**TOMALL LKSSBSXN**

# TOMALL Bling Driving Mode Button Cover for Lexus RX NX - Instruction Manual

Model: LKSSBSXN | Brand: TOMALL

## 1. PRODUCT OVERVIEW

The TOMALL Bling Driving Mode Button Cover is a decorative accessory designed to enhance the interior of compatible Lexus vehicles. Crafted from durable zinc alloy and adorned with sparkling crystal rhinestones, this cover provides a stylish and protective layer for your car's center console driving mode knob. It is designed to be scratch-resistant and corrosion-resistant, helping to cover existing imperfections and prevent new ones.

- ◆ ZINC ALLOY & SELF ADHESIVE
- ◆ HIGH QUALITY & GOOD PROTECTION
- ◆ SHINING & CRYSTAL
- ◆ FASHION DECORATION STYLE

Image: Product features including zinc alloy, self-adhesive backing, high quality, shining crystal, and fashion decoration style.

## 2. COMPATIBILITY

This driving mode button cover is specifically designed for the following Lexus models and years:

- Lexus RX: 2016, 2017, 2018, 2019, 2020
- Lexus NX: 2015, 2016, 2017, 2018, 2019, 2020

Please ensure your vehicle's model and year match the compatibility list before installation.

## 4. INSTALLATION INSTRUCTIONS

Follow these steps to properly install your TOMALL Bling Driving Mode Button Cover:

1. **Clean the Surface:** Before installation, thoroughly clean the surface of your car's center console driving mode knob to ensure it is free of dust, dirt, and grease. A clean surface ensures optimal adhesive stickiness.
2. **Prepare the Adhesive:** The button cover comes with pre-applied double-sided tape. Carefully peel off the protective film from the back of the cover.
3. **Position and Apply:** Align the button cover precisely over your car's driving mode knob. Once aligned, firmly press the cover onto the knob to secure it in place.
4. **Final Check:** Ensure the cover is securely attached and does not interfere with the normal operation of the knob.

## 5. CARE AND MAINTENANCE

To maintain the appearance and longevity of your button cover:

- Wipe the surface gently with a soft, damp cloth to remove dust or smudges.
- Avoid using harsh chemicals or abrasive cleaners, as these may damage the rhinestones or the finish.
- Do not move or repeatedly tear off the cover after initial installation, as this can reduce the adhesive's effectiveness.

## 6. IMPORTANT NOTES AND TROUBLESHOOTING

- **Adhesion:** Ensure the installation surface is clean and dry for the best adhesion. Repeated removal and reapplication may weaken the adhesive.
- **Fitment:** This product is pre-cut for specific Lexus RX and NX models. Verify compatibility before purchase and installation.
- **Color Variation:** Due to factors such as lighting and environment during photography, slight color differences may occur between the product images and the actual item.
- **Measurement:** Please allow for a deviation of 1-3 mm due to manual measurement.

## 7. WARRANTY AND SUPPORT
