity desk. Please read these instructions carefully before use and retain them for future reference.

2. SAFETY INFORMATION

Always follow basic safety precautions when using electrical appliances to reduce the risk of fire, electric shock, and personal injury. This product contains electrical components (lights, charging station) and should be handled with care.

- Ensure the power outlet used for the charging station is properly grounded.
- Do not expose the vanity desk or its electrical components to water or excessive moisture.
- Unplug the vanity desk from the power source before cleaning or performing any maintenance.
- Keep children and pets away from the product during assembly and operation.
- Do not overload the electrical outlets or USB ports.
- Use only the provided power cord and components.

3. SETUP AND ASSEMBLY

The BTHFST Vanity Desk requires assembly. Please follow the detailed instructions provided in the package. All parts and accessories are labeled to facilitate the process.

- **Unpacking:** Carefully unpack all components and verify against the parts list in the instruction manual.
- **Tools Required:** Refer to the assembly manual for a list of necessary tools (e.g., screwdriver, hammer).
- **Assembly Steps:** Follow the step-by-step diagrams and instructions. It is recommended to assemble the vanity on a soft, clean surface to prevent scratches.
- **Light Bulb Installation:** The 10 LED bulbs are designed to be affixed to the mirror. Ensure proper spacing and

secure attachment. Once adhered, repositioning may be difficult.

- **Power Strip Installation:** Integrate the power strip into the designated area as per the instructions.

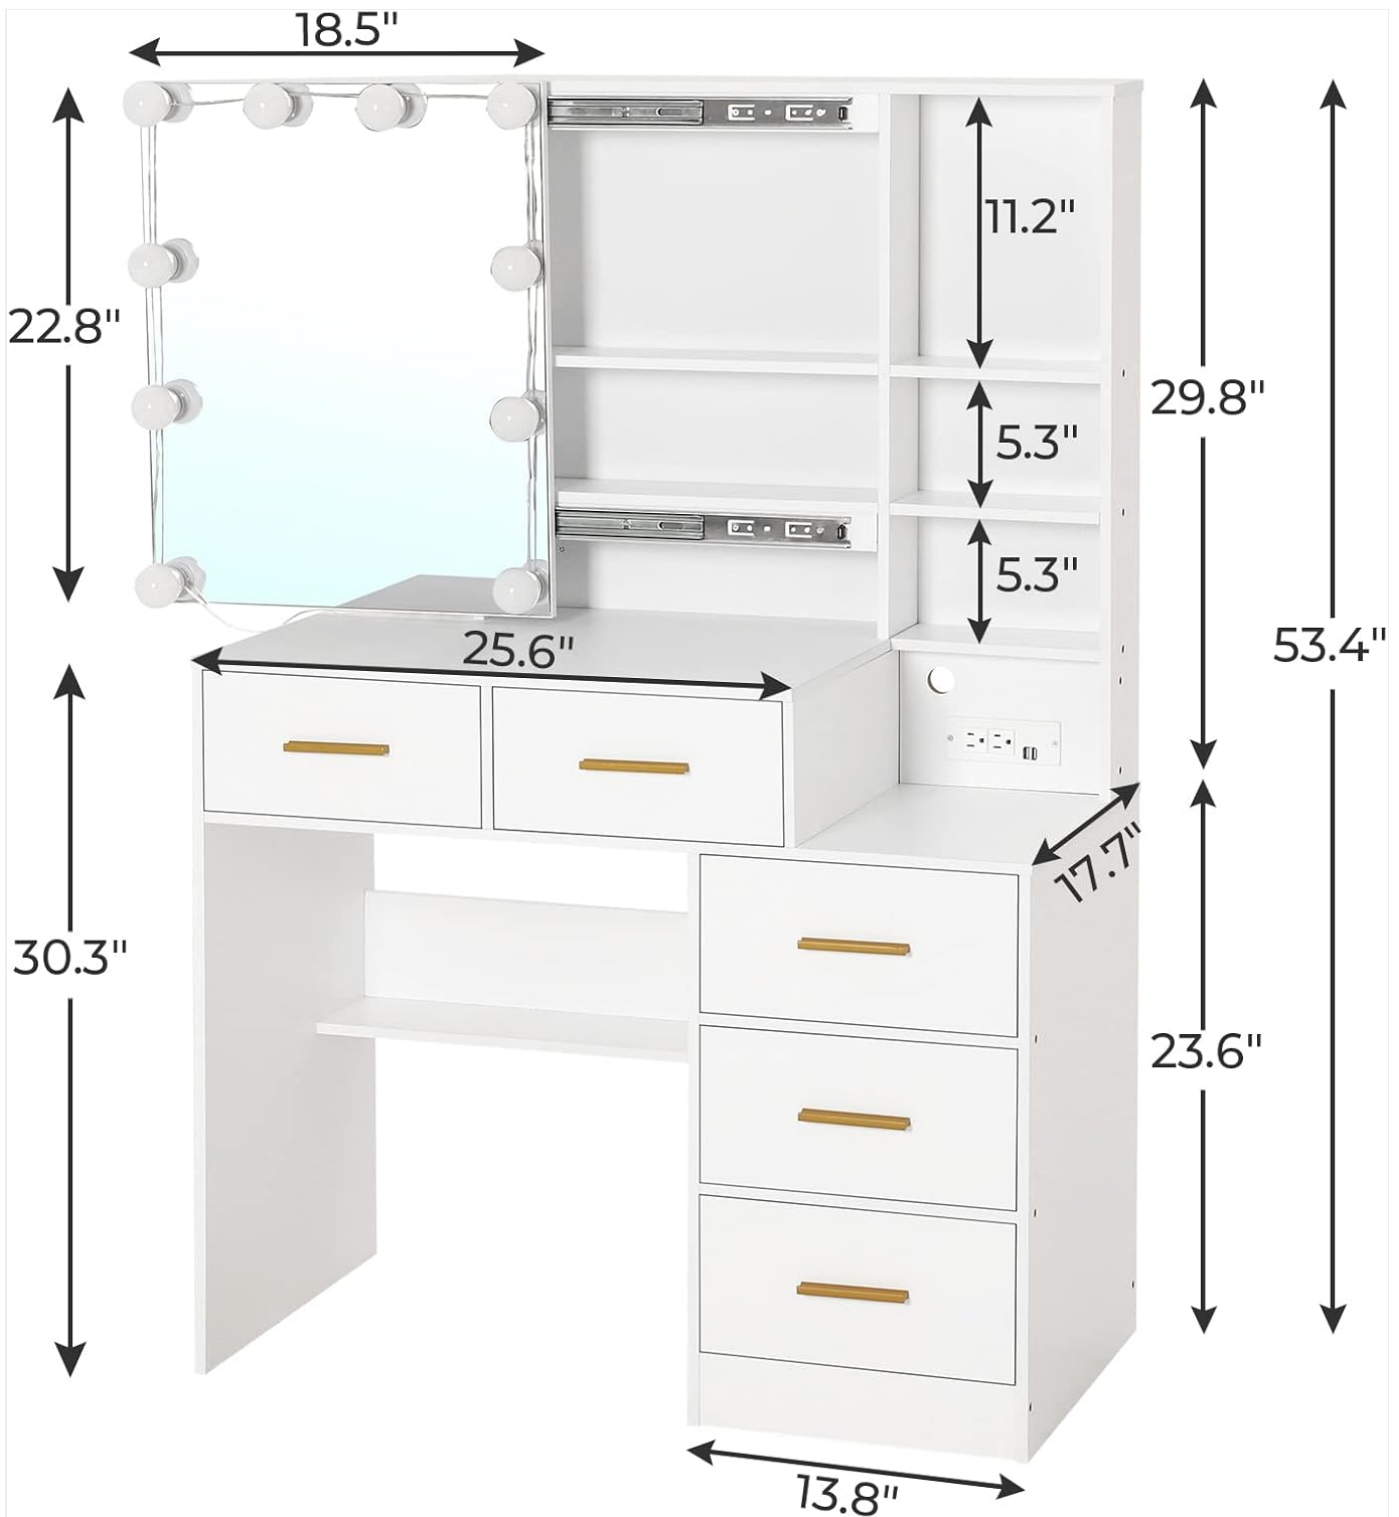

Figure 3.2: Detailed dimensions of the vanity desk, including height, width, and depth measurements for various sections.

4. OPERATING INSTRUCTIONS

4.1. Lighting System

The vanity desk is equipped with 10 LED bulbs offering three light modes and adjustable brightness.

- **Light Modes:** Switch between Warm Yellow, Warm White, and Cool White light settings.
- **Brightness Adjustment:** Adjust the intensity of each light mode to suit your preference.
- **Operation:** Locate the touch switch (typically on the mirror or a connected control). A short press changes the light color, and a long press adjusts the brightness.

3 Light Colors & Adjustable Brightness

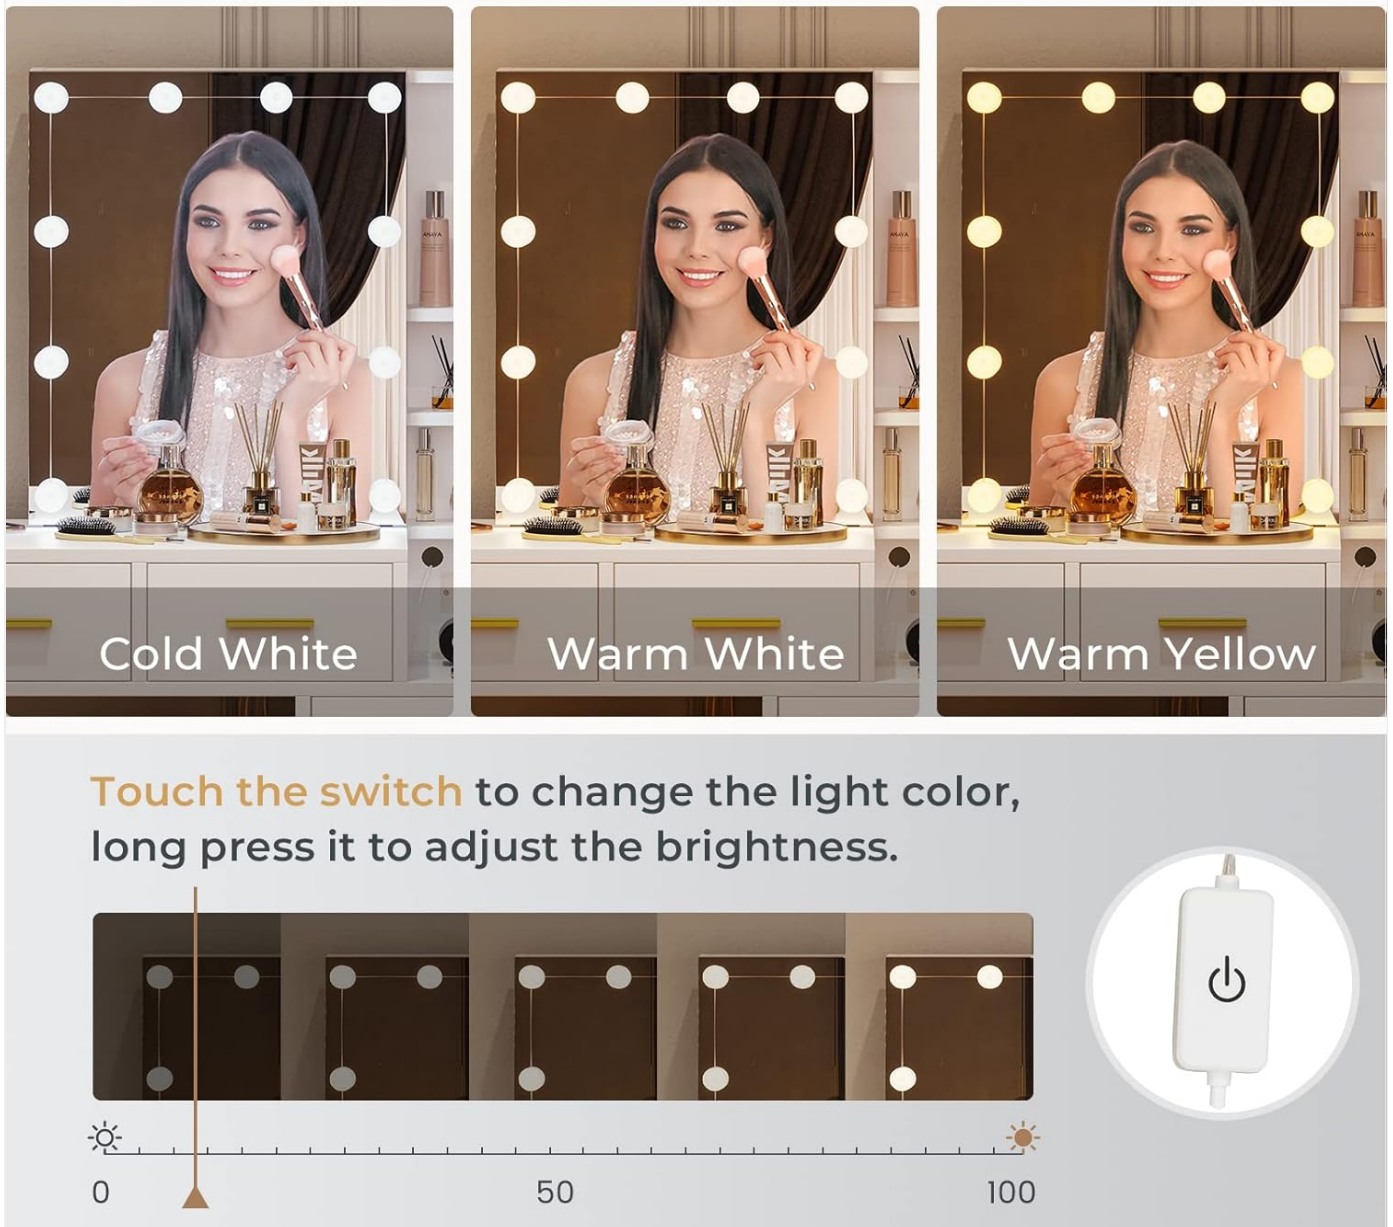

Figure 4.1: Visual representation of the three distinct light color modes and the touch switch for brightness adjustment.

4.2. Built-in Charging Station

The integrated power strip provides convenient access to power for your devices.

- **Outlets:** Two (2) standard 125V/12A AC outlets for beauty tools like hair dryers or curling irons.
- **USB Ports:** Two (2) 5V/2.1A USB ports for charging mobile phones, tablets, and other electronic devices.
- **Power Cord:** The power strip features a 5.9-foot power cord for flexible placement.

4.3. Sliding Mirror and Storage

The large, high-definition mirror is designed to slide, revealing hidden storage space behind it.

- **Sliding Mechanism:** Gently slide the mirror horizontally to access the hidden shelves.
- **Storage Capacity:** Utilize the five large drawers, hidden shelves behind the mirror, and open storage shelves for cosmetics, jewelry, and other essentials.
- **Bottom Shelf:** An additional storage shelf is located at the bottom of the makeup table, suitable for books or magazines.

Multiple Storage Space

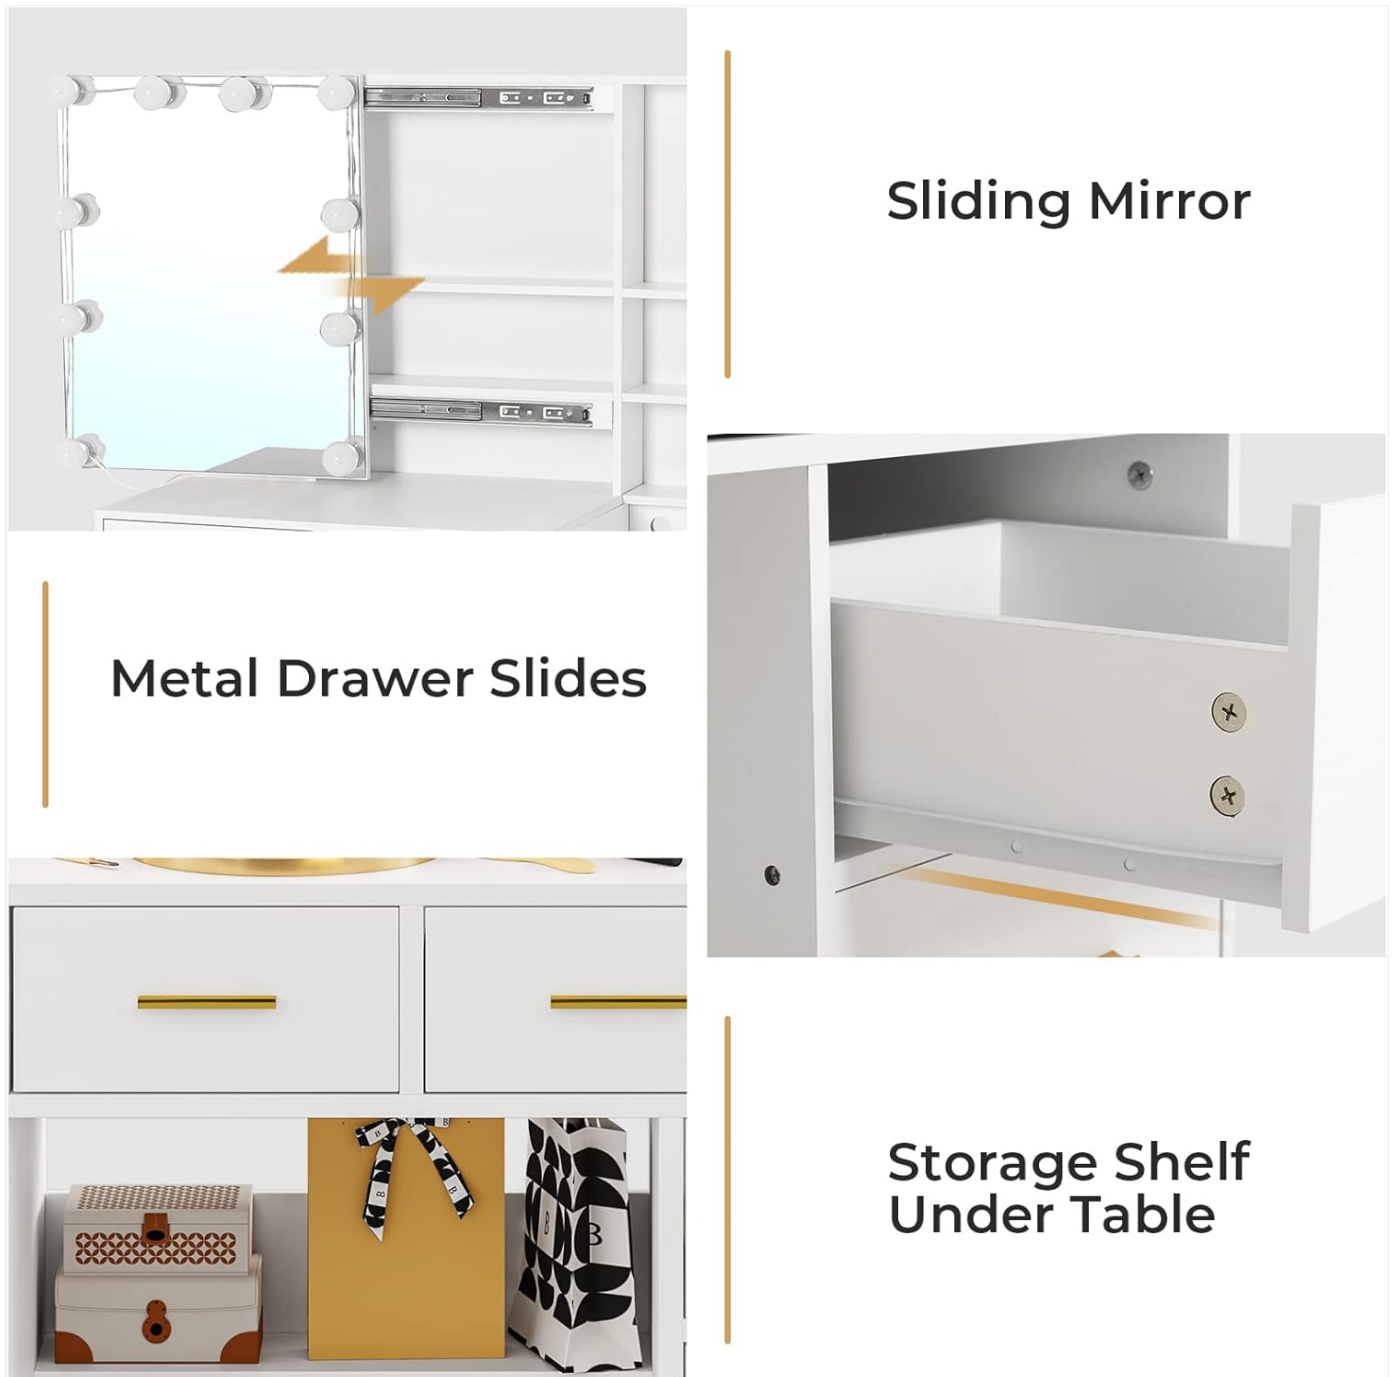

Figure 4.4: Detailed views of key features: the sliding mirror, durable metal drawer slides, and the convenient storage shelf located beneath the main desk surface.

5. MAINTENANCE AND CARE

To ensure the longevity and appearance of your BTHFST Vanity Desk, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the surfaces with a dry, soft cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the material.
- **Electrical Components:** Ensure the power strip and light bulbs are clean and free of dust. Do not attempt to clean electrical components with liquid.
- **Drawer Slides:** Periodically check and ensure the metal drawer slides operate smoothly.

6. TROUBLESHOOTING

Problem	Possible Cause	Solution
Lights not working	Not plugged in; loose connection; faulty bulb; power strip issue.	Ensure power cord is securely plugged into a working outlet. Check all light bulb connections. If a bulb is faulty, contact customer service for replacement.
Charging station not working	Not plugged in; device not compatible; power strip issue.	Verify the vanity is plugged in. Test with a different device. Ensure the device requires 5V/2.1A for USB charging.
Drawers are stiff or difficult to open/close	Improper assembly; obstruction; dirty slides.	Review assembly instructions for correct drawer slide installation. Check for any objects obstructing the drawer. Clean drawer slides with a dry cloth.
Missing parts during assembly	Packaging error.	Immediately contact customer service with details of the missing parts.

7. PRODUCT SPECIFICATIONS
