HOMEFORT 10-Tier Corner Shoe Tower Instruction Manual

Model: PG-01SR024A | Brand: HOMEFORT

1. PRODUCT OVERVIEW

The HOMEFORT 10-Tier Corner Shoe Tower is designed to maximize vertical storage space in narrow areas. This double-row, slim shoe stand can accommodate approximately 20 pairs of shoes, making it suitable for entryways, hallways, and closets. Its durable wood construction and versatile design allow for customization to fit various shoe types, including boots and high heels.

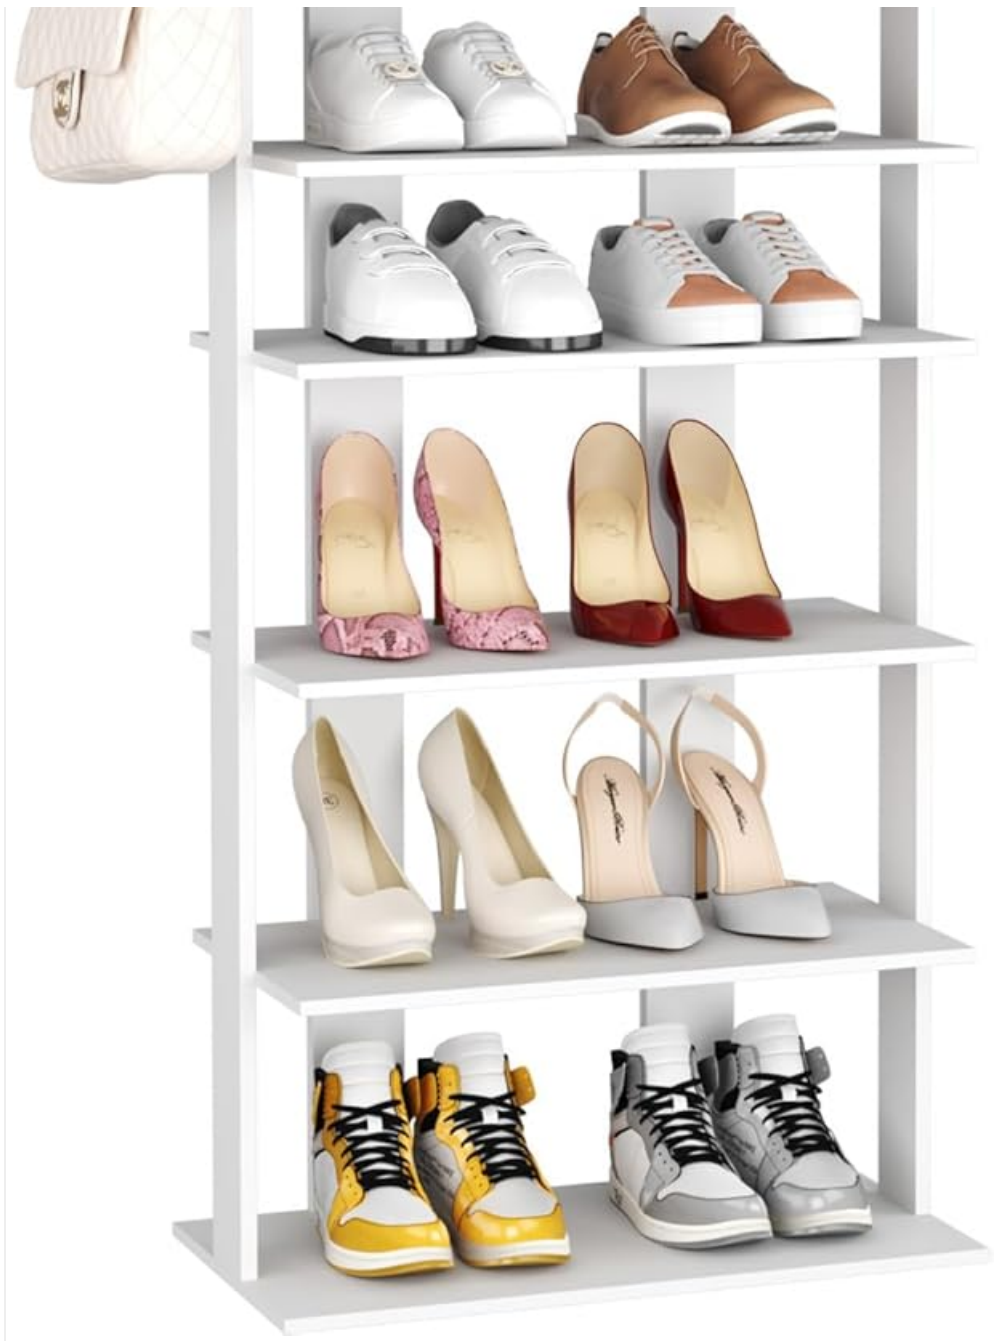

Figure 1: Fully assembled HOMEFORT 10-Tier Corner Shoe Tower.

2. PRODUCT FEATURES

- **Space-Saving Design:** Dimensions of 20.47" W x 11.02" D x 62.2" H make it ideal for narrow corners, entryways, and closets.
- **High Capacity:** Features ten open shelves in double rows, providing storage for approximately 20 pairs of shoes.
- **Adjustable Shelves:** Shelves can be removed to accommodate taller items like boots.
- **Durable Construction:** Made of wood for long-term stability and sturdiness.
- **Varied Shelf Heights:** Bottom three layers are 7.48" high for high heels, while the top seven shelves are 4.92" tall for flats, slippers, and sneakers.
- **Stylish Appearance:** Wood accent finish designed to complement various home decorations.
- **Easy Maintenance:** Surfaces are designed for easy cleaning.

Wall Anchor

Anti-tipping devices are provided to ensure additional safety.

3. PACKAGE CONTENTS

The package includes all necessary components for assembly:

- 1x Double Rows 10 Tiers Shoe Rack (all wooden panels and support structures)
- Assembly hardware (screws, wall anchor kit)
- Illustrated instruction manual

4. ASSEMBLY INSTRUCTIONS

Assembly is quick and straightforward. Follow the well-illustrated instructions provided in the package. Ensure all parts are present before beginning assembly.

1. Identify all components and hardware using the parts list in the manual.
2. Attach the side panels to the base and top panels using the provided screws.
3. Insert the individual shelf panels into the designated slots, ensuring they are securely fitted.
4. If desired, omit certain shelves to create taller compartments for boots.
5. Attach the included hooks to the side of the unit for additional hanging storage.
6. For added stability and safety, use the provided wall anchor kit to secure the shoe tower to a wall.

5. OPERATING INSTRUCTIONS

The HOMEFORT 10-Tier Corner Shoe Tower is designed for straightforward use. Simply place your shoes on the shelves. Utilize the varied shelf heights to organize different types of footwear efficiently.

- Place high heels on the bottom three shelves (7.48" high).
- Use the top seven shelves (4.92" tall) for flats, slippers, and sneakers.
- For boots or other tall items, remove one or more shelves to create adequate vertical space.
- Hang accessories like bags, scarves, or hats on the side hooks.

To make the fullest use of the vertical space in narrow corner. closet- entryway- hallway.

6. MAINTENANCE

To maintain the appearance and longevity of your shoe tower:

- **Cleaning:** Wipe the surfaces with a dry cloth to remove dust and dirt. For tougher stains, a slightly damp cloth can be used, followed by immediate drying.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners or harsh chemicals, as these may damage the finish.
- **Regular Inspection:** Periodically check all screws and connections to ensure they remain tight. Tighten if necessary.

7. TROUBLESHOOTING

If you encounter any issues with your shoe tower, refer to the following common solutions:

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Unit feels unstable or wobbly.	Loose connections or uneven placement.	Ensure all screws are tightened. Place the unit on a flat, level surface. Utilize the wall anchor kit for added stability.
Shelves do not fit properly.	Incorrect orientation of panels or improper insertion.	Review the assembly instructions to ensure all panels are oriented correctly and fully inserted into their slots.
Shoes do not fit on shelves.	Shoes are too tall for the current shelf height.	Remove one or more shelves to create larger compartments for taller footwear like boots.

8. SPECIFICATIONS

Attribute	Detail
Model Name	Shoe Rack
Model Number	PG-01SR024A
Brand	HOMEFORT
Product Dimensions	11.02"D x 20.47"W x 62.2"H
Number of Shelves	10
Weight Limit per Shelf	11 Pounds
Item Weight	33.7 Pounds
Material	Wood
Color	White
Assembly Required	Yes
Product Care Instructions	Wipe with Dry Cloth

Loading Capacity per tier
