CYKOV CY59H

CYKOV Ergonomic Office Chair Model CY59H User Manual

Your Guide to Comfort and Productivity

1. Introduction

Thank you for choosing the CYKOV Ergonomic Office Chair Model CY59H. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure optimal use and longevity of your chair. Please read this manual thoroughly before assembly and use.

2. Important Safety Information

- **Maximum Weight Limit:** The chair is designed to support a maximum weight of 136.08 kilograms (300 pounds). Do not exceed this limit.
- **Assembly:** Follow all assembly instructions carefully. Ensure all screws and bolts are securely tightened before use.
- **Adjustable Features:** Use adjustable features such as height, tilt, and recline with caution. Ensure proper balance when adjusting.
- **Product Care:** Refer to the maintenance section for proper cleaning and care to prevent damage.
- **Children:** Keep children away from the chair during assembly. Do not allow children to play on or with the chair.

3. Package Contents

Verify that all components are present before beginning assembly:

- Office Chair Components
- Assembly Instructions Manual
- Necessary Tools for Assembly
- 5-Year Warranty Information

4. Assembly Instructions

The CYKOV Ergonomic Office Chair is designed for straightforward assembly, typically taking approximately 20 minutes. All necessary tools and instructions are included in the package.

4.1. General Assembly Overview

The assembly process involves attaching the chair base, gas lift, seat, backrest, armrests, and headrest. Ensure all connections are secure.

Figure 1: Fully assembled CYKOV Ergonomic Office Chair.

4.2. Key Components for Assembly

Figure 2: Illustration of key components such as the BIFMA certified Class 4 gas cylinder, mute non-slip wear-resisting casters, durable corrosion-resistant base, and thickened steel mechanism.

5. Operating Instructions

Your CYKOV Ergonomic Office Chair offers multiple adjustable features to customize your seating experience for maximum comfort and support.

5.1. Seat Height Adjustment

To adjust the seat height, locate the lever under the seat on the right side. Pull the lever upwards while applying or releasing body weight to move the seat up or down. Release the lever to lock the height.

Figure 3: The seat height can be adjusted by 4 inches to ensure your feet are comfortably on the floor.

5.2. Recline Function (90°-135° Tilt)

The chair features a 90°-135° tilt and reclining function with 4 levels of adjustment. Use the lever on the left side under the seat to engage or disengage the recline. Lean back to your desired angle and lock the position by pushing the lever down.

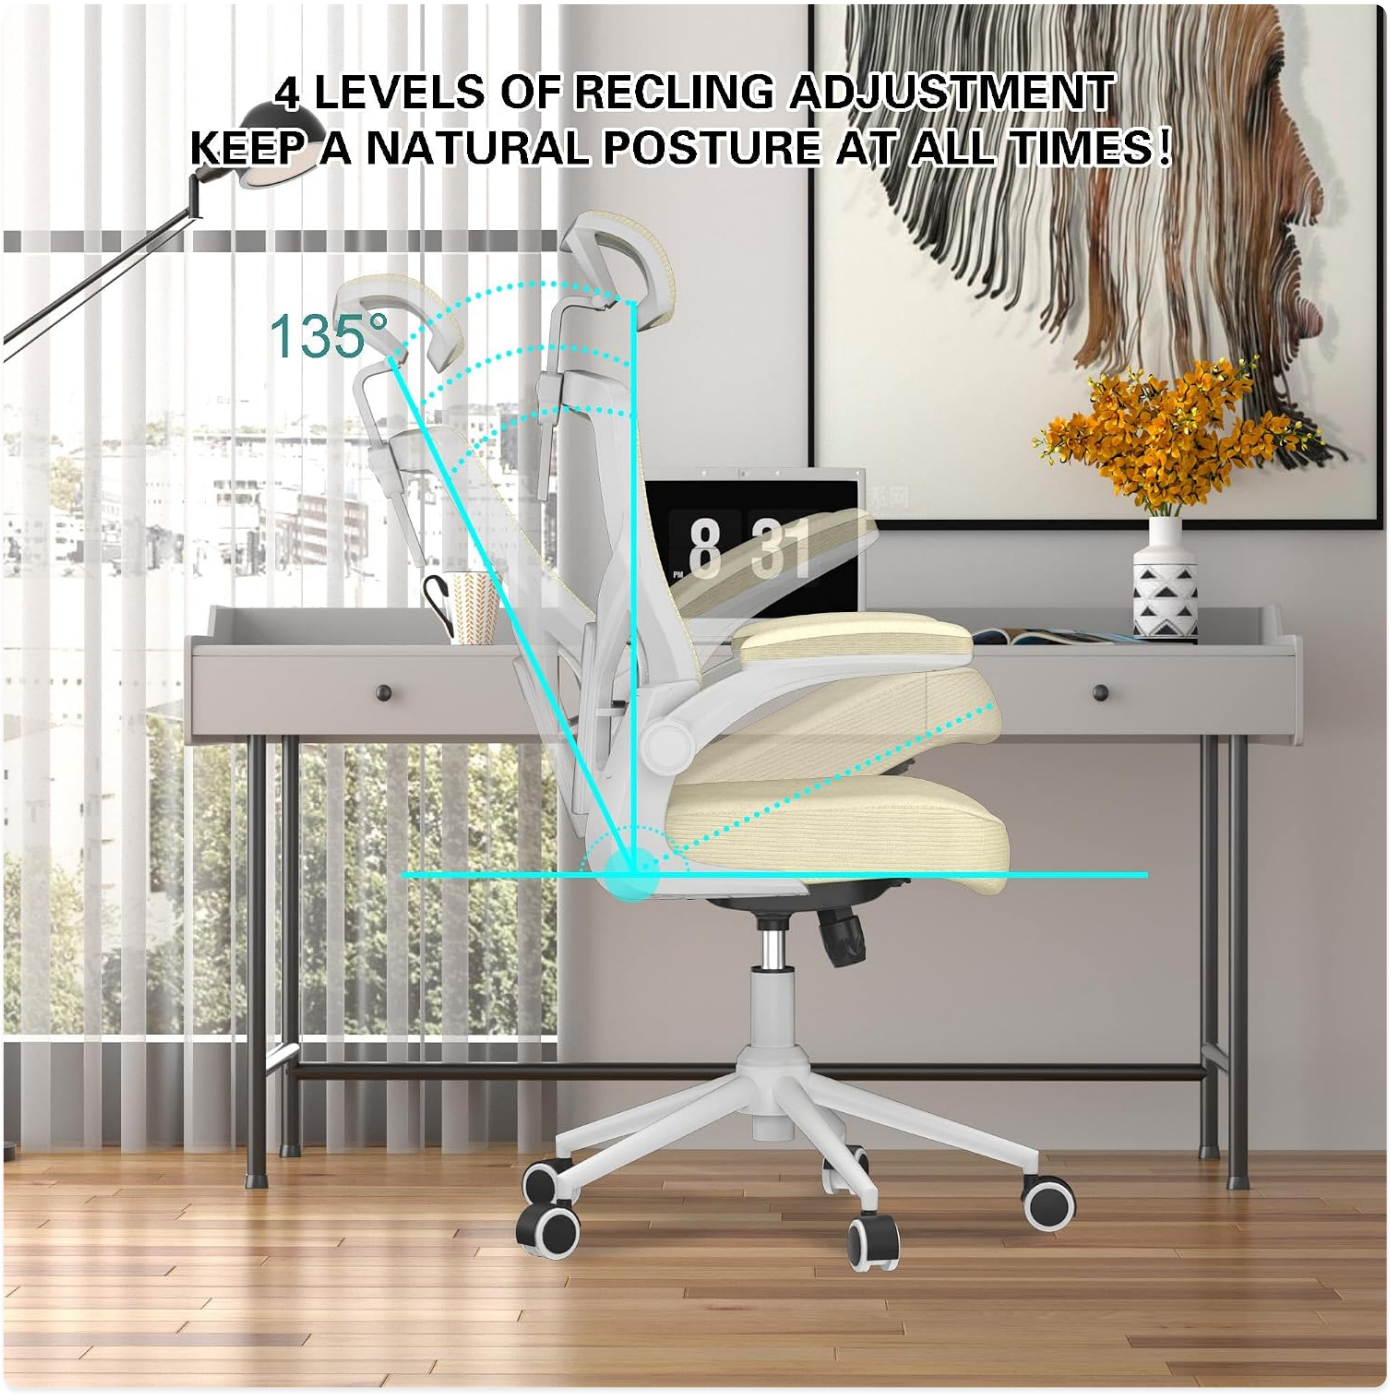

Figure 4: The chair offers 4 levels of reclining adjustment, up to 135 degrees, to maintain a natural posture.

5.3. Headrest Adjustment

The headrest is adjustable by 6 inches in height and can be rotated 60 degrees to provide optimal neck and head support.

Figure 5: The headrest can be adjusted 6 inches vertically and rotated 60 degrees for personalized neck and head support.

5.4. Lumbar Support Adjustment

The chair features a 2-inch adjustable lumbar support to protect your lower spine. Adjust the lumbar support by moving the mechanism on the backrest up or down to find your preferred position.

Figure 6: The Y-shaped back frame incorporates a 2-inch adjustable lumbar support for spinal protection.

5.5. Flip-Up Armrests

The armrests can be flipped up 90 degrees, allowing you to push the chair closer to your desk or save space when not in use.

Figure 7: The 90-degree flip-up armrests allow for space-saving storage under a desk.

5.6. Swivel and Rolling Functionality

The chair features 360-degree swivel and smooth-rolling casters for easy movement across your workspace, especially on hard floors.

6. Maintenance

To maintain the appearance and functionality of your CYKOV Ergonomic Office Chair, follow these care instructions:

- **Spot Clean:** For minor spills or stains, spot clean immediately with a damp cloth and mild soap. Avoid harsh chemicals.
- **Wipe Clean:** Regularly wipe down all surfaces with a soft, dry cloth to remove dust and debris.
- **Casters:** Periodically check and clean the casters to ensure smooth rolling and prevent hair or debris from accumulating.
- **Fasteners:** Occasionally check all screws and bolts to ensure they remain tight. Re-tighten if necessary.

7. Troubleshooting

If you encounter any issues with your chair, refer to the following common troubleshooting tips:

- **Chair Sinks or Does Not Stay Up:** Ensure the height adjustment lever is fully engaged. If the issue persists, the gas lift may need replacement.
- **Squeaking Noises:** Check all bolted connections and tighten any loose fasteners. Applying a small amount of lubricant to moving parts may also help.
- **Difficulty Rolling:** Clean any debris (hair, lint) from the casters. Ensure the chair is on a suitable surface for rolling.
- **Unstable Chair:** Verify that all components are correctly assembled and all screws are tightened. Ensure the chair is on a flat, even surface.

8. Specifications
