LUNQIN B0C5T4XC94

LUNQIN Car Phone Holder Mount Instruction Manual

For Mazda CX-5 (2017-2025)

1. Product Overview

This LUNQIN car phone holder mount is specifically designed for Mazda CX-5 models from 2017 to 2025. It provides a secure and convenient way to hold your smartphone while driving, featuring a gravity-sensing auto-lock mechanism and 360-degree rotation for optimal viewing.

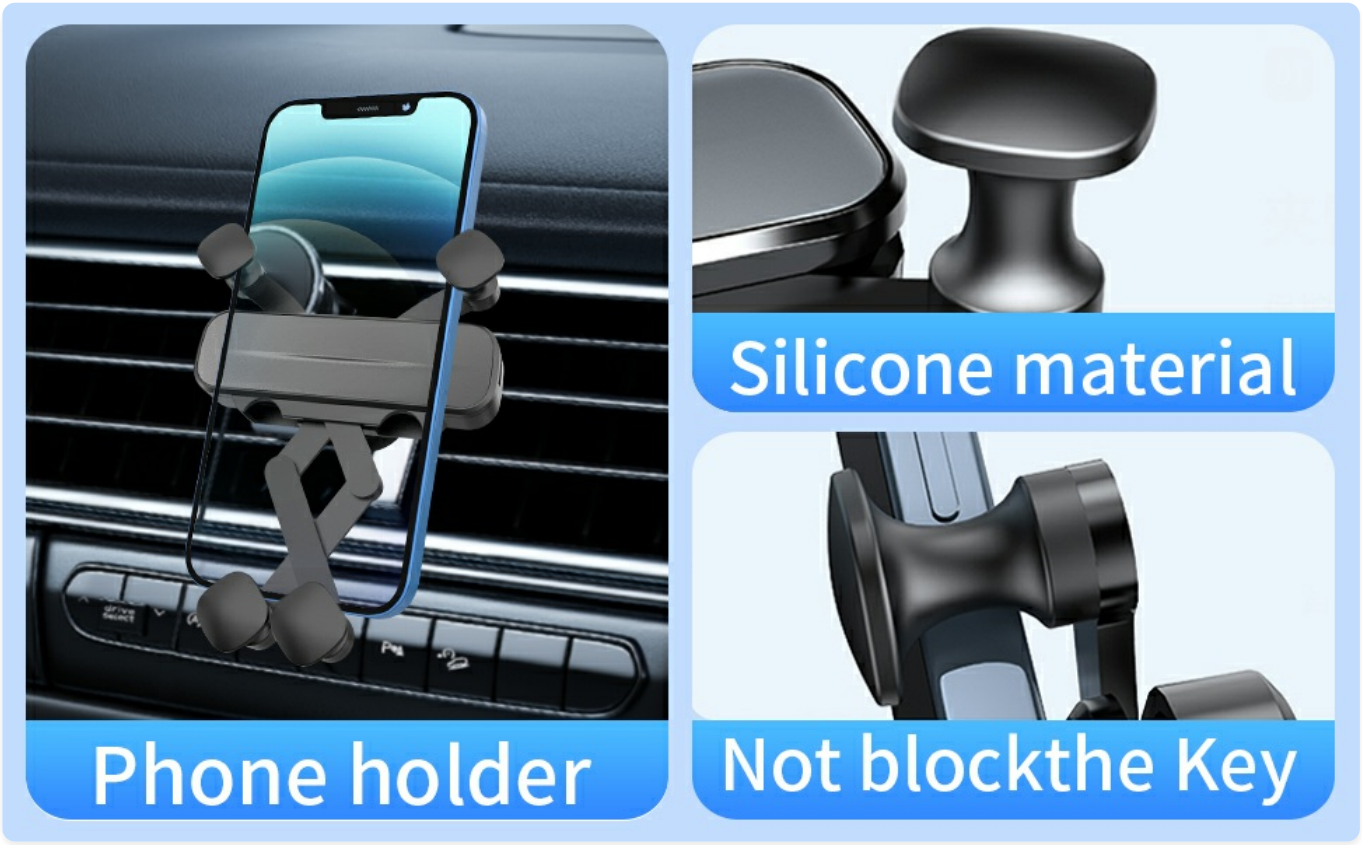

Image 1.1: The LUNQIN Car Phone Holder Mount securely installed in a Mazda CX-5 dashboard, designed for easy clamping and removal of a phone.

2. Package Contents

Verify that all components are present in the package:

- Phone Holder (Gravity Linkage Mechanism)
- Fixed Knob

- Special Base (Vehicle-specific mount)

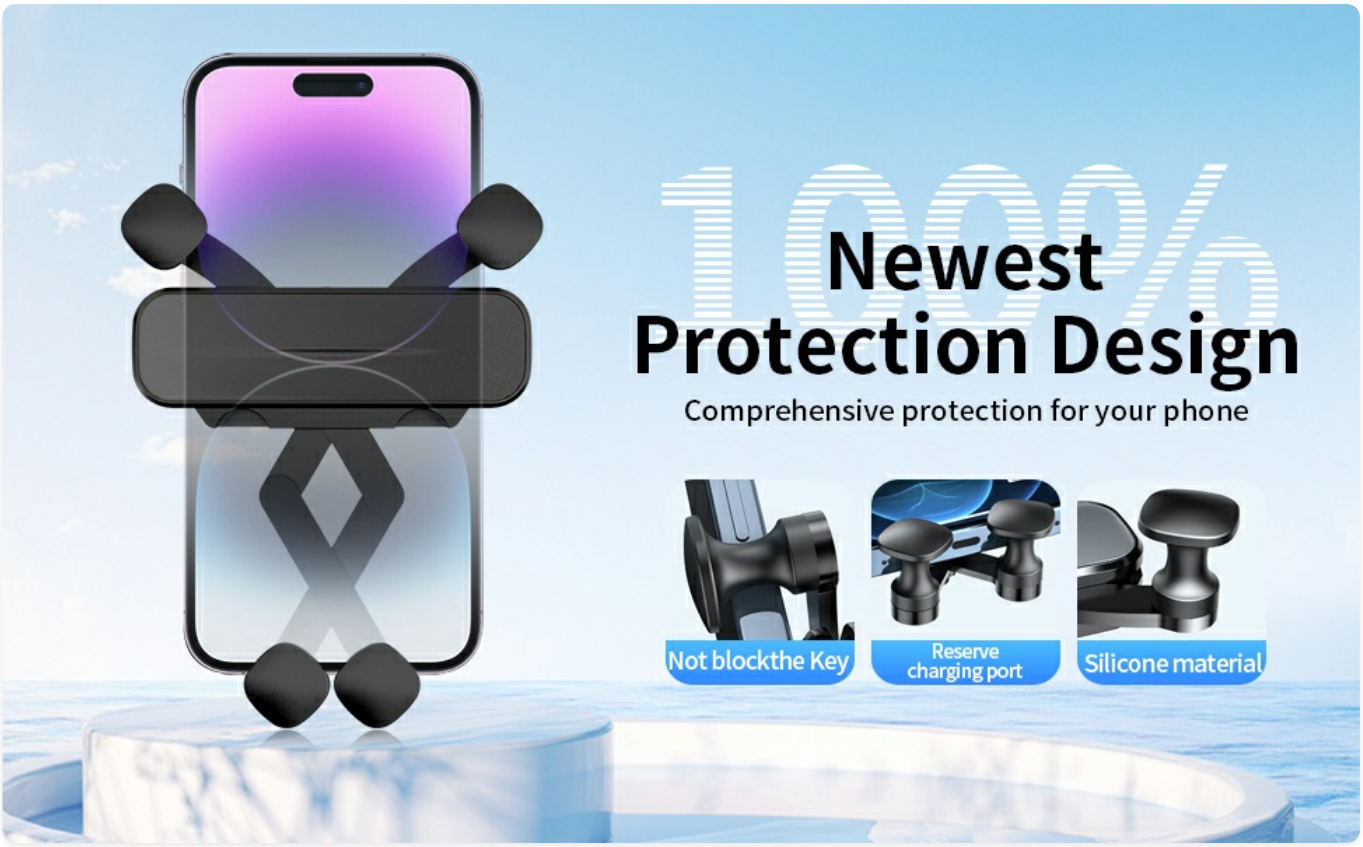

Image 2.1: The individual components of the phone holder mount, including the phone holder, fixed knob, and the vehicle-specific base.

3. Compatibility

This phone holder is exclusively compatible with:

- **Vehicle Model:** Mazda CX-5 (Years: 2017, 2018, 2019, 2020, 2021, 2022, 2023, 2024, 2025)
- **Smartphone Size:** 4 to 7 inches
- **Maximum Phone Thickness (with case):** 12mm (0.47 inches)

It is recommended to use a phone case with smaller phones (less than 4.7 inches) for a more secure fit.

Image 3.1: The phone holder features silicone material for phone protection, a reserved charging port, ensures no obstruction of car keys, and is designed for specific car models.

4. Installation Guide

Follow these steps to install your LUNQIN Car Phone Holder Mount:

1. **Attach the Special Base:** Locate the hazard light button area on your Mazda CX-5 dashboard. The special base is designed to fit precisely around this area. Gently push the base into position until it clips securely. Ensure it is stable and does not obstruct any vehicle controls.
2. **Assemble the Phone Holder:** Connect the phone holder to the ball joint on the special base. Secure it by tightening the fixed knob. Ensure the connection is firm but do not overtighten.

Video 4.1: This video demonstrates the step-by-step installation process of the LUNQIN Car Phone Holder Mount in a Mazda CX-5, including attaching the base and securing the phone holder.

5. Operating Instructions

The phone holder features a gravity-sensing design for easy one-hand operation:

1. **Placing Your Phone:** Gently slide your phone downwards into the holder. The side arms will automatically clamp the phone securely as gravity engages the mechanism.
2. **Removing Your Phone:** Lift your phone upwards. The side arms will automatically release, allowing for easy removal.
3. **Adjusting Viewing Angle:** The holder allows for 360-degree rotation. Adjust the phone to your preferred vertical or horizontal viewing angle for navigation or calls.

Image 5.1: Visual guide for the one-hand, one-second operation of the phone holder, showing how placing the phone opens the holder and picking it up tightens it.

Image 5.2: The auto-lock feature ensures the phone remains secure and stable under various driving conditions, including bumpy roads, sharp braking, and speed bumps.

6. Features

- **Gravity Auto-Lock:** Automatically clamps your phone upon insertion and releases upon lifting, allowing for single-hand

operation.

- **360-Degree Rotation:** Provides flexible viewing angles (portrait or landscape) for navigation and calls.
- **Secure Hold:** Auto-lock arm-slots adjust to hold the phone firmly, preventing falls even on bumpy roads.
- **Protective Design:** Features silicone rubber padding inside the arms to protect your phone from scratches.
- **Reserved Charging Port:** Allows access to your phone's charging port while mounted.
- **Non-Obstructive:** Designed to not block the car's keys or essential dashboard functions.
- **Durable Construction:** Made from aviation alloy fuselage for long-lasting use without deformation or fading.

7. Specifications

Brand	LUNQIN
Product Dimensions	4.33 x 3.74 x 1.77 inches
Item Weight	2.89 ounces
Compatible Devices	Smartphones (4-7 inches)
Compatible Phone Models	HTC, iPhone, Samsung (and other smartphones within size limits)
Mounting Type	Vehicle Mount (Dashboard, specific to Mazda CX-5 2017-2025)
Special Features	Adjustable, Rotatable, Gravity Auto-Lock

8. Troubleshooting

- **Holder feels loose after installation:** Ensure the special base is fully clipped into the dashboard and the fixed knob connecting the phone holder to the base is tightened securely.

- **Phone does not fit or is not held securely:** Verify your phone's dimensions (4-7 inches) and thickness (max 12mm with case) against the product specifications. For smaller phones, using a case is recommended.
- **Phone holder rattles:** Check all connections for tightness. Ensure the phone is properly seated in the gravity arms.
- **Difficulty rotating the phone:** Ensure the fixed knob is not overtightened, which might restrict movement. Loosen slightly if necessary.

9. Warranty and Support

For any product issues, questions, or warranty claims, please contact the seller directly through your purchase platform. Provide your order number and a detailed description of the issue for prompt assistance.

Ask a question about this manual

Ask about setup, troubleshooting, compatibility, parts, safety, or missing instructions. Manuals+ will review the question and use this page's manual context to help answer it.
