MERITLINE Full Size House Bed with Trundle and Storage Shelves - User Manual

Brand: MERITLINE | Model: Full Size House Bed with Trundle and Storage Shelves (B0C69BJ27V)

INTRODUCTION

Thank you for choosing the MERITLINE Full Size House Bed with Trundle and Storage Shelves. This bed is designed to provide a comfortable and imaginative sleeping space for children, featuring a unique house-shaped design, a convenient pull-out trundle for guests, and integrated storage shelves. This manual provides essential information for safe assembly, proper use, and maintenance of your new bed.

SAFETY INFORMATION

- Always follow assembly instructions carefully. Ensure all fasteners are securely tightened before use.
- Do not allow children to climb on the roof structure or other non-designated areas of the bed.
- Ensure the mattress used for the main bed and trundle meets the recommended thickness and size to prevent entrapment hazards.
- Regularly check all bolts and screws to ensure they remain tight. Retighten as necessary.
- Keep small children away from the assembly area to avoid choking hazards from small parts.
- The maximum weight capacity for the main bed is 400 lbs, and for the trundle bed is 250 lbs. Do not exceed these limits.

PACKAGE CONTENTS

Your MERITLINE Full Size House Bed with Trundle and Storage Shelves is shipped in one package. Please refer to the detailed assembly instructions included in the package for a complete list of all parts and hardware. Verify all components are present and undamaged before beginning assembly.

SETUP AND ASSEMBLY

Assembly is required for this product. It is recommended that two adults assemble the bed. Please follow the step-by-

step instructions provided in the included assembly manual. An installation video is also available to guide you through the process.

Assembly Video Guide

This video provides a visual guide for the installation of a Full Size House Bunk Bed, demonstrating general assembly principles applicable to your MERITLINE House Bed. It covers the sequence of attaching various frame components, slats, and safety rails.

Key Assembly Steps (Refer to included manual for full details)

1. **Unpack and Identify Parts:** Lay out all components and hardware. Compare with the parts list in your manual.
2. **Assemble the Main Bed Frame:** Connect the side rails, headboard, and footboard using the provided hardware.
3. **Install Bed Slats:** Securely attach the wooden slats to the bed frame to support the mattress.
4. **Assemble Trundle Bed:** Construct the trundle frame and install its slats and casters.
5. **Attach Storage Shelves:** Mount the storage shelves to the back of the bed frame.
6. **Final Checks:** Ensure all connections are tight and the bed is stable.

OPERATING INSTRUCTIONS

Using the Trundle Bed

The trundle bed is equipped with easy-glide casters for smooth operation. To use, gently pull the trundle frame out from under the main bed. To store, push the trundle back into its position until it is fully tucked away. Ensure no obstructions are in the path of the trundle when moving it.

Utilizing Storage Shelves

The integrated shelves at the back of the bed provide convenient storage for books, small toys, or decorative items. The shelves include a rope to help prevent items from falling. Distribute weight evenly across the shelves and avoid overloading them.

MAINTENANCE

- **Cleaning:** Wipe the bed frame with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners that may damage the finish.
- **Hardware Check:** Periodically inspect all screws, bolts, and connections. Tighten any loose hardware to maintain stability and safety.
- **Wood Care:** Protect the wood from extreme temperature changes and direct sunlight to prevent warping or fading.

TROUBLESHOOTING

- **Squeaking Noises:** Check and tighten all bed frame bolts. Ensure slats are properly seated and secured.

- **Trundle Not Sliding Smoothly:** Inspect casters for debris or damage. Ensure the floor surface is clear and level.
- **Loose Parts:** If any parts become loose, immediately cease use and re-tighten all connections according to the assembly manual.
- **Missing Hardware:** If you find any hardware missing during assembly, please contact customer support.
