SETUP

1. Initial Charging

Before first use, fully charge your tablet. Connect the included USB cable to the tablet's USB Type-C port and the other end to the charger. Plug the charger into a power outlet. The battery indicator on the screen will show charging progress.

2. Powering On/Off

- **To Power On:** Press and hold the Power button located on the side of the tablet until the Dragon Touch logo appears.
- **To Power Off:** Press and hold the Power button until the power options menu appears. Select "Power off" and confirm.
- **To Restart:** From the power options menu, select "Restart" and confirm.

3. Initial Android Setup

Upon first power-on, the tablet will guide you through the initial Android 12 setup process. This includes selecting your language, connecting to a Wi-Fi network, setting up your Google account, and configuring basic settings.

4. Connecting to Wi-Fi

1. Go to **Settings > Network & internet > Wi-Fi**.
2. Toggle **Wi-Fi On**.
3. Select your desired Wi-Fi network from the list.
4. Enter the network password if prompted, then tap **Connect**.

5. Optional Docking Keyboard Connection

The Notepad 102 is compatible with a docking keyboard (sold separately) for enhanced productivity. The tablet features smart absorption technology for a strong and comfortable connection.

OPERATING YOUR TABLET

Navigation and Gestures

- **Tap:** Select an item or open an app.
- **Swipe:** Scroll through screens, web pages, or lists.
- **Pinch-to-Zoom:** Zoom in or out on photos and web pages.
- **Long Press:** Access contextual menus or move app icons.

App Management

The tablet runs on Android 12, providing full access to the Google Play Store. You can download and install a wide variety of applications.

- **Install Apps:** Open the Google Play Store app, search for your desired app, and tap "Install".
- **Uninstall Apps:** Long-press the app icon on the home screen or app drawer, then drag it to "Uninstall" or select "App info" and then "Uninstall".

Camera Usage

The tablet features an 8MP front camera and a 13MP rear camera for photos and video calls.

Storage Management

Your tablet comes with 128GB of internal storage, which can be expanded up to 256GB using a microSD card (not included). To manage your storage:

- Go to **Settings** > **Storage** to view storage usage and free up space.
- Insert a microSD card into the designated slot to expand storage for photos, videos, and other files.

Figure 8: The tablet offers 128GB of internal storage, expandable up to 512GB with a microSD card.

Battery Life

The 6000mAh battery provides extended usage times. For optimal battery performance:

- Charge the tablet fully before first use.
- Avoid extreme temperatures.
- Close unused apps running in the background.
- Adjust screen brightness to a comfortable level.

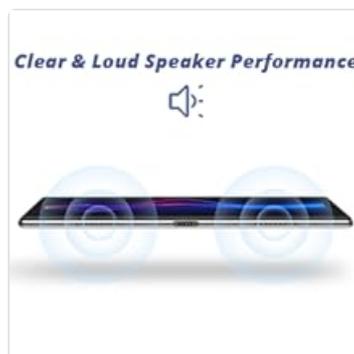

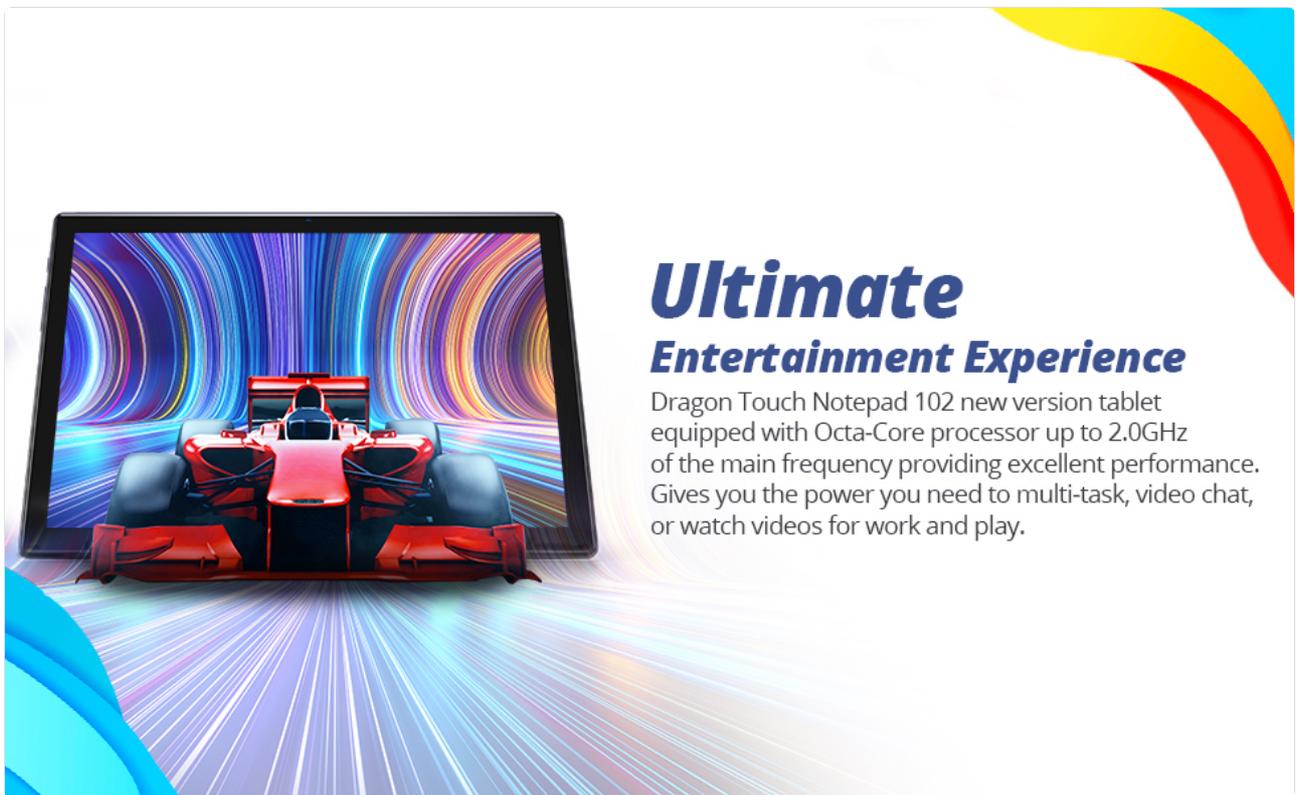

Figure 9: The 6000mAh battery provides up to 6 hours of video playback, 10 hours of daily use, and 15 hours of music playback.

Performance and Display

The Octa-Core 2.0GHz processor and 8GB RAM ensure smooth performance for all your tasks. The 10-inch IPS HD display offers clear and vibrant visuals.

Ultimate Entertainment Experience

Dragon Touch Notepad 102 new version tablet equipped with Octa-Core processor up to 2.0GHz of the main frequency providing excellent performance. Gives you the power you need to multi-task, video chat, or watch videos for work and play.

MAINTENANCE

Cleaning Your Tablet

To keep your tablet in optimal condition:

- Use a soft, lint-free cloth to clean the screen and body.
- Avoid using harsh chemicals or abrasive materials.
- Do not spray cleaners directly onto the screen.

Software Updates

Regularly check for and install system updates to ensure your tablet has the latest features, security patches, and performance improvements.

- Go to **Settings > System > System update**.
- Follow the on-screen instructions to download and install any available updates.

Battery Care

To prolong battery life:

- Avoid fully discharging the battery frequently.
- Do not leave the tablet plugged in for extended periods after it's fully charged.
- Store the tablet in a cool, dry place when not in use for long periods.

TROUBLESHOOTING

This section addresses common issues you might encounter with your Dragon Touch Notepad 102 tablet.

Tablet Not Turning On

- **Check Battery:** Ensure the tablet is charged. Connect the charger and wait a few minutes before attempting to power on.
- **Hard Reset:** Press and hold the Power button for 10-15 seconds to force a restart.

Wi-Fi Connectivity Issues

- **Restart Router:** Power cycle your Wi-Fi router.
- **Forget Network:** Go to Wi-Fi settings, forget the network, and reconnect.
- **Check Signal:** Ensure you are within range of your Wi-Fi router.

Apps Crashing or Freezing

- **Close App:** Force close the app from recent apps or through Settings > Apps.
- **Clear Cache:** Go to Settings > Apps > [App Name] > Storage & cache > Clear cache.
- **Update App:** Ensure the app is updated to its latest version from the Google Play Store.
- **Restart Tablet:** A simple restart can often resolve temporary software glitches.

Slow Performance

- **Close Background Apps:** Too many apps running can slow down the tablet.
- **Free Up Storage:** Delete unnecessary files or apps to free up space.
- **Factory Reset:** As a last resort, if issues persist, you may perform a factory reset (Settings > System > Reset options > Erase all data). **Warning: This will erase all data on your tablet. Back up important information first.**
