Furinno FH22303WW

Furinno Peli Farmhouse Hidden Cat Litter Box with Divider

Model: FH22303WW | Brand: Furinno

INTRODUCTION

The Furinno Peli Farmhouse Hidden Cat Litter Box with Divider is designed to offer a discreet and stylish solution for your cat's litter area or as a comfortable pet bed/feeding station. This versatile furniture piece features a White Wash finish, blending seamlessly with various home decors. It includes a hidden compartment and a divider for flexible use, providing privacy for your feline companion while maintaining a clean living space.

This product is constructed from CARB-grade composite wood, ensuring durability and sturdiness. Assembly is required and is designed to be straightforward with the included step-by-step instructions and hardware pack.

SAFETY INFORMATION

- Ensure all parts are securely fastened during assembly to prevent instability.
- Do not exceed the stated weight capacities: 50 lbs on the top panel and 30 lbs in the lower cabinet space. The total weight capacity is 80 lbs.
- Keep small parts and hardware away from children and pets during assembly to avoid choking hazards.
- Place the unit on a flat, stable surface to prevent tipping.
- This product is intended for indoor use only.

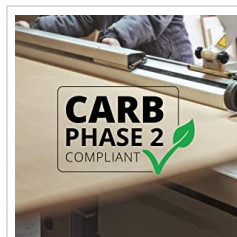

Image: CARB Phase 2 Compliant certification, indicating adherence to air quality standards for composite wood products.

PACKAGE CONTENTS

Before beginning assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Assembly Instructions
- Hardware Pack (screws, dowels, cam locks, etc.)
- Shelf Panels (various engineered wood panels for construction)

SETUP AND ASSEMBLY

Detailed step-by-step assembly instructions are included in your package. Please follow these instructions carefully to ensure correct and safe assembly. It is recommended to assemble the unit on a soft, clean surface to prevent scratches.

Assembly Overview

Image: An interior view of the assembled unit, showing a cat resting in the main compartment and a food bowl in the smaller, open section. This illustrates the internal divider and potential uses.

Image: A front view of the assembled unit, highlighting the open compartment for a food bowl and the slatted door of the main enclosure. This shows the exterior design and functionality.

Tools required for assembly are typically a screwdriver (not included) and the provided hardware. Ensure all cam locks are tightened and all screws are fully inserted for structural integrity.

OPERATING INSTRUCTIONS

Using as a Hidden Litter Box

- Place a standard-sized litter box inside the main compartment. The internal divider helps contain litter and provides a private space for your cat.
- The side entrance allows your cat easy access to the litter box.
- The slatted, vented door provides airflow and allows for quick access for scooping and cleaning.

Using as a Pet Bed or Feeding Station

- Alternatively, the main compartment can be used to house a pet bed, providing a cozy retreat for your cat.
- The smaller, open compartment is suitable for placing food or water bowls, keeping them separate from the main area.

Image: An interior view of the unit with the slatted door open, clearly showing the internal divider that creates two distinct compartments.

MAINTENANCE

To maintain the appearance and longevity of your Furinno Peli Farmhouse Hidden Cat Litter Box, follow these care instructions:

- Wipe clean with a clean, damp cloth.
- Avoid using harsh chemicals, abrasive cleaners, or furniture polish, as these can damage the finish.
- Regularly check and tighten any loose hardware to ensure stability.
- For spills, clean immediately to prevent staining or damage to the wood finish.

TROUBLESHOOTING

If you encounter any issues during assembly or use, please refer to the following common solutions:

- **Missing Parts:** Double-check the packaging and all corners of the box. If parts are genuinely missing, contact Furinno customer support with your model number and a description of the missing components.
- **Assembly Difficulties:** Review the step-by-step instructions carefully. Ensure all pieces are oriented correctly. Sometimes, a slight adjustment can resolve alignment issues. Do not force parts together.
- **Instability:** Ensure all screws, cam locks, and dowels are fully tightened. The unit must be placed on a level surface.

For further assistance, please contact Furinno customer support.
