PACKAGE CONTENTS

Before beginning assembly, ensure all parts are present and undamaged. Refer to the included assembly guide for a complete list of components and hardware.

- All necessary furniture panels for the nightstand body, drawer, and cubby.
- Drawer slides and hardware.
- Brass knob.
- Wall-anchored bolts for installation.
- Assembly Guide.

SETUP AND ASSEMBLY

Estimated assembly time is approximately 70 minutes. It is recommended to have two people for assembly and installation.

Required Tools:

- Packaging carton (as a working surface)
- Philips head screwdriver
- Drill
- 1/4" or 5/16" drill bit

Assembly Steps:

1. Unpack all components and lay them out on a clean, soft surface (e.g., the packaging carton) to prevent scratches.
2. Follow the step-by-step instructions provided in the included Assembly Guide to construct the nightstand body, drawer, and attach the brass knob.
3. Once the nightstand is assembled, identify the desired mounting location on your wall. Ensure the location is suitable for wall-anchored installation and consider stud placement for maximum stability.
4. Use the provided wall-anchored bolts for installation into drywall. If mounting into studs, use appropriate hardware (not included) for secure attachment.
5. Carefully level the nightstand during installation to ensure it is straight and secure.

Important Safety Information: Always follow the provided assembly instructions for safe installation. Do not exceed the maximum weight recommendation of 33 lbs on the tabletop and 11 lbs in the drawer to ensure stability and prevent accidents.

OPERATING AND USE

The Jackson floating nightstand is designed for convenient storage and display in your bedroom or living area.

- **Drawer Use:** The closed drawer provides discreet storage for personal items, books, or small electronics. Gently pull the brass knob to open and push to close.
- **Open Cubby:** The open cubby is ideal for displaying decorative items, storing books, or placing devices that require easy access.
- **Cord Management:** Utilize the integrated cord hole in the open cubby to route charging cables for phones, tablets, or other electronic devices, keeping the surface tidy.
- **Weight Limits:** Adhere strictly to the weight limits: 33 lbs for the tabletop and 11 lbs for the drawer. Overloading can compromise the structural integrity and safety of the unit.

MAINTENANCE AND CARE

To ensure the longevity and appearance of your nightstand, follow these care instructions:

- **Cleaning:** Wipe with a soft, dry cloth or duster.
- **Spills:** Blot spills immediately with a clean, colorfast towel or sponge. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading or discoloration of the wood finish and rattan.
- **Humidity Control:** Maintain a stable humidity level in the room to prevent warping or cracking of the wood.
