

Ring Stick Up Cam Plug-In

Ring Stick Up Cam Plug-In User Manual

Model: Stick Up Cam Plug-In

INTRODUCTION

The Ring Stick Up Cam Plug-In is a versatile, weather-resistant security camera designed for both indoor and outdoor use. It provides continuous power and protection, allowing you to monitor your property with live view, two-way talk, color night vision, and motion-activated alerts. This manual provides essential information for setting up, operating, and maintaining your device.

SAFETY INFORMATION

Please read and follow all safety instructions carefully to prevent injury or damage to the device. Keep this manual for future reference.

- Ensure the power adapter and cable are not damaged before use.
- Do not expose the device to extreme temperatures or humidity.
- Install the camera in a secure location where it cannot be easily tampered with.
- Use only the power adapter supplied with the device.
- For outdoor installation, ensure the power outlet is weather-protected or use a weather-resistant extension cord if necessary.

WHAT'S INCLUDED

Verify that all components are present in your package:

- Ring Stick Up Cam Plug-In
- Power Adapter
- Mounting Bracket and Screws
- Installation Guide

SETUP

1. Download the Ring App

Download the Ring app from the App Store (iOS) or Google Play Store (Android). Search for "Ring".

2. Create or Log In to Your Account

Follow the in-app instructions to create a new Ring account or log in if you already have one.

3. Add Your Device

In the Ring app, tap the menu icon (three lines) in the top left corner, then select "Set Up a Device". Choose "Security Cameras" and follow the prompts to scan the QR code on your camera or its packaging.

4. Connect to Wi-Fi

The app will guide you through connecting your Stick Up Cam Plug-In to your home Wi-Fi network. Ensure your Wi-Fi signal is strong at the installation location.

5. Physical Installation

The Stick Up Cam Plug-In offers versatile mounting options:

- **Tabletop Placement:** Place the camera on any flat surface indoors or outdoors.
- **Wall Mounting:** Use the included mounting bracket and screws to secure the camera to a wall.
- **Ceiling Mounting (Optional):** An additional mount for Stick Up Cam (sold separately) is required for ceiling installation.

Plug the camera into a standard power outlet. For outdoor use, ensure the outlet is weather-protected.

OPERATING YOUR RING STICK UP CAM PLUG-IN

Live View

Access real-time video and audio from your camera at any time through the Ring app. Simply open the app and select your camera to initiate Live View.

See, hear and speak to anyone on camera

Image: A smartphone screen showing a live video feed from a Ring camera, with options to see, hear, and speak to people on camera.

Two-Way Talk

Use the microphone and speaker in the Ring app to communicate with anyone on the other end of your camera. Tap the microphone icon in Live View to speak.

Motion Alerts

Receive instant notifications on your phone, tablet, or PC when motion is detected. Customize motion zones and sensitivity settings within the Ring app to reduce unwanted alerts.

Color Night Vision

The camera provides clear, full-color video even in low-light conditions, enhancing visibility and detail at night.

Privacy Features

Set up customizable privacy zones to exclude certain areas from video recording. You can also enable audio privacy to

disable audio recording.

Works with Alexa

Integrate your Ring Stick Up Cam Plug-In with Alexa-enabled devices. You can ask Alexa to show you the live feed from your camera on compatible Echo devices with screens.

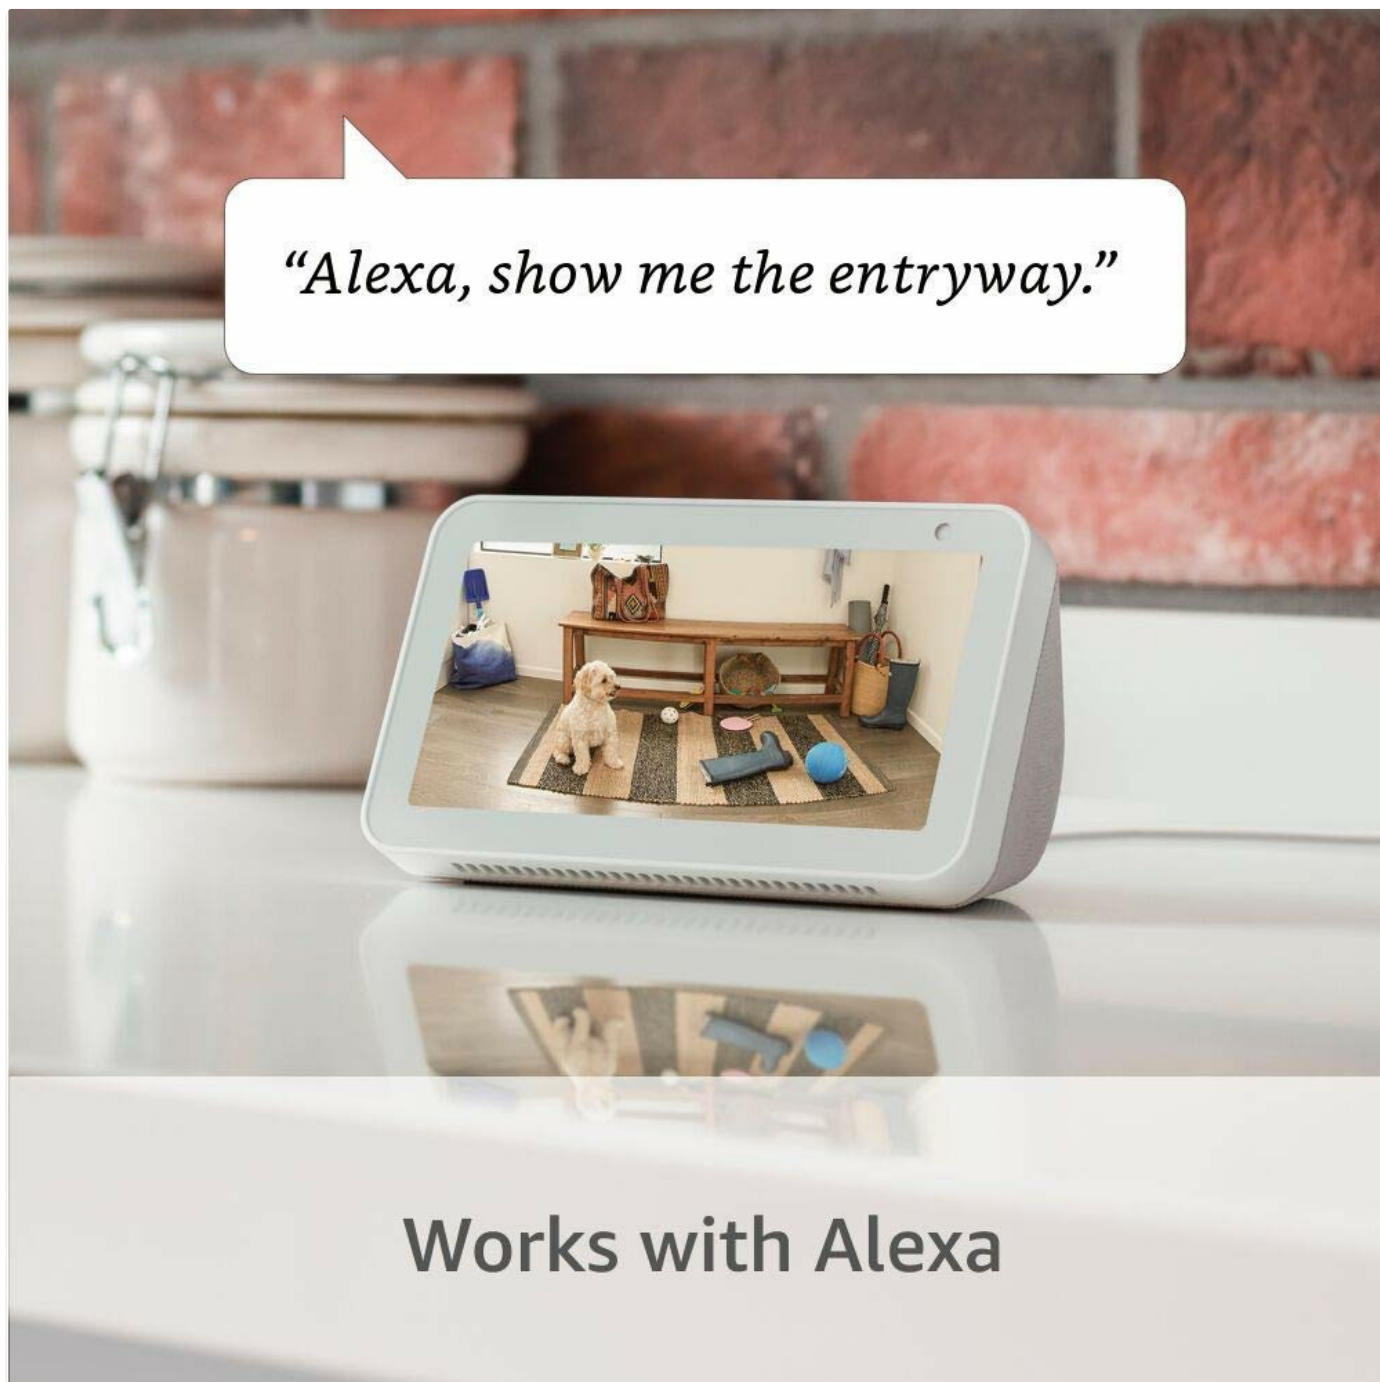

Image: An Amazon Echo Show device displaying a live feed from a Ring camera, demonstrating integration with Alexa.

Ring Protect Subscription (Sold Separately)

For enhanced features such as 24/7 recording, video history, people and package alerts, consider a Ring Protect subscription. This allows you to review past events and save video clips.

Control multiple devices from the Ring app with a Ring Protect subscription

Image: A smartphone screen displaying the Ring app interface, showing multiple connected cameras and event history, highlighting multi-device control.

MAINTENANCE

- **Cleaning:** Gently wipe the camera lens and body with a soft, damp cloth. Do not use harsh chemicals or abrasive cleaners.
- **Firmware Updates:** Ensure your camera's firmware is always up to date through the Ring app to benefit from the latest features and security enhancements.
- **Power Connection:** Periodically check the power cable and adapter for any signs of wear or damage.

TROUBLESHOOTING

Problem	Possible Solution
---------	-------------------

Problem	Possible Solution
Camera offline or not connecting to Wi-Fi	Check your Wi-Fi signal strength in the Ring app (Device Health). Ensure your Wi-Fi router is working correctly. Try restarting your camera by unplugging it for a few seconds and plugging it back in. Verify your Wi-Fi password is correct in the app.
Poor video quality or choppy feed	Improve Wi-Fi signal strength (move router closer or use a Wi-Fi extender). Check your internet speed. Clean the camera lens.
No motion alerts	Check motion detection settings and motion zones in the Ring app. Ensure notifications are enabled for the Ring app on your mobile device. Verify the camera is powered on and online.
Two-way talk not working	Ensure your phone's microphone is enabled for the Ring app. Check the volume settings on your phone and in the app. Verify the camera's microphone and speaker are not obstructed.
