2. SAFETY INFORMATION

Please read and understand all safety warnings before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- Do not exceed the weight capacity of 200 pounds.
- Ensure the cabinet is securely installed on a stable, level surface using all four adjustable feet.
- Avoid placing heavy items on the upper shelves to prevent tipping.
- Keep electrical outlets and USB ports away from water sources to prevent electrical hazards.
- Always follow manufacturer guidelines for assembly and use.

3. PACKAGE CONTENTS

Please refer to the packing list included with your Unikito 4-Tier Metal Coffee Bar Cabinet for a complete and accurate list of all components and hardware. Verify all parts are present and undamaged before beginning

assembly.

4. ASSEMBLY INSTRUCTIONS

Detailed assembly instructions are provided in the separate assembly guide included with your product. Please follow all steps carefully, paying close attention to diagrams and hardware identification, to ensure proper and safe construction. It is recommended to assemble the unit on a soft, clean surface to prevent scratches.

5. SETUP

5.1 Power Outlets and USB Ports

The cabinet features a built-in power strip with three (3) standard AC outlets and two (2) USB ports. This allows for convenient powering of small kitchen appliances like coffee makers or ice makers, as well as charging mobile devices. The power cable length is 6.56 feet (2 meters).

6. OPERATING INSTRUCTIONS

6.1 LED Light Operation

Use the provided remote control to manage the LED lighting. The remote allows you to:

- Turn the lights ON/OFF.
- Select from 20 static colors.
- Choose from 22 dynamic color modes.
- Activate 5 different light flashing modes.
- Adjust brightness in 5 steps.

Experiment with different settings to create the desired ambience for your space.

6.2 Storage and Organization

The cabinet offers various storage options:

- **Wine Bottle Rack:** A central rack designed to hold multiple wine bottles securely.
- **Glass Holders:** Integrated holders on the underside of the top shelf for hanging wine glasses.
- **Shelves:** Two large lower shelves and one upper hutch provide space for displaying glasses, coffee machines, cups, liquor bottles, and other accessories. An adjustable grid board is included for wine, beer, or other bottles, and 10 hooks can be moved freely to hang kitchen mitts or utensils.

7. MAINTENANCE

To maintain the appearance and longevity of your Unikito Coffee Bar Cabinet:

- Wipe surfaces with a dry cloth to remove dust and spills.
- Avoid using harsh chemicals or abrasive cleaners, as these may damage the finish.
- Periodically check all fasteners and tighten if necessary to ensure stability.

8. TROUBLESHOOTING

If you encounter any issues with your Unikito 4-Tier Metal Coffee Bar Cabinet, consider the following general troubleshooting steps:

- **Stability Issues:** Ensure all adjustable feet are properly leveled and making contact with the floor. Check that all assembly screws are securely tightened.
- **LED Lights Not Working:** Verify the power cable is securely plugged into a working outlet and the LED strip is correctly connected to its power source. Check the remote control battery.
- **Power Outlets Not Functioning:** Confirm the main power cable is plugged in. Test the outlet with another device to ensure the power source is active.

For more specific issues or if problems persist, please refer to the detailed troubleshooting section in your assembly guide or contact Unikito customer support.
