4. SETUP AND ASSEMBLY

The modular wardrobe is designed for easy assembly. Follow these steps carefully:

1. **Connect Panels:** Join each panel with an ABS connector. Ensure the panels are fully inserted into the connector slots.
2. **Secure Connections:** Use the provided wooden mallet to gently tap the connectors until each panel is firmly seated and the connection is secure. You should hear a click.
3. **Install Door Stoppers:** Fix the door locking pieces onto the designated corners of the door modules.
4. **Attach Handles:** Stick the handles onto the door panels for easy opening.
5. **Build Modules:** Continue connecting panels and connectors to form the desired modular structure. The design allows for various configurations.
6. **Insert Hanging Rod:** For modules intended for hanging clothes, insert the hanging rod into the designated slots within the module frame.
