Doripel Lyon 24502

Doripel Lyon Single Wardrobe User Manual

Model: Lyon 24502

1. INTRODUCTION

Thank you for choosing the Doripel Lyon Single Wardrobe. This wardrobe features two sliding doors, two internal drawers, and two integrated mirrors, designed for efficient storage in smaller spaces. Constructed from MDP with a semi-gloss UV finish, it offers both durability and a modern aesthetic. This manual provides essential information for safe assembly, proper use, and effective maintenance of your new furniture.

Image 1.1: Front view of the Doripel Lyon Single Wardrobe. The wardrobe is white with two sliding doors, one of which features a full-length mirror. Brown handles are visible on both doors.

2. SAFETY INSTRUCTIONS

- **Assembly:** Always assemble the wardrobe on a soft, clean surface to prevent scratches. It is recommended that two adults perform the assembly.
- **Stability:** Ensure all fasteners are securely tightened. If wall-mounting hardware is provided, it is highly recommended to anchor the wardrobe to a wall to prevent tipping, especially in households with children or pets.
- **Weight Distribution:** Distribute weight evenly across shelves and drawers. Avoid placing excessively heavy items on top shelves or in drawers to maintain stability.
- **Mirrors:** Handle mirror components with care during assembly. Avoid striking the mirrors with hard objects.
- **Ventilation:** Ensure adequate ventilation in the room where the wardrobe is placed, especially if it contains clothing or other items that require air circulation.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- MDP Panels (various sizes for frame, shelves, and drawer components)
- 2 Sliding Doors
- 2 Mirrors (integrated into one of the sliding doors)
- 2 Internal Drawers
- PVC Handles (copper color)
- Plastic Sliding Door Rails
- Metallic Drawer Slides
- Hanging Rod
- Assembly Hardware (screws, dowels, cam locks, etc.)

4. ASSEMBLY INSTRUCTIONS

Assembly of this wardrobe is required. Please follow these general steps. Refer to the detailed graphical instructions included in your product packaging for specific part identification and sequence.

1. **Preparation:** Clear a spacious area. Lay out all panels and hardware. Identify each part using the labels or diagrams in your specific assembly guide.
2. **Base Assembly:** Assemble the base frame of the wardrobe. Ensure all connections are firm and square.
3. **Side and Back Panels:** Attach the side panels to the base. Secure the back panel(s) to the frame.
4. **Internal Structure:** Install the fixed shelves and the central divider.
5. **Drawer Assembly:** Assemble the two internal drawers according to the instructions. Install the metallic drawer slides into the wardrobe frame and onto the drawers. Insert the assembled drawers.
6. **Hanging Rod:** Install the hanging rod in its designated position.
7. **Top Panel:** Secure the top panel to complete the main frame.
8. **Sliding Doors:** Attach the PVC handles to the sliding doors. Carefully install the sliding door rails. Mount the sliding doors onto the rails, ensuring they glide smoothly. Adjust as necessary.
9. **Final Check:** Verify all screws and fasteners are tight. Ensure the wardrobe is stable and level.

Image 4.1: Internal view of the Doripel Lyon Single Wardrobe, showing the layout of shelves, hanging space, and two internal drawers. The interior finish is a light wood grain.

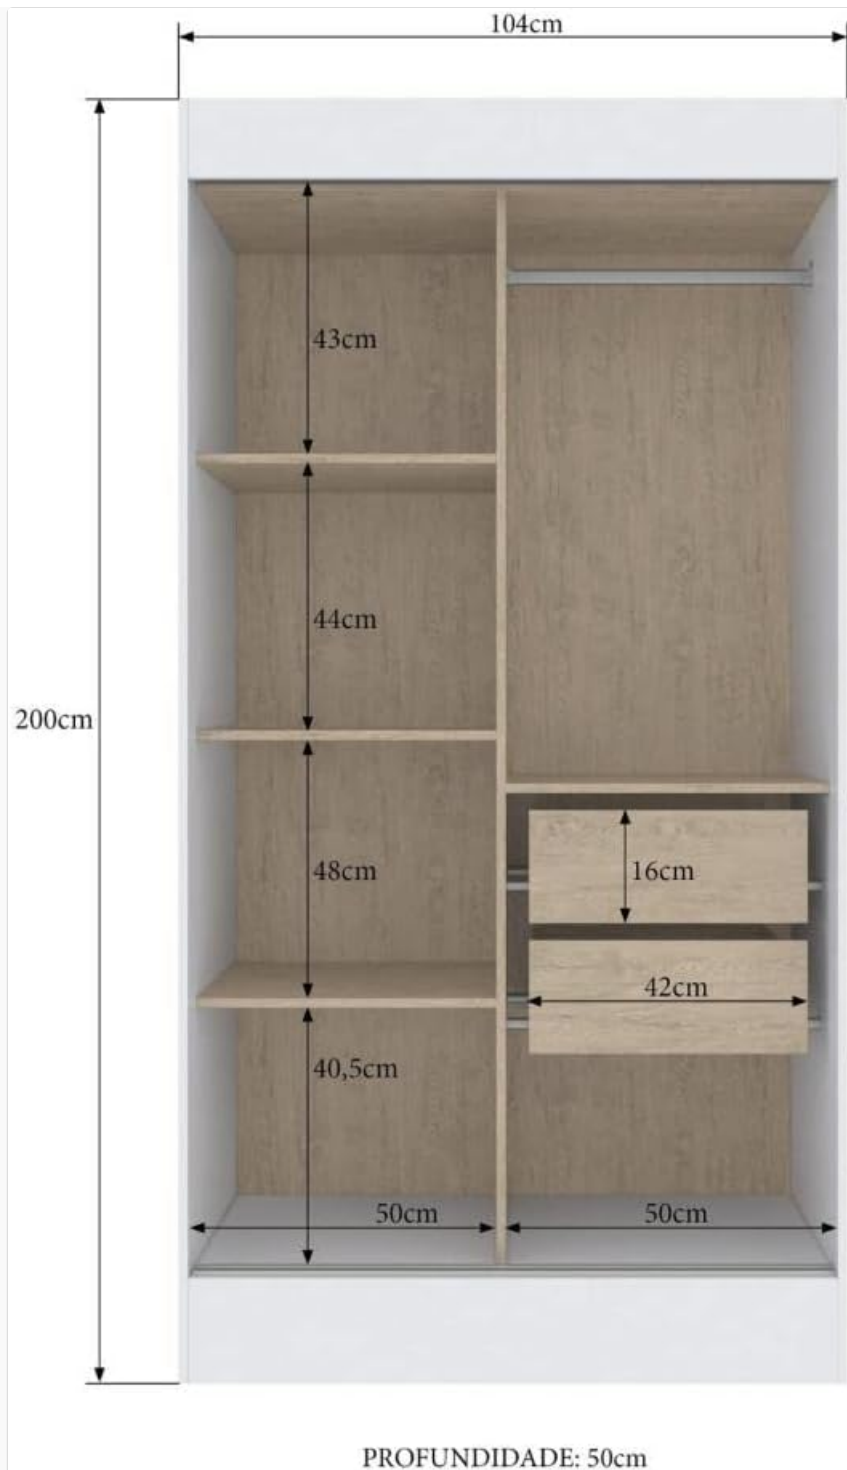

Image 4.2: Technical diagram illustrating the dimensions of the Doripel Lyon Single Wardrobe. The overall height is 200cm, width 104cm, and depth 50cm. Internal shelf heights and drawer dimensions are also indicated.

5. OPERATING INSTRUCTIONS

- **Sliding Doors:** Gently push or pull the doors using the handles to open and close. Avoid forcing the doors, as this can damage the rails or rollers.
- **Drawers:** Pull the drawers out smoothly using the handles. Do not overload drawers to ensure smooth operation and prevent damage to the metallic slides.
- **Mirrors:** The integrated mirrors are for personal use. Avoid leaning against them or applying excessive pressure.

6. MAINTENANCE AND CARE

- **Cleaning:** Wipe surfaces with a soft, damp cloth. For stubborn marks, use a mild, non-abrasive cleaner. Dry immediately with a clean cloth. Avoid harsh chemicals or abrasive materials, which can damage the semi-gloss UV finish.
- **Mirror Care:** Clean mirrors with a glass cleaner and a soft, lint-free cloth. Do not spray cleaner directly onto the mirror; apply it to the cloth first.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten if necessary.
- **Sliding Mechanism:** Keep the sliding door tracks free of dust and debris to ensure smooth operation. You may occasionally wipe the tracks with a dry cloth.
- **Environment:** Avoid exposing the wardrobe to direct sunlight, extreme temperatures, or high humidity, as these can cause material degradation or warping.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Doors do not slide smoothly.	Debris in tracks; misaligned rollers; loose hardware.	Clean tracks. Check roller alignment and tighten any loose screws on door hardware.
Drawers stick or are difficult to open/close.	Overloaded drawer; misaligned slides; debris in slides.	Reduce drawer contents. Check slide alignment and clear any obstructions.
Wardrobe feels unstable or wobbly.	Loose assembly hardware; uneven floor.	Ensure all assembly screws are fully tightened. Use shims under the base if the floor is uneven. Consider wall anchoring if not already done.
Mirror appears distorted or loose.	Improper installation; impact damage.	Check mirror mounting brackets for tightness. If damaged, contact support for replacement options.

8. SPECIFICATIONS
