VEVOR SR191276

VEVOR SR191276 Kitchen Island Cart User Manual

Model: SR191276

1. Introduction

This manual provides essential information for the assembly, operation, and maintenance of your VEVOR SR191276 Kitchen Island Cart. Designed for versatility and convenience, this mobile kitchen cart features a solid wood top, ample storage with drawers and cabinets, and rolling wheels for easy movement. Please read these instructions thoroughly before assembly and use to ensure safe and efficient operation.

Key features include a durable solid rubber wood top, MDF frame, two drawers, four doors, adjustable shelves, a spice rack, and a towel rack. The cart is equipped with lockable wheels for both mobility and stability.

2. Safety Information

- Always follow assembly instructions carefully.
- Ensure all fasteners are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not exceed the maximum weight recommendation of 300 lbs (136 kg) for the entire unit, 59 lbs (27 kg) for the desktop, 22 lbs (10 kg) per shelf, and 13 lbs (6 kg) per drawer.
- Use the lockable casters to secure the cart in place when not in motion to prevent accidental movement.
- Keep small parts away from children during assembly.
- Avoid placing hot items directly on the wood surface without protection.

3. Package Contents

Verify that all components are present before beginning assembly. If any parts are missing or damaged, contact customer support.

- 1 x Kitchen Island main unit
- 4 x Hooks
- 4 x Metal Guide Rails
- 2 x Metal Door Magnets
- 1 x Hardware Bag (screws, dowels, etc.)
- 1 x Instructions Manual (this document and/or PDF)
- 4 x Wheels (casters)
- 8 x Door Hinges
- 6 x Handles

4. Setup and Assembly

Assembly of the VEVOR Kitchen Island Cart is required and typically takes approximately 2 hours with two people. A detailed PDF user manual with step-by-step diagrams is available for download from the product page or via the provided link: User Manual (PDF).

General Assembly Tips:

- Clear a spacious area for assembly.
- Organize all parts and hardware according to the included instructions.
- Use a manual screwdriver to avoid overtightening screws, which can damage the engineered wood.
- It is recommended to have two people for assembly to ensure stability and ease of handling larger components.
- Follow the numbered steps in the detailed PDF manual for precise assembly.

5. Operating Instructions

5.1 Using the Storage Features

- **Drawers:** Utilize the two smooth-gliding drawers for storing utensils, silverware, or other small kitchen items.
- **Cabinets:** The four-door cabinet provides enclosed storage for larger items such as small appliances, pots, or pantry staples.
- **Adjustable Shelves:** The shelves inside the cabinets can be adjusted at 32mm intervals to accommodate items of various heights. To adjust, remove the shelf, reposition the shelf pins to the desired height, and reinsert the shelf.
- **Spice Rack:** The integrated spice rack on the side offers convenient access to frequently used spices and condiments.
- **Towel Rack:** The towel rack provides a designated spot for kitchen towels or can be used as a handle for moving the cart.

5.2 Mobility and Stability

- The cart is equipped with four 360-degree swivel casters for easy movement across various floor surfaces.
- Two of the casters are lockable. To lock the cart in position, press down on the lever located on the caster. To unlock, lift the lever. Ensure the cart is stable before placing heavy items on it.

6. Maintenance

6.1 Cleaning

- Wipe the cart surfaces with a dry, soft cloth.
- For stubborn marks, use a slightly damp cloth with mild soap, then dry immediately.
- Avoid abrasive cleaners or harsh chemicals, as these can damage the finish.

6.2 Wood Top Care

- The solid rubber wood top is anti-dirt and waterproof, but it is recommended to wipe up spills promptly.
- Use cutting boards when preparing food to protect the surface from cuts and scratches.
- Periodically apply a food-safe wood conditioner or oil to maintain the wood's appearance and longevity.

7. Troubleshooting

- **Cart is wobbly:** Ensure all assembly screws and fasteners are securely tightened. Check that the casters are properly installed and locked if stationary.
- **Drawers do not slide smoothly:** Check that the metal guide rails are correctly installed and free from obstructions. Ensure the drawer contents are not overloaded.
- **Doors do not close properly:** Verify that the hinges are correctly aligned and tightened. Adjust if necessary. Check that the metal door magnets are properly positioned.
- **Difficulty with assembly:** Refer to the detailed PDF instruction manual for visual guidance. Ensure all parts are correctly oriented as shown in the diagrams. It is often helpful to have a second person assist with assembly.

8. Specifications

Feature	Specification
Model Number	SR191276
Product Dimensions (D x W x H)	17.7"D x 35.4"W x 32.7"H (450 x 900 x 830mm)
