## 1. INTRODUCTION

---

The LuvLap Primo Baby Stroller/Pram is designed to provide a safe, comfortable, and convenient experience for both parent and child. This manual contains important information regarding the assembly, operation, maintenance, and safety of your stroller. Please read it thoroughly before use and retain it for future reference.

### Key Features:

- EN1888-2 Certified for safety standards.
- 5-Point Safety Harness for secure restraint.
- Multi-position seat recline and adjustable footrest for maximum comfort.
- Extendable canopy for sun protection.
- Shock Absorption System for a smooth ride.
- Front swivel wheels for easy maneuverability.
- Rear wheel safety brakes for secure stopping.
- Spacious storage basket and back pocket.
- Convenient folding with autolock for portability.

## 2. SAFETY INFORMATION

---

Your child's safety is paramount. Always follow these guidelines to ensure safe operation of the LuvLap Primo Stroller.

- **Always use the 5-point safety harness:** Ensure your child is securely fastened at all times to prevent falls or slipping.

- **Engage brakes when stationary:** Always apply the rear wheel safety brakes when the stroller is parked to prevent accidental movement.
- **Do not overload:** Adhere to the maximum weight recommendation of 22 kilograms. Overloading can compromise stability and safety.
- **Supervise your child:** Never leave your child unattended in the stroller.
- **Avoid hanging bags on handles:** This can cause the stroller to tip over. Use the designated storage basket.
- **Ensure full lock:** Before placing your child in the stroller, ensure all locking mechanisms are securely engaged.
- **Keep fingers clear:** Be cautious when folding or unfolding the stroller to avoid pinching fingers.
- **Certified Safety:** This stroller is certified as per European Safety Standard EN1888-2.

### 3. ASSEMBLY

---

While specific assembly steps are not detailed here, the LuvLap Primo Stroller is designed for straightforward setup. Refer to the included quick-start guide or the official product video for visual instructions.

#### Key Assembly Points:

- Unfold the stroller frame until it locks into place.
- Attach wheels if they are not pre-installed, ensuring they click securely.
- Install the removable front bumper by aligning and clicking it into the designated slots.
- Ensure the canopy is correctly attached and can be extended/retracted smoothly.

Official product video demonstrating the features and operation of the LuvLap Primo Stroller, including its spacious cushioned seat, extendable canopy, adjustable seat recline, adjustable footrest, 5-point safety harness, sturdy steel structure, convenient handle grip, European safety certification, rear wheel safety brakes, spacious basket, removable front bumper, 360-degree swivel front wheels, heavy-duty wheels, and convenient folding with autolock.

### 4. OPERATING INSTRUCTIONS

---

#### 4.1. Securing Your Child

Place your child in the seat and fasten the 5-point safety harness. Adjust the straps to ensure a snug but comfortable fit. The harness buckle is designed for quick release when needed.

babies  
on-the-go  
Primo Stroller

The LuvLap Primo Stroller features an EN 1888-2 Approved design, a secure 5-Point Safety Harness, a Shock Absorption System for a smooth ride, and a Front Wheel with Swivel for easy navigation.

#### 4.2. Adjusting the Seat Recline

The stroller features a multi-position seat recline. Locate the recline adjustment mechanism (typically a strap or lever behind the seat) and adjust to your desired position for your child's comfort, from upright to a more relaxed angle.

☆☆ Approved

5 Point safety Harness

The multi-position seat recline allows for various comfortable seating angles for your child.

#### 4.3. Adjusting the Footrest and Canopy

The footrest can be adjusted to provide optimal leg support for your growing child. The extendable canopy offers ample shade and protection from the sun's harsh rays. Extend or retract it as needed.

## Pure *joy* of recline

Multi-position seat recline

Extendable Canopy

The stroller features an extendable canopy for sun protection and an adjustable footrest for enhanced child comfort.

### 4.4. Using the Brakes and Wheels

The rear wheels are equipped with safety brakes. Press down on the brake lever with your foot to engage the brakes and lift to release. The front wheels swivel 360 degrees for easy steering and can be locked for stability on uneven terrain.

## *Day dreams* in the sun

Pivoting bumper bar

Adjustable footrest

The LuvLap Primo Stroller includes a spacious storage basket, a convenient back pocket, and reliable rear wheel safety brakes for secure parking.

#### 4.5. Folding the Stroller

The LuvLap Primo Stroller features a convenient folding mechanism with an autolock for compact storage and easy transport. Consult the quick-start guide or product video for specific folding instructions.

The LuvLap Primo Stroller folds compactly with an autolock feature, making it easy to store and transport.

### 5. MAINTENANCE

---

- **Cleaning:** Wipe the frame with a damp cloth. Fabric parts can be spot cleaned with mild soap and water. Do not use harsh abrasives or solvents.
- **Wheels:** Regularly check wheels for debris and ensure they rotate freely. Lubricate axles if necessary.
- **Harness:** Inspect the safety harness regularly for wear and tear. Ensure buckles function correctly.
- **Storage:** Store the stroller in a dry, cool place away from direct sunlight when not in use.

### 6. TROUBLESHOOTING

---

- **Stroller not folding/unfolding smoothly:** Check for any obstructions in the folding mechanism. Ensure all parts are aligned correctly.
- **Wheels squeaking:** Clean the wheel axles and apply a small amount of silicone-based lubricant.
- **Brakes not engaging:** Check for debris obstructing the brake mechanism. Ensure the brake lever is fully depressed.
