DICTAC 2085

DICTAC Full Size Platform Bed Frame with LED Headboard and Storage Drawers

Model: 2085

1. PRODUCT OVERVIEW

The DICTAC Full Size Platform Bed Frame (Model 2085) is designed for comfort and functionality. It features an upholstered headboard with integrated LED lighting, built-in USB and Type-C charging ports, and four under-bed storage drawers. This bed frame is engineered for stability and durability, supporting mattresses without the need for a box spring.

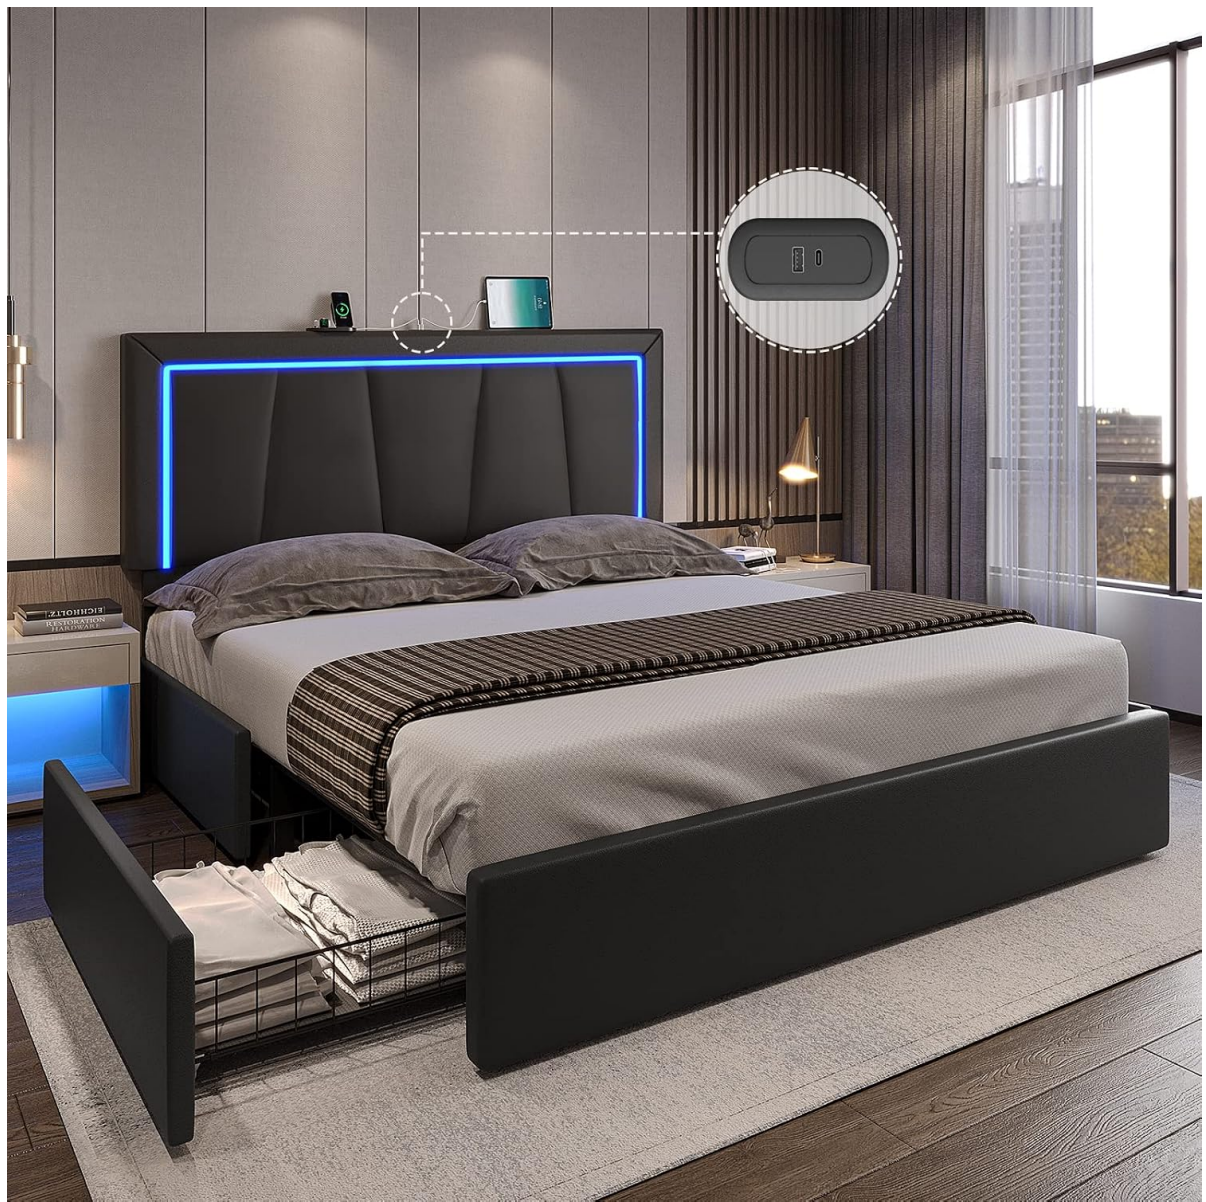

Image 1: DICTAC Full Size Platform Bed Frame with LED Headboard and Storage Drawers.

Key Features:

- **LED Headboard:** Three-sided hidden RGB light strips with remote and app control for customizable lighting.
- **Integrated Charging Ports:** One Type-C and one USB port in the headboard for convenient device charging.
- **Ample Storage:** Four under-bed storage drawers with wheels and liners to prevent items from falling and dust entry.
- **Adjustable Headboard:** Height adjustable to accommodate various mattress thicknesses (8-16 inches).
- **Sturdy Construction:** Strong metal frame with tightly arranged wooden slats and 9 support legs for stability and noise-free use.

2. SETUP AND ASSEMBLY

Assembly of the DICTAC Platform Bed Frame requires careful attention to the provided instructions. All necessary tools and numbered parts are included. It is recommended to have two people for assembly to ensure ease and safety.

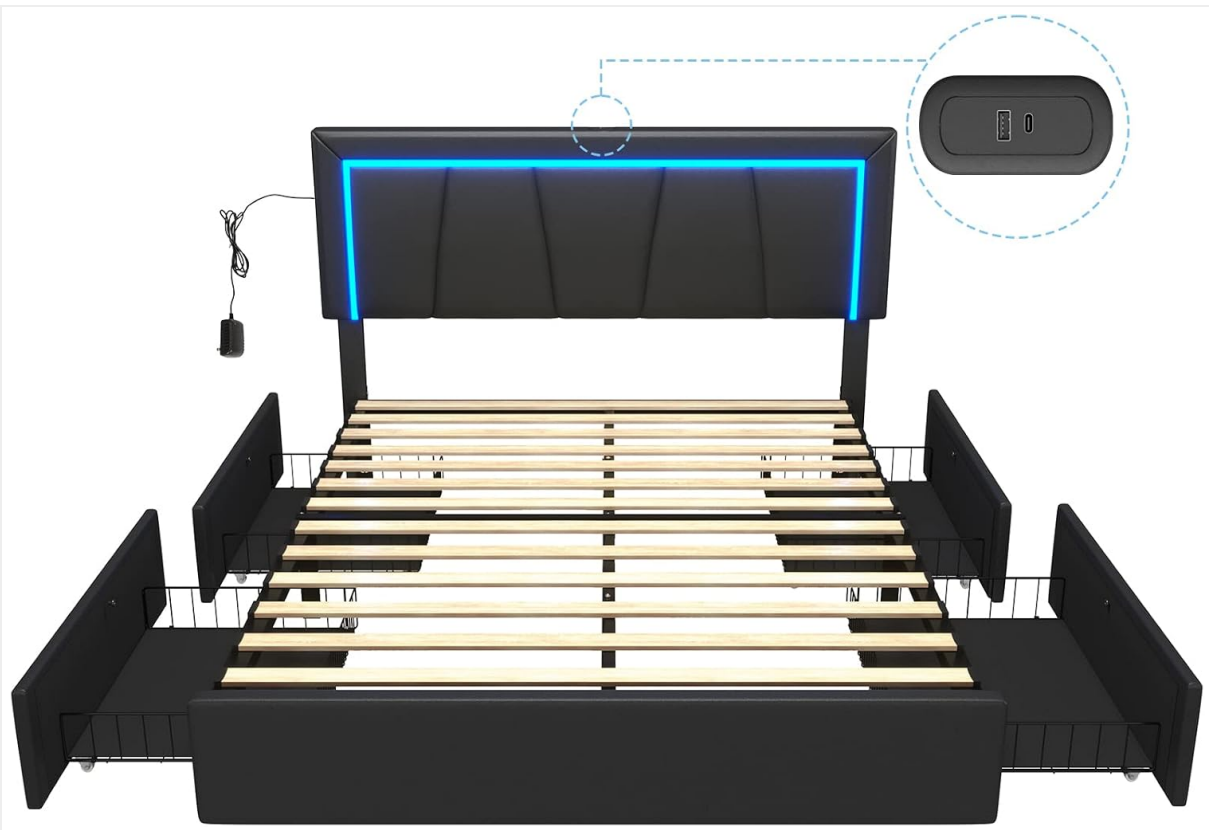

Image 2: Exploded view of bed frame components, illustrating the various parts and their arrangement for assembly.

Assembly Steps:

1. Unpack all components and verify against the parts list in the included manual.
2. Assemble the headboard and attach the support legs as per the detailed diagrams.
3. Connect the side rails and footboard to the headboard, ensuring all bolts are securely tightened.
4. Install the central support beams and their legs.
5. Place the wooden slats onto the frame, ensuring they are evenly spaced and secured.
6. Assemble the four storage drawers, attaching the wheels and inserting the liners.
7. Slide the assembled drawers under the bed frame.

Estimated assembly time: 30-45 minutes.

3. OPERATING INSTRUCTIONS

LED Headboard Lights:

The headboard features three-sided RGB LED light strips. These lights can be controlled via a remote control or a mobile application. Over 60,000 color options are available, along with adjustable brightness, speed, various modes, and a timing function.

Image 3: The LED headboard lights can sync with music beats, offering dynamic lighting effects.

USB and Type-C Charging Ports:

The headboard includes one Type-C and one USB charging port. These ports are compatible with various mobile devices, including Android and iPhone, providing convenient charging access directly from your bed.

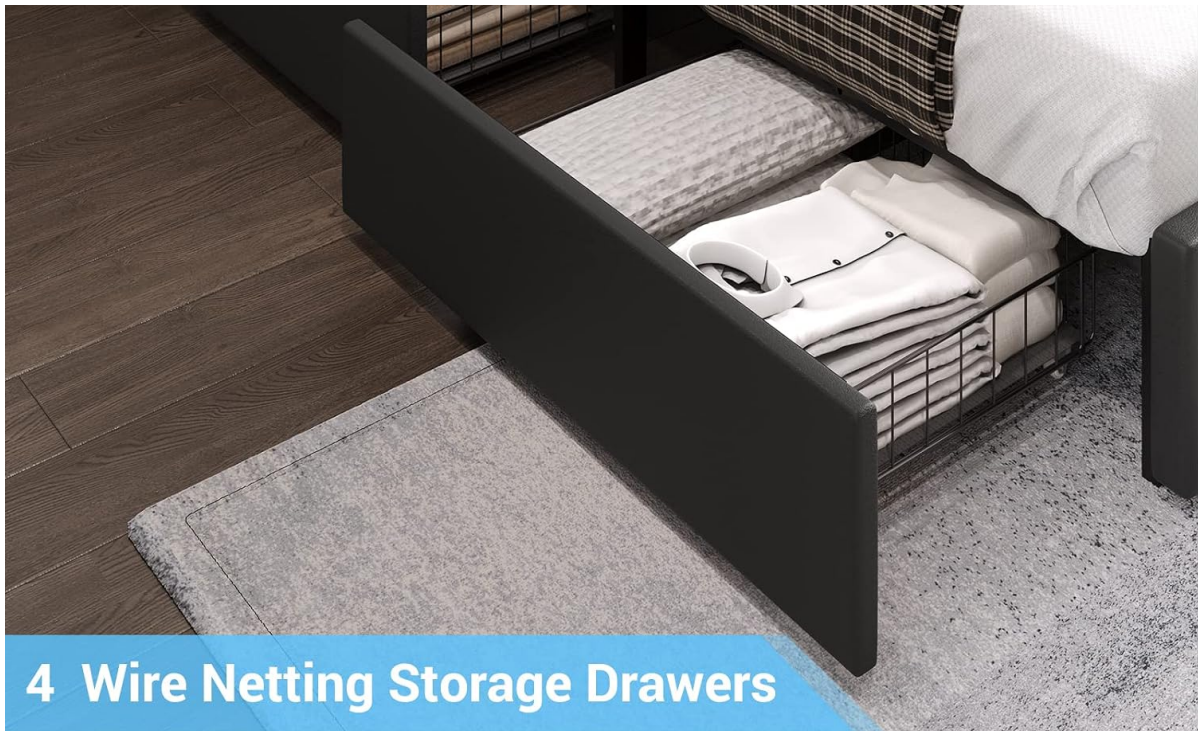

Convenience Type C & USB Ports Design

Storage Drawers:

The bed frame is equipped with four large storage drawers located under the bed. Each drawer features wheels for smooth operation and includes a non-woven liner to protect stored items and prevent dust accumulation.

4 Wire Netting Storage Drawers

Wheels:Storage drawers under the bed can be easily pulled out

Non-woven drawer bottom:Prevent the clothes from falling.

Image 5: Details of the under-bed storage drawers, highlighting the smooth-rolling wheels and protective liners.

Adjustable Headboard:

The headboard height can be adjusted to three different positions: 40.1 inches, 42.3 inches, or 44.1 inches. This adjustability allows for optimal compatibility with mattresses ranging from 8 to 16 inches in thickness.

4. MAINTENANCE

To maintain the appearance and longevity of your DICTAC bed frame, follow these care instructions:

- **Cleaning the Frame:** Wipe the faux leather upholstery with a damp cloth for general cleaning. For spills or stains, use a mild soap solution and a soft cloth, then wipe dry immediately.
- **Dusting:** Regularly dust the frame and headboard with a dry cloth to prevent dust buildup.
- **Drawer Care:** Periodically check the drawer wheels for smooth operation. Clean the drawer liners as needed.
- **LED Lights:** Ensure the LED light strips are free from dust. Avoid direct contact with liquids.
- **USB Ports:** Keep the charging ports clean and free of debris. Avoid inserting foreign objects.

5. TROUBLESHOOTING

This section addresses common issues you might encounter with your bed frame.

Common Issues and Solutions:

Issue	Possible Cause	Solution
Bed frame is noisy or squeaks.	Loose bolts or improperly installed slats.	Tighten all bolts on the frame. Ensure wooden slats are correctly seated and secured in their plastic snap locks.
LED lights are not working.	Power connection issue, remote control battery, or app connectivity.	Check if the power adapter is securely plugged in. Replace remote control batteries. Ensure mobile app is correctly paired and updated.
USB/Type-C ports are not charging devices.	Loose connection, faulty cable, or device incompatibility.	Verify the power connection to the headboard. Try a different charging cable or device to rule out cable/device issues.
Storage drawers are difficult to open/close or are damaged.	Obstruction, damaged wheels, or improper assembly.	Check for items obstructing the drawer path. Inspect wheels for damage and ensure they are properly attached. If damage persists, contact customer support.

If you encounter an issue not listed here or if the suggested solutions do not resolve the problem, please refer to the customer support information in Section 7.

6. SPECIFICATIONS

Feature	Detail
Model Number	2085
Size	Full
