VIAGDO B0C61JDHGF

VIAGDO Rustic Brown Nightstands with LED Lights and Charging Station

Model: B0C61JDHGF

Introduction

Thank you for choosing the VIAGDO Rustic Brown Nightstands. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure safe and efficient use of your new nightstands. Each nightstand features multi-color RGB LED backlighting, a built-in charging station with AC outlets and USB ports, and three storage drawers.

Safety Information

- Read all instructions carefully before assembly and use.
- Keep small parts away from children during assembly.
- Ensure all connections are secure before plugging in the charging station.
- Do not overload the electrical outlets.
- Place the nightstand on a flat, stable surface.
- Wipe with a damp cloth for cleaning; avoid harsh chemicals.

Package Contents

Please verify that all components listed below are present before beginning assembly. Refer to the assembly video for visual guidance on parts identification.

Video: Installation Video on VIAGDO 3 Drawer Nightstand. This video demonstrates the assembly process and identifies various components.

Included Components:

- Nightstand Frame (Metal)
- Engineered Wood Panels (for top, shelves, and drawers)
- 3 Drawers with Metal Handles

- Charging Station (2 AC Outlets, 2 USB Ports, 1 On/Off Switch)
- LED Light Strip with Controller
- 2 Hanging Hooks
- Adjustable Feet
- Assembly Hardware (screws, dowels, etc.)
- Installation Tools (Allen wrench)

Setup and Assembly Instructions

Follow these steps carefully for proper assembly. It is recommended to assemble on a soft, clean surface to prevent scratches.

Video: VIAGDO 3 Drawer Nightstand with Charging Station & Lights. This video provides an overview of the nightstand's features and assembly.

1. **Unpack and Identify Parts:** Carefully unpack all components and compare them with the package contents list and the diagrams in the assembly video.
2. **Assemble Drawer Slides:** Attach the drawer slides to the side panels (parts 7 and 8) and the drawer bases (parts 16 and 17) using screws (A) and (G) as shown in the video.
3. **Construct Drawer Boxes:** Assemble the drawer boxes using panels (9, 10, 11, 12, 13) and secure with screws (D). Attach the metal handles (H) to the drawer fronts.
4. **Assemble Main Frame:** Connect the metal frame components (1, 15) and attach the main shelves (6, 14) using screws (A) and (M).
5. **Install Charging Station:** Secure the charging station (F) into the designated slot on the top shelf (6) using screws (O).
6. **Install LED Lights:** Attach the LED light strip (K) to the underside of the top shelf using clips (L) and screws (G). Connect the power cable.
7. **Insert Drawers:** Carefully slide the assembled drawers into their respective tracks on the main frame.
8. **Attach Hooks:** Install the hanging hooks (P) to the top shelf as desired.
9. **Adjust Feet:** Adjust the leveling feet (E) at the bottom of the nightstand to ensure stability on uneven floors.

Operating Instructions

Charging Station

The integrated charging station provides convenient power access for your devices.

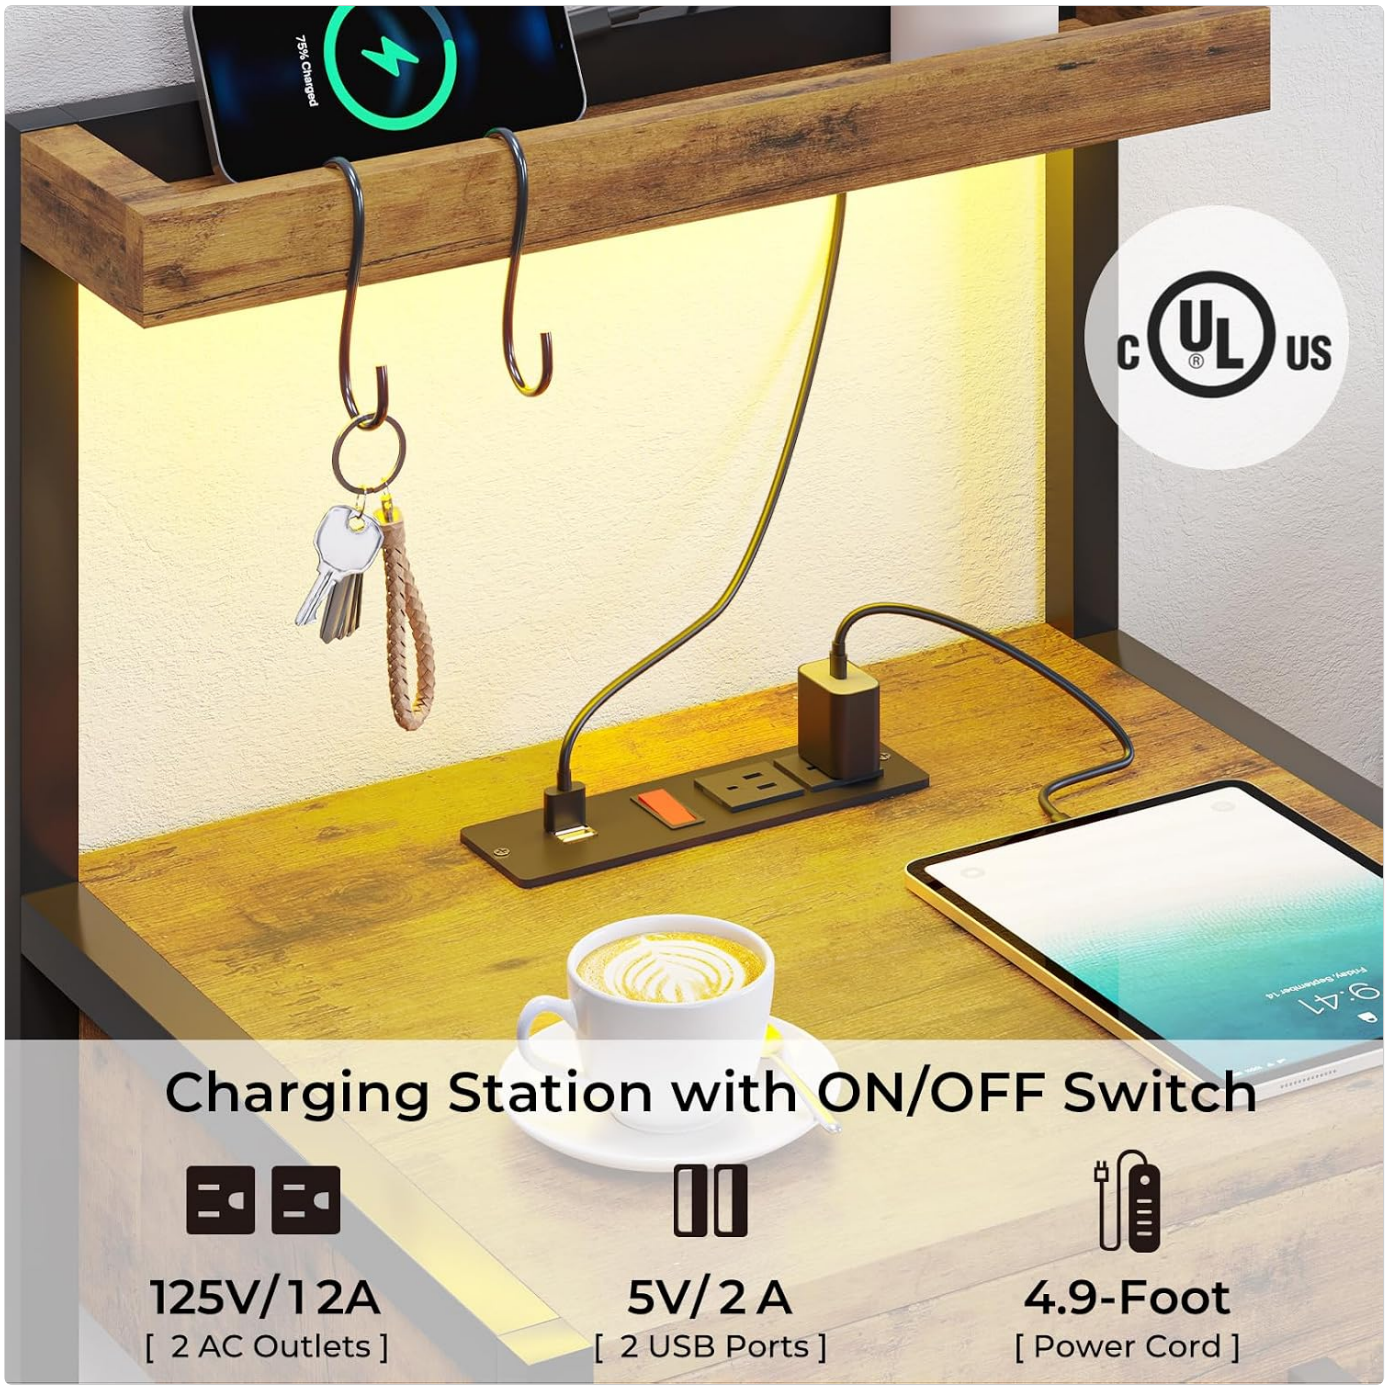

Image: A detailed view of the charging station, highlighting the 2 AC outlets (125V/12A) and 2 USB ports (5V/2A), along with the on/off switch.

- Plug the nightstand's 4.9ft power cable into a wall outlet.
- Use the red on/off switch on the charging station to activate or deactivate power to the outlets and USB ports.
- Connect mobile devices, lamps, laptops, or other electronics to the 2 AC outlets or 2 USB ports for charging.

LED Lights

The nightstand features multi-color RGB LED backlighting for customizable ambiance.

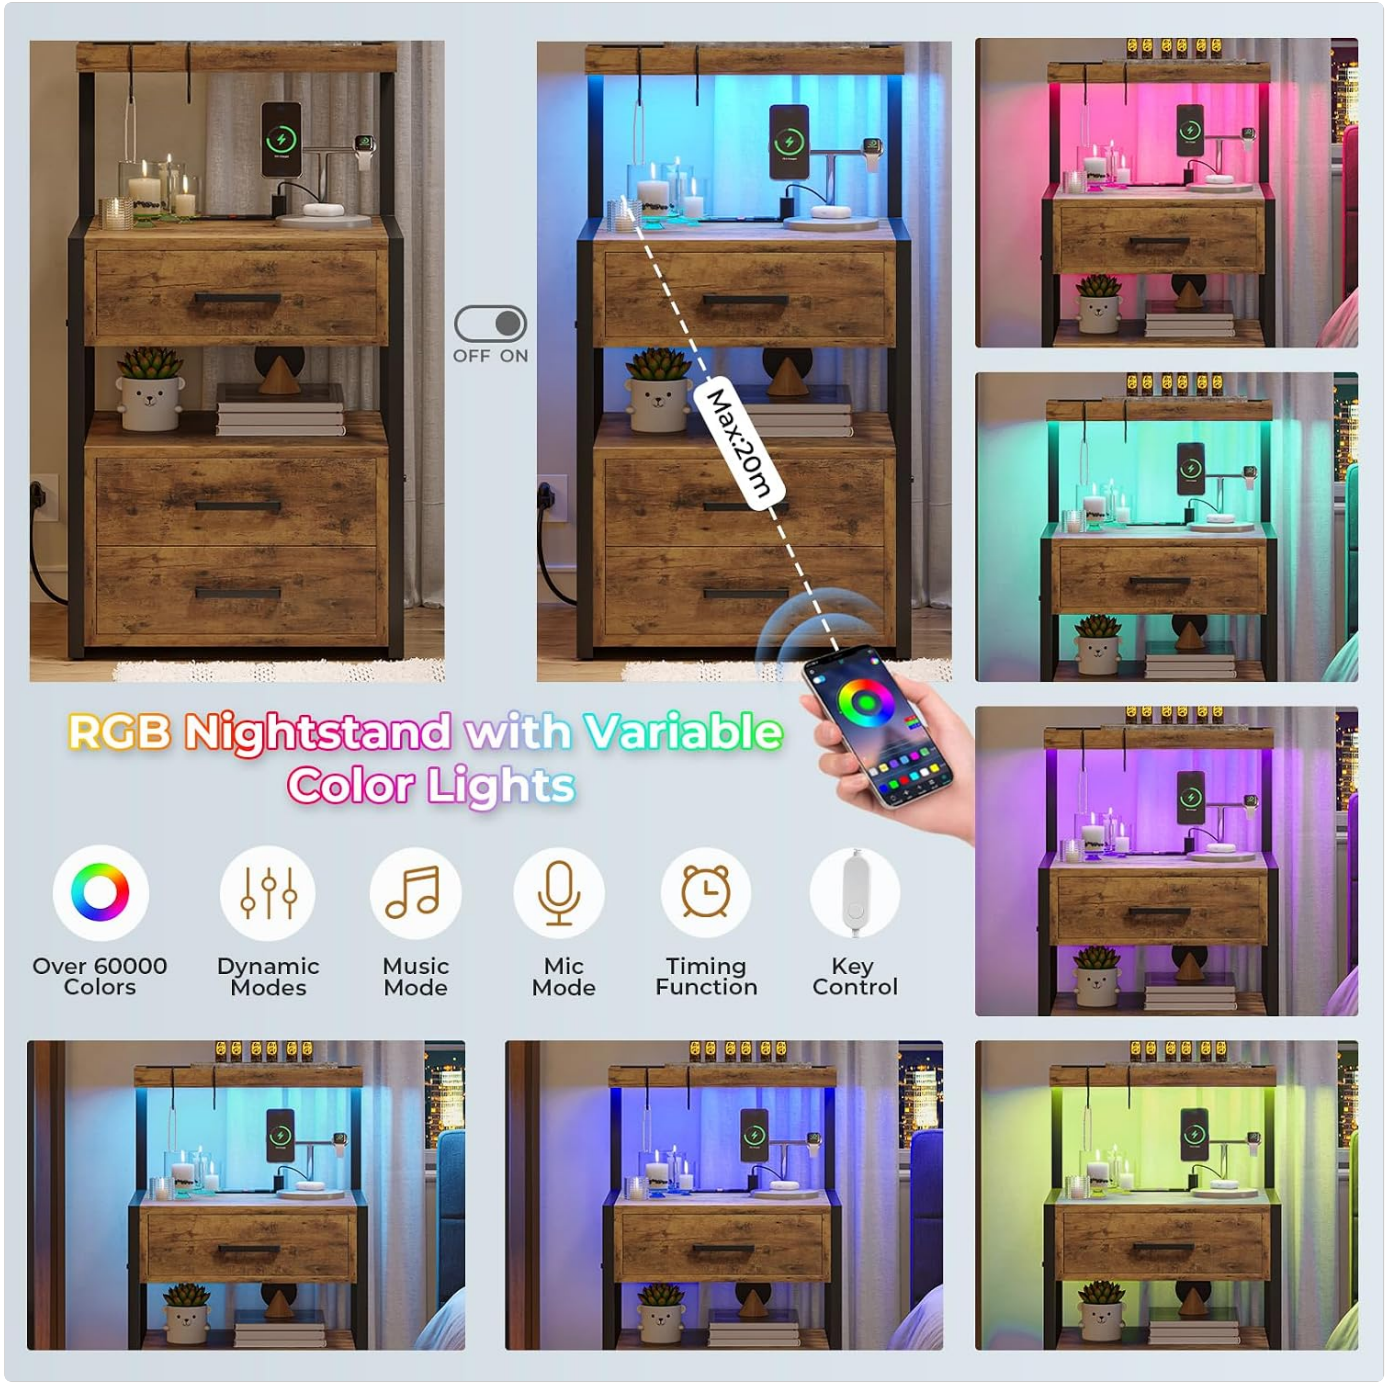

Image: The nightstand showcasing its RGB LED lights in different colors, illustrating control options via a key control button or mobile application, with features like 60,000+ RGB colors, 29 dynamic modes, music sync, and timing function.

- The LED lights are controlled by a button on the light strip cable or via a mobile application.
- Choose from over 60,000 RGB colors and 29 dynamic modes to suit your preference.
- Utilize the built-in microphone feature for lights to beat and flash in time with music.
- Set a timing function for automatic light control.

Maintenance

Proper care will extend the life and appearance of your nightstands.

- **Cleaning:** Wipe the surface with a soft, damp cloth. Avoid using abrasive cleaners or harsh chemicals that may damage the finish.
- **Dusting:** Regularly dust with a dry, soft cloth.

- **Spills:** Immediately blot any spills with a clean, dry cloth to prevent staining.
- **Hardware:** Periodically check and tighten all screws and connections to ensure stability.
- **Electrical Components:** Ensure the charging station and LED lights are kept dry. Do not attempt to repair electrical components yourself.

Troubleshooting

If you encounter any issues, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Charging station not working	Power switch off, not plugged in, overloaded circuit.	Ensure power cable is securely plugged into a wall outlet. Turn the red on/off switch to 'on'. Reduce the number of devices connected. Check household circuit breaker.
LED lights not turning on	LED strip not connected, power issue, controller malfunction.	Ensure the LED strip is properly connected to the USB port. Check if the charging station is powered on. Try pressing the button on the light strip cable.
Drawers are stiff or not sliding smoothly	Improper assembly of drawer slides, debris in tracks.	Recheck drawer slide installation according to assembly instructions. Clear any debris from the drawer tracks.
Nightstand is wobbly	Uneven floor, loose connections.	Adjust the leveling feet at the bottom of the nightstand. Tighten all assembly screws.

Specifications

- **Brand:** VIAGDO
- **Model:** B0C61JDHGF
- **Color:** Rustic Brown
- **Material:** Engineered Wood, Metal
- **Product Dimensions:** 15.7"D x 17.7"W x 34.6"H
- **Item Weight:** 37.8 Pounds
- **Number of Drawers:** 3
- **Charging Station:** 2 AC Outlets (125V/12A), 2 USB Ports (5V/2A), 4.9ft Power Cable
- **LED Lights:** Multi-Color RGB, 60,000+ colors, 29 dynamic modes, music sync, timing function
