AODK B0C5RLBXJC

AODK 53" L Shaped Desk Instruction Manual

Model: B0C5RLBXJC

Product Overview

The AODK 53" L Shaped Desk is engineered to optimize your workspace with its thoughtful design and integrated features. It offers a large surface area, flexible configuration options, and convenient power solutions, making it ideal for both work and gaming environments.

- **Super Large Storage Space:** Includes 1 monitor stand, 1 CPU stand, 1 iron hook, 2 open shelves, and 4 tiers of drawers for efficient organization.
- **USB Charging Ports & Power Outlets:** Equipped with 3 power outlets and 2 USB charging ports for easy device charging.
- **Immersive Gaming Atmosphere:** Features LED lighting with 7 colors and 20 lighting modes, including a memory function.
- **Reversible L-Shaped Corner Desk:** Adaptable design to fit various room layouts, maximizing limited space.

Important Safety Information

- Always assemble the desk according to the instructions.
- Do not overload the desk as it may tip over.
- Keep the power outlets and USB ports away from water and other liquids.
- Always unplug the desk when not in use.
- Keep the desk away from heat sources and flammable materials.

Setup and Assembly

For ease and safety, we recommend two people for assembly. Please take out all parts from the package and check that they are included and in good condition before beginning. Follow the steps below carefully.

Step-by-Step Assembly

1. **Install Foot Pads:** Attach the foot pads to the bottom of the desk frame components (K, L, R, S, Q).
2. **Assemble Drawer Frame:** Connect components L and K using the designated screws (M). Ensure correct

orientation for drawer installation.

3. **Connect Main Frame:** Use screws to connect components Q and L with bar I, forming the main L-shaped structure.
4. **Install Shelves:** Secure the shelves (F and G) into their respective positions within the frame using the provided screws.
5. **Assemble Monitor Stand Frame:** Connect bar I and R by H, forming the monitor stand's support structure.
6. **Install Monitor Stand Shelf:** Place and secure the monitor stand shelf (D) between components S and R.
7. **Attach Desktop Panels:** Carefully align and install the main desktop panels (A and B) onto the assembled frame. Note: Use appropriate screws to avoid damaging the board.
8. **Install Power Outlets:** Secure the recessed power strip with 3 AC outlets and 2 USB ports into the designated slot on the desktop.
9. **Assemble Drawers:** Open each fabric drawer (U) and place the drawer base (V) into it. Use screws to install the handles.
10. **Install Drawers:** Slide the four assembled fabric drawers into their respective compartments in the drawer unit.
11. **Install Monitor Stand:** Attach the monitor stand to the main desk frame. The height of the monitor stand can be adjusted to your preference.
12. **Hang Hook:** Attach the iron hook to the side of the table leg for hanging headphones or bags.

Operating Instructions

LED Lighting

The desk is equipped with LED lighting featuring 7 colors and 20 lighting modes. Use the control panel to select your desired color and mode. The memory function ensures the lights return to the last used setting when turned on.

USB Charging Ports & Power Outlets

Utilize the 3 power outlets and 2 USB charging ports located on the desk for convenient charging of your electronic devices, such as smartphones, gaming gear, or Bluetooth devices.

Monitor Stand Adjustment

The ergonomic monitor stand is height adjustable to help reduce back and neck stress by promoting a better sitting posture. Adjust the stand to one of the available height levels (3.9", 5.1", 6.3") to suit your needs.

Maintenance

To maintain the desk's appearance and longevity, regularly wipe down surfaces with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners that could damage the finish. For spills, clean immediately to prevent staining.

Troubleshooting

- **Parts Not Aligning During Assembly:** Double-check the orientation of all parts against the instruction diagrams. Some components may have specific left-hand or right-hand orientations. Ensure all screws are loosely fitted before tightening completely to allow for minor adjustments.
- **LED Lights Not Working:** Verify that the power strip is correctly plugged into a functional wall outlet and that the LED light strip is securely connected to the power strip. Check for any kinks or damage in the LED strip cable.
- **Power Outlets/USB Ports Not Functioning:** Ensure the power strip is fully plugged in and the wall outlet is active. Test with another device to confirm the outlet is working. If issues persist, contact customer support.
- **Desk Wobbles:** Ensure all screws are tightened securely. Adjust the foot pads at the bottom of the desk legs to compensate for uneven flooring.

Specifications

Attribute	Detail
Brand	AODK
Product Dimensions	18.9"D x 53.15"W x 29.72"H
Color	Black
Style	Modern
Base Material	Alloy Steel

Top Material Type	Engineered Wood
Item Weight	29.03 Kilograms
Included Components	1 monitor stand, 1 CPU stand, 1 iron hook, 2 open shelves, 4 drawers
Number of Drawers	4
Number Of Shelves	2
Shape	L-Shape
