What's in the Box

Your HOU Magnetic Keyboard Case package includes:

- HOU Magnetic Keyboard Case (MF-12)
- USB-C Charging Cable
- Instruction Manual

Setup

1. Attaching Your iPad

1. Align your compatible iPad with the magnetic back panel of the keyboard case.
2. The 37 powerful magnets will securely attach your iPad to the case, ensuring a stable connection.

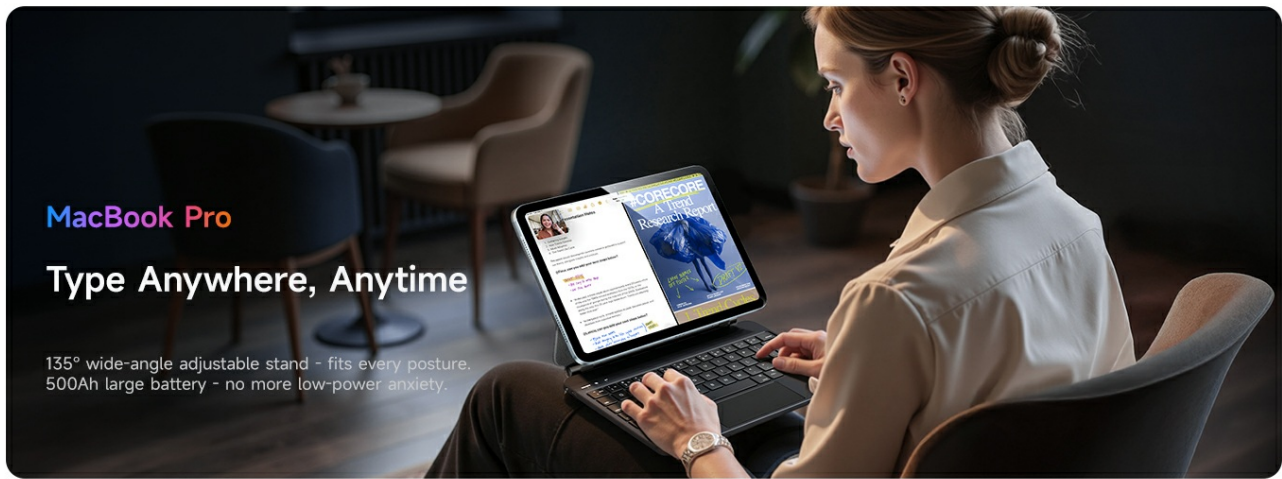

Image: Illustration of the magnetic attachment mechanism for the iPad.

2. Bluetooth Connection

1. Ensure your iPad's Bluetooth is enabled.
2. Turn on the keyboard case using the power switch located on the side.
3. On your iPad, navigate to **Settings > Bluetooth**.
4. Look for "F91 Magic" or a similar device name (e.g., "MF-12 91AD") in the list of available devices and tap to connect.
5. Once connected, the keyboard is ready for use.

Operating Instructions

Adjustable Viewing Angle

The patented hinge allows for a wide 0° to 135° adjustable tilt, providing optimal viewing angles for typing, watching, or browsing. The hinge is designed for smooth, resistance-free operation and closes gently to protect your iPad's screen.

Keyboard Features

- **1.3mm Key Travel:** Experience comfortable and responsive typing with scissors-switch keys.
- **12 Shortcut Keys:** Utilize dedicated shortcut key combinations for increased productivity and efficient workflow.
- **7-Color Backlight:** Customize your typing environment with a 7-color backlight, featuring 3 levels of brightness, ideal for low-light conditions.

Maintenance

The HOU Magnetic Keyboard Case features a premium silicone leather exterior that is designed to resist stains and scratches. To clean your case:

- Use a soft, damp cloth to gently wipe down the exterior surface.
- For stubborn marks, a mild soap solution can be used, followed by wiping with a clean, damp cloth.
- Avoid using harsh chemicals or abrasive materials, as these may damage the finish.

Answered questions about this manual

Is there a way to disable the touch pad on the HOU MF-12 Magnetic Keyboard Case? My kids keep touching it accidentally while they work on typing practice.

To disable the trackpad on the HOU MF-12 Magnetic Keyboard Case, you can use the dedicated shortcut key combination. Most HOU keyboard models use the Fn + T or Fn + Spacebar key combination...
