TuKIIE Coffee Time

TuKIIE DIY Miniature Dollhouse Kit (Coffee Time) Instruction Manual

Model: Coffee Time

1. PRODUCT OVERVIEW

The TuKIIE DIY Miniature Dollhouse Kit, "Coffee Time" model, is a 1:24 scale creative room mini wooden dollhouse designed for assembly. This kit allows users to construct a detailed miniature coffee shop scene, complete with furniture and various accessories. The finished product includes a dust-proof cover to protect the assembled model.

2. SAFETY INFORMATION

- This kit is suitable for individuals aged 14 years and up. Adult supervision is recommended for younger users.
- Small parts are included. Keep out of reach of small children to prevent choking hazards.
- Exercise caution when using sharp tools such as knives and scissors during assembly.
- Ensure proper ventilation when using adhesives.

3. PACKAGE CONTENTS

The kit includes all disassembled components required to build the miniature dollhouse, including wooden pieces, paper cutouts, plastic elements, and miniature accessories such as a coffee maker, pots, coffee mugs, and signboards. An English colorful instruction manual is also provided.

Tools and Materials Not Included (Required for Assembly):

- Paper scissors

- Knife (e.g., craft knife or box cutter)
- Tweezers (smaller ones may be helpful for intricate parts)
- Screwdrivers
- Rulers
- Silicone liquid glue (essential for various materials like paper, wood, and plastic)
- 3 x AAA batteries for the LED light

4. ASSEMBLY INSTRUCTIONS

This DIY miniature dollhouse kit requires full assembly. Follow the provided English colorful instruction manual carefully. The assembly process typically takes approximately one day to complete, depending on individual pace and experience.

General Assembly Tips:

1. **Preparation:** Before starting, organize all components and ensure you have all the necessary tools and materials listed in Section 3.

5. OPERATING INSTRUCTIONS

LED Light Operation:

The dollhouse kit includes an LED light feature. To activate the light, ensure that 3 AAA batteries (not included) are correctly installed in the designated battery compartment. Once installed, the LED light can be turned on to illuminate the miniature scene, enhancing its visual appeal.

6. MAINTENANCE

Dust Cover:

The kit includes a dust cover designed to protect your finished miniature dollhouse from dust and environmental elements. Ensure the dust cover is properly placed over the assembled model to maintain its cleanliness and preserve the intricate details.
