Bluelander Cat Scratcher Tower User Manual

Model: caa3153

1. PRODUCT OVERVIEW

The Bluelander Cat Scratcher Tower is designed to provide your feline companion with a dedicated space for play, rest, and claw maintenance. Featuring a comfortable hammock, durable sisal scratching posts, and a playful hanging toy, this cat tree promotes healthy feline behavior while protecting your furniture.

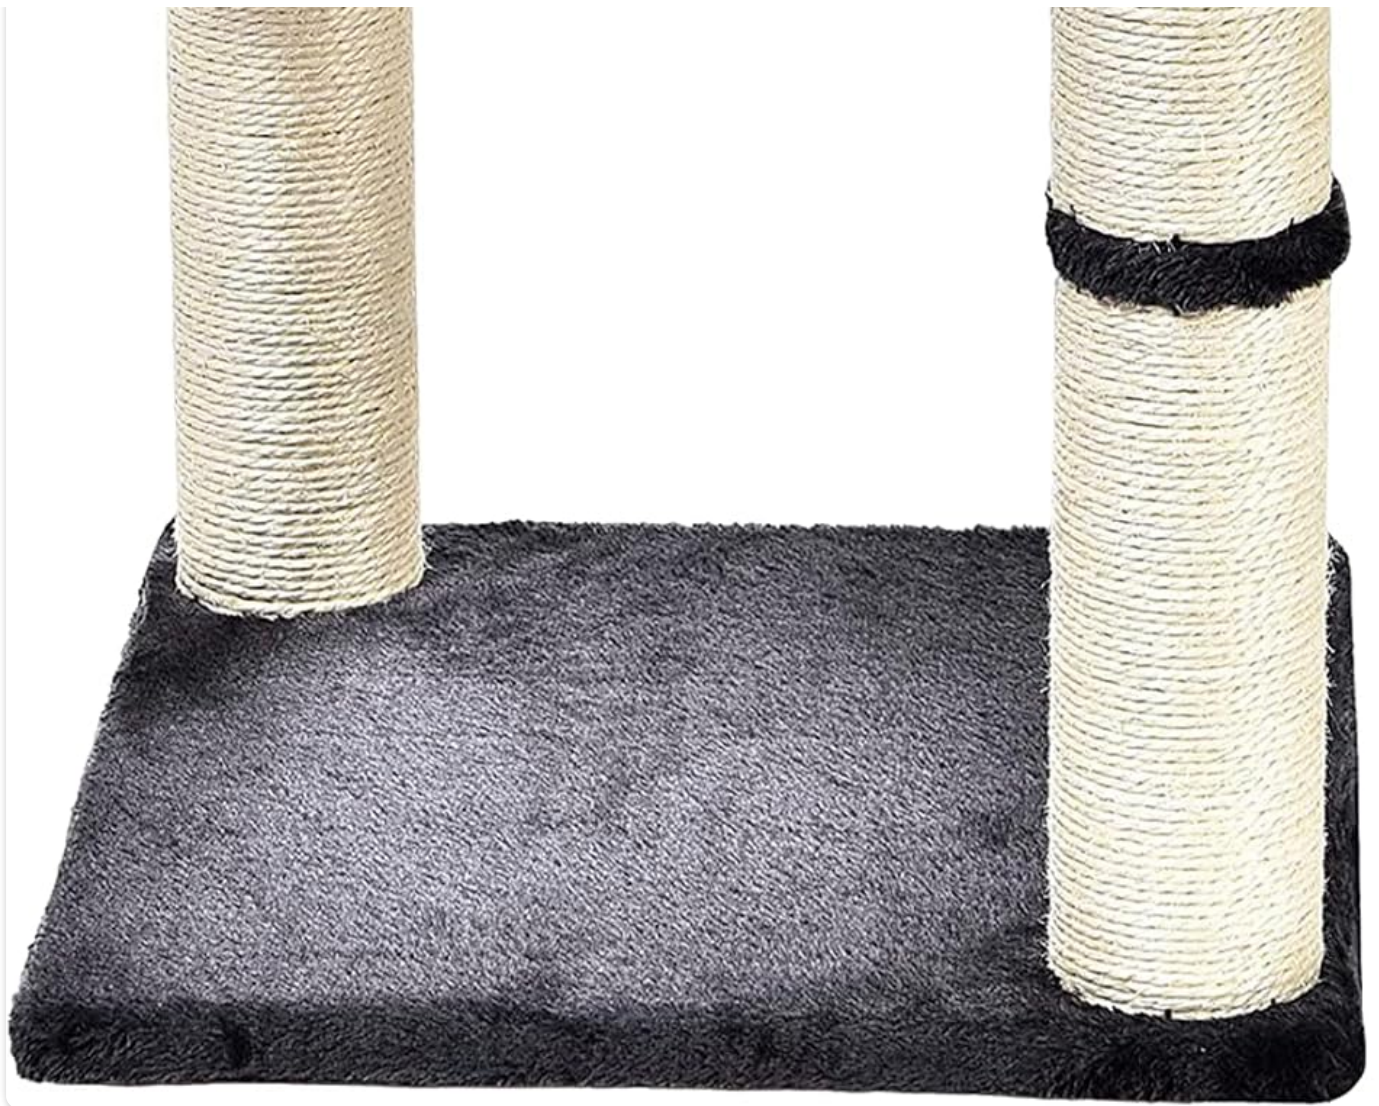

Image 1.1: The Bluelander Cat Scratcher Tower with a cat enjoying the hammock.

Key Features:

- **Comfortable Hammock:** A large, plush hammock provides an ideal spot for relaxation and napping.
- **Durable Sisal Posts:** Natural sisal rope wrapped posts offer an excellent surface for scratching, promoting healthy claws and deterring scratching on household items.
- **Sturdy Construction:** A solid and resistant base ensures stability and safety during play.
- **Interactive Hanging Toy:** Includes a soft, dangling toy to engage your cat in playful activity.
- **Compact Design:** Measures 40 x 39.8 x 49.7 cm, suitable for various indoor spaces.

2. COMPONENTS LIST

Before assembly, ensure all components are present and undamaged. Refer to the diagram below for identification.

1. Base Plate (1x)
2. Sisal Scratching Posts (2x)
3. Hammock with Plush Fabric (1x)
4. Hanging Plush Toy (1x)
5. Connecting Screws/Hardware (as required for assembly)

3. SETUP AND ASSEMBLY

Follow these steps to assemble your Bluelander Cat Scratcher Tower. No special tools are typically required.

1. **Unpack Components:** Carefully remove all parts from the packaging and verify against the components list.
2. **Attach Scratching Posts to Base:** Securely screw the two sisal scratching posts into the designated holes on the

base plate. Ensure they are tightened to prevent wobbling.

3. **Attach Hammock:** Place the hammock onto the top of the scratching posts, aligning the attachment points. Secure the hammock using the provided hardware, ensuring it is stable and level.
4. **Attach Hanging Toy:** If not pre-attached, connect the hanging plush toy to the hammock or one of the posts as desired.
5. **Final Check:** Gently shake the assembled tower to ensure all connections are secure and the structure is stable.

4. USAGE GUIDELINES

To encourage your cat to use the Bluelander Cat Scratcher Tower, consider the following:

- **Placement:** Position the tower in an area where your cat frequently rests or scratches, such as near a window or their favorite sleeping spot.

- **Attraction:** You can sprinkle catnip on the sisal posts or hammock to attract your cat.
- **Positive Reinforcement:** Praise and reward your cat when they use the scratcher or hammock.
- **Safety:** Ensure the tower is placed on a flat, stable surface to prevent tipping during vigorous play.

5. CARE AND MAINTENANCE

Proper care will extend the life of your cat scratcher tower.

- **Indoor Use Only:** This product is designed for indoor use. Do not expose it to outdoor elements.
- **Cleaning:**
 - For plush surfaces, use a lint roller or a vacuum cleaner with a brush attachment to remove pet hair and dust.
 - Spot clean any soiled areas with a damp cloth and mild pet-safe detergent. Avoid saturating the fabric.
 - For sisal posts, use a stiff brush to remove loose fibers or debris.

- **Inspection:** Regularly check all screws and connections to ensure they remain tight. Tighten if necessary.
- **Replacement:** If the sisal rope becomes excessively worn or damaged, consider replacing the posts to maintain scratching effectiveness.

6. TROUBLESHOOTING

Here are solutions to common issues you might encounter:

Problem	Solution
Cat is not using the scratcher.	Try moving the tower to a different location, especially near where your cat usually scratches. Use catnip to attract them. Play with your cat near the tower to encourage interaction.
Tower feels unstable.	Ensure all screws are tightened securely. Place the tower on a flat, even surface. Avoid placing it on thick carpets that might cause instability.
Hanging toy is damaged.	The hanging toy is designed for play and may wear over time. It can be replaced with a similar cat-safe toy.
