INFANS Baby Playpen Instruction Manual

Model: B0C6DZ863F

1. PRODUCT OVERVIEW

The INFANS Baby Playpen is an extra-large activity center designed to provide a safe and engaging play area for toddlers. Measuring 74 inches by 62 inches, it offers ample space for your child to play and explore. This playpen comes equipped with a crawling mat, 50 ocean balls, 4 pull-up rings, a basketball hoop, and 2 football gates, promoting both physical and cognitive development.

Constructed with safety in mind, the playpen features soft, thickened cotton padding on the metal pipes and anti-collision corner protection. Its 27-inch height prevents children from climbing out, while the 360-degree full-vision mesh design allows for easy supervision and provides excellent ventilation. The external zippers ensure that only parents can open the playpen from the outside.

The included folding crawling mat is made from non-toxic, waterproof XPE material, featuring educational patterns and a height scale. The sturdy metal frame and upgraded reinforced connections, along with anti-skid suction cups, ensure optimal stability. This product complies with US CPSIA and ASTM requirements, being free from harmful chemicals.

hazards.

- **Weight Limit:** Do not exceed the recommended weight or age limit for the playpen.
- **Cleaning:** Clean the playpen regularly to maintain hygiene. Refer to the Maintenance section for detailed cleaning instructions.
- **Product Compliance:** This product is compliant with US CPSIA and ASTM requirements, ensuring it is made from non-toxic materials and is free from harmful substances like BPA, PVC, Phthalates, Lead, Latex, and Formaldehyde.

4. SETUP AND ASSEMBLY

Follow these steps carefully to assemble your INFANS Baby Playpen. Assembly typically takes around 30 minutes.

- 1. Unpack Components:** Lay out the fabric cover and all metal pipes and connectors on a clean, flat surface. Organize pipes by length (A, B, C-1, C-2, C-3, D) and connectors by type (1, 2, 3, 4, 5) as indicated in the parts list.
- 2. Assemble Base Frame:** Begin by inserting the longest metal pipes (A and B) into the designated sleeves along the bottom edges of the fabric cover. Connect them using the appropriate corner connectors (Type 1 and 2) and T-connectors (Type 3) to form the rectangular base. Ensure the suction cups on the Type 1 connectors are facing downwards.

3. **Install Vertical Supports:** Insert the vertical metal pipes (D) into the vertical sleeves of the fabric cover. Connect them to the base frame using the remaining Type 3 connectors.
4. **Assemble Top Frame:** Connect the remaining horizontal metal pipes (C-1, C-2, C-3) along the top edges of the fabric cover, using the remaining corner connectors (Type 4) and cross connectors (Type 5). Ensure all connections are secure.
5. **Secure Fabric:** Fasten all hook & loop fasteners on the fabric cover around the metal frame to ensure a snug and secure fit.
6. **Attach Corner Protectors:** Place the padded corner protectors over the top corners of the assembled frame.
7. **Insert Crawling Mat:** Unfold the crawling mat and place it inside the assembled playpen, ensuring it lays flat.
8. **Attach Accessories:** Attach the 4 pull-up rings to the top rail of the playpen at desired locations. Install the basketball hoop and football gates by sliding their support pipes into the designated sleeves on the playpen frame.

5. OPERATING INSTRUCTIONS

The INFANS Baby Playpen is designed for ease of use and maximum safety for your child.

5.1 Accessing the Playpen

The playpen features external zipper doors for controlled access. To open, locate the zippers on the outside of the mesh panels and pull them down. This design ensures that only an adult can open the playpen, preventing children from exiting unsupervised.

All-Round Mesh Design

360° full vision allows focusing on your kids & timely responding to them

5.2 Utilizing Play Features

- **Pull-Up Rings:** The four included pull-up rings can be attached to the top rail to assist your child in learning to stand and pull themselves up.
- **Basketball Hoop:** The small basketball hoop can be used for throwing the included ocean balls, encouraging hand-eye coordination.
- **Football Gates:** The two football gates provide an additional element for active play within the spacious playpen.
- **Ocean Balls:** The 50 colorful ocean balls enhance sensory play and can be used with the basketball hoop or simply for a fun ball pit experience.

5.3 Crawling Mat Usage

The folding crawling mat provides a comfortable and safe surface for play. It is reversible, offering two different patterns (educative patterns with alphabet/animals and a height scale). The waterproof surface makes it easy to clean.

6. MAINTENANCE AND CARE

Proper maintenance will extend the life of your INFANS Baby Playpen and ensure a hygienic environment for your child.

- **Cleaning the Fabric:** The fabric cover and mesh panels can be wiped clean with a damp cloth and mild soap. Do not use harsh chemicals or abrasive cleaners. Allow to air dry completely before folding or storing.
- **Cleaning the Mat:** The XPE crawling mat is waterproof and can be easily wiped clean with a damp cloth. For tougher stains, use a mild soap solution. Ensure the mat is dry before folding.
- **Frame Care:** Wipe down the metal pipes and plastic connectors with a damp cloth as needed.
- **Storage:** When not in use, disassemble the playpen and store all components in the provided carry bag in a cool, dry place, away from direct sunlight.

- **Regular Inspection:** Periodically check all connections, zippers, and fabric for wear and tear. Replace any damaged parts immediately to ensure safety.

7. TROUBLESHOOTING

If you encounter any issues with your INFANS Baby Playpen, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Playpen is unstable or wobbly.	Loose connections or improper assembly.	Ensure all metal pipes are fully inserted into connectors and all hook & loop fasteners are securely fastened. Check that suction cups are properly engaged with the floor.
Zippers are stuck or difficult to operate.	Fabric caught in zipper or zipper misalignment.	Gently pull the fabric away from the zipper teeth. Apply a small amount of zipper lubricant (e.g., wax) if needed.
Mat does not lay flat.	Improper unfolding or temporary creases from storage.	Ensure the mat is fully unfolded and positioned correctly within the playpen. Creases should flatten out with use.
Missing parts after unboxing.	Packaging error.	Contact INFANS customer support immediately with your purchase details.

8. SPECIFICATIONS

Feature	Detail
Product Dimensions	74 x 62 x 27 inches (L x W x H)
Folded Size	22 inches (L) x 18 inches (W) x 8 inches (H)
