OPERATING INSTRUCTIONS

The WLIVE Farmhouse Coffee Table is designed for both aesthetic appeal and practical functionality, featuring convenient flip-top lids and ample hidden storage.

Using the Flip-Top Lids:

- **Opening:** Gently lift either side of the tabletop. The integrated gas struts will provide cushioned support, allowing the lid to open smoothly and remain in an elevated position without manual holding.
- **Closing:** To close, gently push the lid downwards. The gas struts will ensure a soft, controlled descent, preventing abrupt slamming and protecting fingers.

MAINTENANCE

Proper care will ensure the longevity and appearance of your WLIVE Farmhouse Coffee Table.

Cleaning:

- **Surface Cleaning:** The desktop is designed to be waterproof and resistant to scratches. For general cleaning, wipe surfaces with a soft, damp cloth.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, strong detergents, or solvents, as these can damage the finish.
- **Spills:** Wipe up spills immediately to prevent moisture absorption, especially on non-waterproof areas.

General Care:

- **Placement:** Avoid placing the table in direct sunlight or near heat sources to prevent warping or fading.

- **Weight Capacity:** Do not exceed the maximum weight recommendation of 300 pounds for the entire table, or 44 pounds per lid.
- **Moving:** When moving the table, lift it rather than dragging to prevent damage to the legs and frame.

TROUBLESHOOTING

Most common issues can be resolved with simple checks.

Common Issues:

- **Wobbly Table:** Ensure all assembly screws and fasteners are securely tightened. Periodically check and retighten as needed.
- **Lid Not Closing Smoothly:** Check for any obstructions in the storage compartment or along the hinge mechanism. Ensure the gas struts are properly installed and functioning.
- **Scratches/Dents:** While the desktop is scratch-resistant, extreme impacts can cause damage. For minor scratches, furniture repair kits may be used.
