Sweiko 140x200cm

Sweiko 140 x 200 cm Double Bed Frame with Storage and Adjustable Headboard

Model: 140x200cm

Brand: Sweiko

Introduction

This manual provides essential instructions for the assembly, operation, maintenance, and safety of your Sweiko 140 x 200 cm Double Bed Frame. Please read this manual thoroughly before assembly and use to ensure proper function and longevity of your product.

Your bed frame features a contemporary design with an upholstered headboard, integrated storage drawers, and a sturdy metal slat system. The headboard is adjustable in height to accommodate various mattress thicknesses.

Package Contents

The bed frame is delivered in 2 cartons. These cartons may arrive on different days. Please ensure you have received both packages before beginning assembly.

If any parts are missing after both packages have arrived, please contact customer service immediately.

Setup and Assembly

Assembly is required for this bed frame. Please follow the correct assembly instructions provided with your product to prevent instability or collapse. It is recommended to assemble the bed frame with at least two people.

- Unpack all components and verify against the parts list.
- Ensure all screws and fasteners are securely tightened during assembly.
- Do not overtighten screws to avoid damaging the material.
- Place the bed frame on a level surface during assembly.

The headboard height is adjustable. This feature allows you to customize the headboard's position to suit your mattress thickness and preference.

Operation

Using the Storage Drawers

The bed frame is equipped with four high-capacity storage drawers, two on each side. These drawers are designed for easy access and secure storage.

- To open a drawer: Simply lift the drawer from its buckle on the bed frame and pull it out using the integrated wheels.
- To close a drawer: Push the drawer back into place and secure it with the buckle to prevent movement and keep your room tidy.
- For larger items: The drawers can be completely removed to allow for storage of bigger objects directly under the bed frame.

Adjusting the Headboard

The headboard can be adjusted in height to best suit your mattress and comfort preferences. Refer to the assembly instructions for specific steps on how to adjust the headboard height.

Maintenance

The bed frame is primarily constructed from linen and metal. For normal use, regular cleaning is not extensively required.

- **General Cleaning:** Clean the bed frame only with a damp cloth.
- **Spot Cleaning:** If accidentally soiled, the linen material can be wiped or cleaned with a mild detergent. Avoid harsh chemicals that may damage the fabric or finish.
- **Inspection:** Periodically check all connections and fasteners to ensure they remain tight. Retighten if necessary.

Safety Warnings

- Always follow the correct assembly instructions to prevent instability or collapse of the bed frame.
- Ensure the total weight on the bed frame does not exceed 362 kg (800 lbs).
- Keep small parts away from children during assembly to prevent choking hazards.
- Do not stand or jump on the bed frame.

Troubleshooting

- **Missing Parts:** If both packages have arrived but parts are missing, please contact customer service for assistance.
- **Instability/Noise:** Ensure all bolts and screws are properly tightened. If the issue persists, disassemble and reassemble carefully following the instructions.
