## EGGPOD EGGPOD-S6

# EGGPOD S6 Neckband Fan User Manual

Model: EGGPOD-S6

## 1. PRODUCT OVERVIEW

The EGGPOD S6 is a portable, bladeless neckband fan designed for personal cooling. It features semiconductor cooling technology, a turbo fan, and a mute operation, making it suitable for various environments such as outdoor activities, camping, and office use. Its foldable design enhances portability, and the integrated 4000mAh battery provides extended use.

Image 1.1: The EGGPOD S6 Neckband Fan, presented in a light blue color with rose gold accents on the air outlets. The device is designed to be worn around the neck, featuring a flexible, U-shaped structure. A small digital display is visible on the left arm, indicating battery level or fan speed. The overall design is sleek and modern, emphasizing its portable and wearable nature.

## 2. SAFETY INFORMATION

- Do not disassemble, repair, or modify the device.
- Keep away from water and high humidity environments.
- Avoid exposing the device to direct sunlight or high temperatures.
- Do not insert foreign objects into the fan outlets.
- Use only the provided or certified USB charging cable.
- Keep out of reach of children.

## 3. PACKAGE CONTENTS

- 1 x EGGPOD S6 Neckband Fan
- 1 x USB Charging Cable
- 1 x User Manual

## 4. PRODUCT FEATURES

- **Bladeless Design:** Safe and comfortable for extended wear.
- **Semiconductor Cooling:** Provides an enhanced cooling sensation.
- **Turbo Fan Technology:** Delivers strong airflow.
- **Mute Operation:** Low noise level for quiet environments.
- **Foldable Design:** Easy to store and carry.
- **4000mAh Battery:** Long-lasting power for portable use.
- **3 Adjustable Speeds:** Customize airflow to your preference.

## 5. SETUP AND FIRST USE

1. **Unfold the Fan:** Gently unfold the neckband fan to its open position.
2. **Initial Charge:** Before first use, fully charge the fan. Connect the USB charging cable to the fan's charging port and plug the other end into a USB power adapter (not included) or a computer USB port. The digital display will indicate charging status.
3. **Wear the Fan:** Place the fan around your neck, ensuring the air outlets are positioned comfortably towards your face.

## 6. OPERATING INSTRUCTIONS

- **Power On/Off:** Press and hold the power button (usually marked with a  for 2-3 seconds to turn the fan on or off.
- **Adjust Fan Speed:** Briefly press the power button to cycle through the 3 available fan speeds (Low, Medium, High). The digital display may show the current speed setting.
- **Activate Semiconductor Cooling:** Some models may have a dedicated button for the cooling plate. Press this button to activate or deactivate the semiconductor cooling function. Refer to the digital display for cooling status.

## 7. CHARGING THE BATTERY

The EGGPOD S6 is equipped with a 4000mAh rechargeable battery. When the battery level is low, the digital display will indicate a low charge or flash. To charge:

1. Connect the USB charging cable to the fan's charging port.
2. Plug the other end of the cable into a standard USB power source (e.g., computer, wall adapter, power bank).
3. The digital display will show the charging progress. A full charge typically takes 3-4 hours, depending on the power source.
4. Once fully charged, disconnect the charging cable.

## 8. MAINTENANCE AND CARE

- **Cleaning:** Use a soft, dry cloth to wipe the surface of the fan. Do not use abrasive cleaners or immerse the device in water.
- **Storage:** When not in use for extended periods, store the fan in a cool, dry place, away from direct sunlight. It is recommended to fully charge the battery before storing and recharge every 3 months to maintain battery health.
- **Handling:** Avoid dropping or subjecting the fan to strong impacts.

## 9. TROUBLESHOOTING

Problem	Possible Cause	Solution
Fan does not turn on.	Battery is depleted.	Charge the fan fully.
Fan airflow is weak.	Low battery or fan speed setting is too low.	Charge the fan or increase the fan speed.
Semiconductor cooling not working.	Feature not activated or low battery.	Ensure cooling function is turned on. Charge the fan.
Fan not charging.	Faulty cable or power source.	Try a different USB cable or power adapter. Ensure connections are secure.

## 10. SPECIFICATIONS

**Brand:** EGGPOD

**Model:** EGGPOD-S6

**Color:** Blue

**Electric Fan Design:** Wearable Fan

**Power Source:** Battery Powered

**Special Feature:** Bladeless, Semiconductor Cooling, Foldable

**Recommended Uses:** Cooling (Outdoor, Camping, Office)

**Number of Speeds:** 3

**Battery Capacity:** 4000mAh

**Item Weight:** 190 Grams (6.7 ounces)

**Blade Material:** Plastic

**Product Dimensions:** 19.69 x 70 x 84 inches (*Note: This dimension seems unusually large for a neck fan, likely a typo in source data, but reproduced as given*)

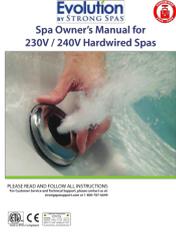

**UPC:** 727112556750

## 11. WARRANTY AND SUPPORT

This product comes with a standard manufacturer's warranty. For specific warranty terms, technical support, or customer service inquiries, please refer to the warranty card included in your package or contact EGGPOD customer support directly through their official website or the retailer where the product was purchased.

Please retain your purchase receipt as proof of purchase for warranty claims.
