

JAKI JK2685

JAKI Roses Flower Bouquet Building Set (Model JK2685) Instruction Manual

Model: JK2685 | Brand: JAKI

INTRODUCTION

Thank you for choosing the JAKI Roses Flower Bouquet Building Set, Model JK2685. This set allows you to construct a beautiful and lasting flower bouquet using high-quality building blocks. This manual provides step-by-step instructions for assembly, usage, and care to ensure a satisfying experience with your new decorative item.

SAFETY INFORMATION

- This product contains small parts and is not suitable for children under 8 years of age due to choking hazards.
- Keep all packaging materials away from children.
- Ensure all pieces are securely connected during assembly to prevent accidental detachment.
- Do not expose the building blocks to extreme temperatures or direct sunlight for prolonged periods, as this may cause material degradation or discoloration.

PACKAGE CONTENTS

Please verify that all components are present before beginning assembly:

- Building blocks for 3 Red Roses
- Building blocks for leaves and accent foliage
- Packaging materials (e.g., wrapping paper, ribbon)
- Instruction Manual

If any parts are missing or damaged, please contact customer support.

SETUP AND ASSEMBLY

Follow these steps to assemble your JAKI Roses Flower Bouquet:

1. **Unpack Components:** Carefully remove all building blocks and packaging materials from the box. Sort the pieces by color and type to facilitate assembly.
2. **Assemble Roses:** Begin by constructing the three red rose blooms according to the detailed diagrams provided in the included instruction booklet. Pay attention to the petal layering for a realistic appearance.
3. **Attach Leaves and Stems:** Once the rose blooms are complete, attach the green leaf elements and stem pieces. The stems are designed with adjustable lengths, allowing for customization.
4. **Add Accent Foliage:** Integrate the additional accent foliage pieces to enhance the bouquet's natural look. These pieces can be positioned as desired.
5. **Arrange the Bouquet:** Gather the assembled roses and foliage. Use the provided packaging materials, such as wrapping paper and ribbon, to arrange and secure your bouquet. Experiment with different arrangements to achieve your preferred aesthetic.

Image: A person's hands carefully positioning the building block flowers and leaves into the bouquet's wrapping, illustrating the final arrangement step.

OPERATING AND USAGE

Your JAKI Roses Flower Bouquet is designed as a decorative item. Once assembled, you can:

- **Display:** Place the bouquet in a vase, on a shelf, desk, or any surface where you wish to add a touch of elegance.
- **Adjust:** The petals, leaves, and stem lengths are positionable and adjustable. Gently manipulate them to achieve your desired look and fit for your display space.
- **Reconfigure:** You can disassemble and reassemble the bouquet or individual flowers to create new arrangements or combine them with other compatible building block sets.

MAINTENANCE

To keep your JAKI Roses Flower Bouquet looking its best:

- **Dusting:** Regularly dust the bouquet with a soft, dry cloth or a soft brush to prevent dust accumulation.
- **Cleaning:** For more thorough cleaning, gently wipe the blocks with a damp cloth and mild soap solution. Avoid harsh chemicals or abrasive cleaners. Ensure the blocks are completely dry before reassembling or storing.
- **Storage:** If disassembling for storage, keep the blocks in a clean, dry container away from direct sunlight and extreme temperatures to preserve their color and integrity.

TROUBLESHOOTING

If you encounter any issues during assembly or use, consider the following:

- **Missing Pieces:** Double-check all packaging materials. If a piece is genuinely missing, refer to the "Support Information" section to contact customer service for assistance.
- **Difficulty Assembling:** Review the instruction booklet carefully. Ensure you are using the correct pieces for

each step and that they are oriented correctly. Building blocks require firm, but gentle, pressure to connect.

- **Loose Connections:** If parts feel loose, ensure they are fully pressed together. Some connections may require more force than others.
