Luqeeg 1:12 Scale Miniature Round Head Knobs Instruction Manual

Model: Luqeegp0x5r1ydbq

Introduction Product Overview Package Contents Specifications Installation Usage Maintenance Troubleshooting Warranty & Support

1. Introduction

Thank you for choosing Luqeeg 1:12 Scale Miniature Round Head Knobs. These miniature knobs are designed to enhance the aesthetic of your dollhouse furniture, providing a realistic and detailed touch to cabinets, drawers, and doors. Crafted from durable metal, they are suitable for various dollhouse applications.

2. Product Overview

The Luqeeg Miniature Round Head Knobs are a set of 8 finely crafted, gold-colored metal knobs. They are specifically scaled for 1:12 dollhouses, ensuring a proportionate fit for miniature furniture. Their round head design offers a classic look, suitable for various dollhouse styles.

Special Feature	Rustproof
Item Weight	0.141 ounces (approx. 4g)
Dimensions (approx. per knob)	0.5cm (height) x 0.5cm (head diameter) x 0.4cm (base diameter)

Image: Detailed dimensions of a single miniature knob, showing its height and width.

5. Installation Instructions

These miniature knobs are designed for simple installation on dollhouse furniture. Please follow these steps carefully:

1. **Prepare the Surface:** Identify the exact location on your dollhouse cabinet, drawer, or door where you wish to install the knob. Ensure the surface is clean and free of debris.
2. **Drill a Pilot Hole:** Using a very small drill bit (appropriate for miniature scale and the knob's screw size), carefully drill a pilot hole through the furniture piece at the marked location. *Exercise caution to avoid splitting the miniature wood or material.*

3. **Attach the Knob:** Insert the screw of the miniature knob through the pilot hole from the back side of the furniture piece.
4. **Tighten the Knob:** Use the provided miniature screwdriver to gently tighten the knob onto the screw from the front side. Do not overtighten, as this may damage the knob or the furniture.
5. **Verify Stability:** Once tightened, gently test the knob to ensure it is securely attached and does not wobble.

Note: For delicate or thin dollhouse materials, consider using a small amount of miniature-safe adhesive in addition to the screw for extra security, if desired. Always test on an inconspicuous area first.

6. Usage Guidelines

The Luqeeg Miniature Round Head Knobs are intended for decorative and functional use on 1:12 scale dollhouse furniture. They can be used on:

- Dollhouse cabinets
- Dollhouse drawers
- Dollhouse doors
- Miniature jewelry boxes
- Other small wooden cases or furniture

These knobs are designed to provide a realistic and charming detail to your miniature scenes. They are suitable for indoor use.

7. Maintenance

To ensure the longevity and appearance of your miniature knobs, please follow these simple maintenance guidelines:

- **Cleaning:** Gently wipe the knobs with a soft, dry cloth to remove dust or fingerprints. Avoid using abrasive cleaners or harsh chemicals, as these can damage the finish.
- **Storage:** When not in use or if removed from furniture, store the knobs in a dry place away from direct sunlight and extreme temperatures to prevent tarnishing or damage.
- **Handling:** Handle with care to avoid bending or scratching the delicate miniature parts.

8. Troubleshooting

If you encounter any issues with your miniature knobs, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Knob is loose	Screw is not fully tightened.	Gently tighten the screw with the provided screwdriver. Do not overtighten.
Knob does not fit the hole	Pilot hole is too small or too large.	Ensure the pilot hole size matches the knob's screw diameter. If too small, carefully enlarge. If too large, consider using a small amount of adhesive or a different knob.
Knob appears tarnished or dull	Accumulation of dust or exposure to moisture.	Wipe gently with a soft, dry cloth. Avoid harsh cleaning agents.

9. Warranty and Support

Luqeeg products are manufactured with attention to quality. While specific warranty details are not provided in this manual, please retain your proof of purchase.
