› HOOBRO 8-Layer Shoe Rack, Model EWT750XJ01 - Instruction Manual

HOOBRO EWT750XJ01

HOOBRO 8-Layer Shoe Rack

Model: EWT750XJ01 - Instruction Manual

INTRODUCTION

Thank you for choosing the HOOBRO 8-Layer Shoe Rack. This narrow, space-saving shoe storage unit is designed to help organize your footwear efficiently. Featuring 8 open tiers and two side hooks, it is suitable for various spaces such as entryways, living rooms, bedrooms, hallways, and garages. The removable shelves allow for flexible storage of different shoe types, including boots and high heels. Constructed from high-quality particleboard and metal, each shelf supports up to 10 kg, ensuring stability and durability. This manual provides detailed instructions for assembly, operation, maintenance, and safety to ensure a long-lasting and satisfactory experience with your product.

SAFETY INFORMATION

Please read and follow all safety instructions carefully to prevent injury and damage to the product.

- **Anti-Tip Device:** Always install the included anti-tip device to secure the shoe rack to the wall. This is crucial to prevent the unit from tipping over, especially in households with children or pets.
- **Children Safety:** Do not allow children to stand on, climb, or play with the shoe rack. Tipping hazards can cause serious injury.
- **Weight Capacity:** Do not exceed the maximum weight capacity of 10 kg per shelf. Overloading can compromise the stability and structural integrity of the unit.
- **Placement:** Place the shoe rack on a flat, stable, and level surface to ensure proper balance.
- **Assembly:** Ensure all screws and fasteners are securely tightened during assembly. Periodically check and re-tighten them as needed.

PARTS LIST

Before assembly, please verify that all components are present and undamaged. If any parts are missing or damaged, please contact customer support.

Component	Quantity
Side Frames	2
Shelves (Fixed)	2
Shelves (Adjustable/Removable)	6
Top Panel	1
Bottom Base	1
Side Hooks	2
Assembly Hardware (screws, dowels, etc.)	1 Set
Anti-Tip Kit	1 Set
Assembly Tool	1

SETUP AND ASSEMBLY

Assembly is straightforward with the provided numbered accessories and tools. Follow these steps carefully:

- 1. Unpack and Identify:** Carefully unpack all components and lay them out on a clean, soft surface to prevent scratches. Identify each part using the provided parts list and diagrams.
- 2. Assemble Side Frames:** Attach the side frames to the bottom base and top panel using the designated screws. Ensure they are aligned correctly.
- 3. Install Fixed Shelves:** Secure the fixed shelves into their designated positions on the side frames.
- 4. Insert Adjustable Shelves:** Slide the adjustable shelves into the desired slots. These shelves can be removed or repositioned to accommodate items of different heights, such as boots.
- 5. Attach Side Hooks:** Mount the two side hooks to the pre-drilled holes on the side frames using the provided screws.
- 6. Install Anti-Tip Device:** Secure the anti-tip device to the top rear of the shoe rack and then to a sturdy wall stud using the provided hardware. This step is essential for safety.
- 7. Final Tightening:** Once all parts are in place, gently tighten all screws to ensure the unit is stable and secure. Do not overtighten.

OPERATING INSTRUCTIONS

The HOOBRO 8-Layer Shoe Rack is designed for versatile shoe storage and organization.

- **Shoe Storage:** Utilize the 8 open tiers to store various types of shoes. The open design allows for good air circulation, preventing odors.
- **Adjustable Shelves:** The middle shelves are removable, providing flexibility to create taller compartments for boots, high heels, or other larger items. Simply slide out the desired shelf to adjust the height.
- **Side Hooks:** Use the two integrated side hooks to hang umbrellas, handbags, keys, or other small accessories, keeping them easily accessible.
- **Multi-purpose Use:** While primarily a shoe rack, its sturdy design and aesthetic appeal allow it to function as a general storage shelf in living rooms or salons for displaying decorative items, books, or small plants.

MAINTENANCE

Proper care will extend the life and appearance of your HOOBRO shoe rack.

- **Cleaning:** Wipe the surfaces with a dry cloth to remove dust and dirt. For stubborn marks, use a slightly damp cloth and immediately dry with a clean, soft cloth. Avoid abrasive cleaners or harsh chemicals.
- **Avoid Moisture:** Keep the unit away from excessive moisture and direct sunlight to prevent warping or discoloration of the wood material.
- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary to maintain stability.

TROUBLESHOOTING

If you encounter any issues with your shoe rack, consider the following:

- **Wobbling/Instability:** Ensure the unit is placed on a level surface. Check that all screws are fully tightened. Verify that the anti-tip device is correctly installed and secured to the wall.
- **Missing Parts:** Double-check the packaging and compare with the parts list. If parts are genuinely missing, contact HOOBRO customer support.
- **Difficulty Assembling:** Refer to the assembly diagrams and instructions. Ensure you are using the correct hardware for each step. Do not force parts together.
- **Damage:** If the product arrived damaged, do not proceed with assembly. Contact the seller or manufacturer immediately for assistance.

SPECIFICATIONS

Feature	Detail
