

Joseph Joseph 70571

Joseph Joseph Duo Large Shower Caddy (Model 70571) Instruction Manual

INTRODUCTION

The Joseph Joseph Duo Large Shower Caddy is designed to provide organized storage for your shower essentials. This caddy features movable dividers for flexible organization, a hanging hook for sponges or flannels, and a self-draining design to prevent water accumulation. It is engineered for easy, tool-free installation using powerful suction cups, allowing for repositioning without damaging surfaces.

Key Features:

- Easy tool-free installation with super-grip suction cups.
- Movable dividers for customizable storage compartments.
- Integrated hanging hook for sponges and flannels.
- Self-draining design to keep contents dry and clean.
- Constructed from durable ABS, Polypropylene, TPE, and Stainless Steel.

SAFETY INFORMATION

- For bathroom use only.
- Not suitable for mounting onto mosaic, textured, or beveled tiles.
- Do not store valuable or irreplaceable items on the caddy.
- Wash and dry by hand only.

SETUP AND INSTALLATION

Follow these steps for proper installation of your shower caddy:

1. **Prepare the Surface:** Choose a suitable flat, tiled, or glass surface. Ensure the mounting surface is clean and completely dry. Avoid any grout lines.
2. **Position the Caddy:** Slightly loosen the knobs on the back of the suction cups. Place the caddy onto the prepared wall, ensuring it is horizontal.

3. **Secure the Suction Cups:** Push each knob firmly against the wall and then tighten to stick the suction cups securely.

For maximum suction and to maintain stability, it is recommended to remove, wipe, and reapply the suction cups every 3 months.

OPERATING INSTRUCTIONS

The Joseph Joseph Duo Large Shower Caddy is designed for versatile storage in your shower.

- **Using Movable Dividers:** The caddy includes two movable dividers. These can be inserted into the slots within the caddy to create separate compartments, allowing you to organize items like soap bars, shower gels, and shampoo bottles efficiently. Adjust their positions as needed to accommodate different sized products.

- **Utilizing the Hanging Hook:** A dedicated hanging hook is provided for items such as sponges, loofahs, or flannels. Simply attach your item to the hook for convenient access and drying.

- 1 Choose a suitable flat tiled or glass surface, avoiding any grout lines. Ensure mounting surface is clean and dry.

- 2 Slightly loosen knobs on back of suckers. Place caddy onto wall, ensuring it is horizontal.

- 3 Push each knob and tighten to stick suckers firmly to wall. For maximum suction, remove, wipe and reapply suckers every 3 months.

MAINTENANCE

To ensure the longevity and hygiene of your Joseph Joseph Duo Large Shower Caddy, please follow these maintenance guidelines:

- **Cleaning:** Wash and dry the caddy by hand. Do not use abrasive cleaners or scrubbers, as these may damage the surface.
- **Suction Cup Care:** As mentioned in the setup instructions, periodically remove the caddy, clean both the suction cups and the mounting surface, and reapply to maintain strong adhesion.

TROUBLESHOOTING

If you encounter issues with your shower caddy, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Caddy does not stick to the wall or falls off.	• Surface is not clean or dry. • Surface is not flat (e.g., mosaic, textured, or beveled tiles). • Suction cups are dirty or worn. • Knobs are not tightened sufficiently. • Overloaded caddy.	• Ensure the mounting surface is perfectly clean, dry, and flat. • Verify the surface is suitable (flat tile or glass, no grout lines). • Clean suction cups and surface thoroughly. • Ensure knobs are fully tightened after pressing the suction cups. • Reduce the weight of items stored in the caddy (maximum 10 lbs). • Reapply suction cups every 3 months.
Water accumulates in the caddy.	Drainage holes are blocked.	Clean the drainage holes at the bottom of the caddy to ensure they are free from debris.

SPECIFICATIONS

Feature	Detail
Model Number	70571
Brand	Joseph Joseph
Material	ABS (80%), Polypropylene (15%), TPE (4%), Stainless Steel (1%)
Color	White
Product Dimensions (D x W x H)	5.31" x 10.51" x 5.04" (13.5cm x 26.7cm x 12.8cm)
